Government Code Section 11349.3

OAL Matter Number: 2017-0711-05

OAL Matter Type: Regular (S)

The California Energy Commission proposed this action to amend seven sections in title 20 of the California Code of Regulations that are under an article for appliance efficiency regulations. The proposed amendments include energy efficiency regulations for computers and computer monitors, clarify that signage displays are subject to existing television regulations, and clarify that certain appliances are not included in existing battery charger systems efficiency regulations.

OAL approves this regulatory action pursuant to section 11349.3 of the Government Code. This regulatory action becomes effective on 10/1/2017.
