Sacramento, CA 95814-5514

**Re: Application for Locally Adopted Ordinance**

Dear Ms. Neumann,

In accordance with Public Resource Code Section 25402.1 (h)2 and Section 10- 106 of the Building Energy Efficiency Standards, this package of materials includes the Town of Portola Valley's proposed local ordinance requiring more stringent energy requirements than those set by California's 2016 Building Energy Efficiency Standards Title 24, Part 6. Enclosed please find the following materials:

1. Signed Ordinance No. 2017-414, which updates the Town's Green Building Ordinance, including requirements for energy reach standards beyond the Title 24, Part 6 baseline for new residential and multi-family construction.
2. Supporting staff reports as part of the formal adoption of the Ordinance.
3. Cost effectiveness study and analysis.
4. Evidence of CEQA compliance (included in Ordinance).

Please feel free to contact me with any questions. Thank you for your assistance.

Sincerely,

Brandi de Garneau, Sustainability & Special Projects Manager  
Town of Portola Valley
