(Wheelchair Accessible)

The RETI 2.0 Progress Report and Next Steps Workshop is intended to present to the RETI 2.0 Agency Executives and to the public a summary of the information and insights gathered during the first phase of the RETI 2.0 process and to propose focus areas for further assessment in the next phase of the RETI 2.0 process.

California Natural Resources Agency Secretary John Laird, California Public Utilities Commission (CPUC) President Michael Picker, California Energy Commission (CEC) Chair Robert B. Weisenmiller, California Independent System Operator Chief Executive Officer Steve Berberich, and U.S. Bureau of Land Management California State Director Jerome Perez will jointly preside over the workshop. Other Commissioners from the CPUC and CEC may also attend and participate in the workshop.

The notice with draft agenda will be released by April 22, 2016.
