Re: Carlsbad Energy Center Project Petition to Amend (07-AFC-06C)
Objection and Time Extension Request for Data Response No. 4

Dear Mr. Roe:

On or about August 13, 2014, Power of Vision ("**POV**") filed Data Request Nos. 1 through 5 (TNs 202921 and 202927) (the "**Data Requests**") in which POV requested supplemental information related to the Petition to Amend ("**PTA**") the Carlsbad Energy Center Project (07-AFC-06C) ("**CECP**"). Carlsbad Energy Center LLC ("**Project Owner**") intends to respond to Data Requests 1, 2, 3 and 5 on or before the September 12, 2014 response due date. Project Owner has determined that it will be unable to provide the cross-sectioned drawing requested in Data Request No. 4 by this due date, however. Accordingly, pursuant to California Code of Regulations Title 20, Section 1716(f), Project Owner objects to Data Request No. 4 and respectfully requests that POV grant Project Owner a one-week extension of time, until September 19, 2014, to respond to this Data Request.

Please contact me or my colleague Allison Harris if you have questions or would like to discuss this request.
