Re: Carlsbad Energy Center Project (07-AFC-6C)  
Property Owner List

Dear Mr. Douglas:

The California Energy Commission (“**CEC**”) approved construction and operation of the Carlsbad Energy Center Project (07-AFC-6C) (the “**Project**”) in May 2012. Carlsbad Energy Center LLC (“**Project Owner**”) has worked diligently to prepare for construction of the licensed facility since the CEC approved the Project. Concurrently herewith, Project Owner docketed with the CEC its Petition to Remove Obsolete Facilities to Support Construction of the Carlsbad Energy Center Project. In accordance with Section 5.0 thereof, Project Owner hereby submits 2 compact disks containing active Excel spreadsheets of the current list of property owners within 1,000 feet of the Project boundary. To preserve the active nature of these documents, Project Owner is providing these documents on compact disk.

Please contact me or my colleague Allison Harris if you have questions.
