In the Matter of:

Application For Certification  
**STANTON ENERGY RELIABILITY  
CENTER**

**DOCKET NO. 16-AFC-01**

**STANTON ENERGY RELIABILITY  
CENTER, LLC's STATUS REPORT No. 8**

In accordance with the Committee Scheduling Order dated May 1, 2017, Stanton Energy Reliability Center, LLC (SERC, LLC) has prepared this Status Report No. 8 to inform the Committee of the progress made in the review of the Application For Certification (AFC) for the Stanton Energy Reliability Center (SERC). The following summarizes the status of the Commission process since the filing of Status Report No. 7 on November 15, 2017.

**SCAQMD**

SERC, LLC continues to work closely with the South Coast Air Quality Management (SCAQMD) to advance the publication of the Preliminary Determination of Compliance (PDOC). The District wrote a letter dated October 6, 2017 requesting additional information before it would publish the PDOC. SERC, LLC provided responses on October 31, 2017 and on November 7, 2017. With this additional information SERC, LLC believes the SCAQMD has everything necessary to publish the PDOC in December 2017.

**Orange County Flood Agency**

SERC, LLC continues to work closely with the Orange County Public Works' (OCPW) Flood Division relating to the SERC site's drainage and bridge design. On November 28, 2017 representatives of and engineers for SERC met with representatives of OCPW to continue the exchange of information. Continued collaboration by the parties is expected to result in acceptable drainage and bridge designs.
