Public Comments (6:45 – 9:00, estimated)

We will endeavor to allow each speaker up to 3 minutes, but the time could be reduced to 1 minute in an effort to accommodate as many speakers as possible. If you are attending the meeting in person, please see the Public Adviser to sign up to make public comments. For participants on WebEx, please use the chat function to let our WebEx coordinator know that you would like to make a comment.

First, the public attending the meeting will have an opportunity to comment.
Then, the public participating by WebEx or phone will have an opportunity to comment.

Closing Comments

Adjourn

Information About Parking:

There is an onsite parking garage. When entering the parking garage, you will receive a ticket. You may purchase a \$7.00 exit pass at the valet cashier located at the front drive of the hotel; otherwise you may pay the maximum daily rate of \$14.00. Valet parking is also available at \$15.00. Pricing is subject to a 10% city tax.

To Submit Written Comments:

Written comments are welcome and should be submitted to the California Energy Commission's Dockets Unit by **4:00 p.m. on April 22, 2016**. All written comments will become part of the public record of this proceeding.

Visit the website at http://www.energy.ca.gov/2016_energy_policy/ and click on the "**Submit e-Comment**" link in the "Proceeding Information" box. From the drop down menu, please select docket **16-IEPR-02 – Natural Gas**.

This will take you to the page for adding comments to that docket. Please enter your contact information and comment title. Under "subject(s)," select "**IEPR 2016-04-08 Workshop**" and "**IEPR public comments**." You may include comments in the box titled "Comment Text" or attach a file with your comments. Attached comments must be in a Microsoft® Word (.doc, .docx) or Adobe® Acrobat® (.pdf) formatted file.

The Energy Commission encourages use of its electronic commenting system, but written comments may also be submitted by e-mailing them to the Dockets Office, or by U.S. Mail to:

California Energy Commission
Dockets Office, MS-4
Re: Docket No. 16-IEPR-02
1516 Ninth Street
Sacramento, CA 95814-5512

If you choose not to use the electronic filing system, please include the appropriate docket number on any e-mailed or written comments. Comments may be e-mailed to docket@energy.ca.gov and copy the technical lead, Lana Wong, by e-mail at Lana.Wong@energy.ca.gov.

Please note that your electronic, e-mailed, written and oral comments, attachments, and associated contact information (for example, address, phone, and e-mail) become part of the viewable public record. Additionally, this information may become available via Google, Yahoo, and other search engines.
