California Energy Commission

SB 350 Barriers Study Draft Report Workshop

Barriers of Low-Income and Disadvantaged Communities to Renewable Energy and Energy Efficiency

Tuesday, September 13, 2016 – 1:30 pm
First Floor - Arthur Rosenfeld Hearing Room
1516 Ninth Street, Sacramento, CA 95814

(Listed Times are general guidelines only)

This workshop will present the details of the draft report on barriers faced by low-income and disadvantaged communities to solar photovoltaic, renewable energy, and energy efficiency, as well as barriers to contracting opportunities for small businesses in disadvantaged communities. A quorum of Commissioners from the California Energy Commission may be in attendance, but no Energy Commission business will be discussed and no votes will be taken.

Welcome and Introductions

1:30 – 2:00

Opening comments will be provided by Commissioners and agency representatives.

Robert Weisenmiller, Chair, California Energy Commission

David Hochschild, Commissioner, California Energy Commission

Janea Scott, Commissioner, California Energy Commission

Thomas Doughty, Vice President Customer and State Affairs, California Independent System Operator

Martha Guzman-Aceves, Deputy Legislative Secretary, Governor's Office (INVITED)

Saul Gomez, Deputy Cabinet Secretary, Governor's Office (INVITED)

Presentation: Overview of 350 Barriers Study Draft Report

2:00 – 3:00

California Energy Commission Staff will provide an overview of the Barriers Study Draft Report pursuant to SB 350. Presentations will include a focus on process and stakeholder engagement, identified barriers, potential solutions, and an overview of barriers and solutions to contracting opportunities for small businesses located in disadvantaged communities.

Jordan Scavo, California Energy Commission

Bill Pennington, California Energy Commission

Alana Mathews, California Energy Commission

Esteban Guerrero, California Energy Commission

Michael Sokol, California Energy Commission

Public Comment

3:00

Public stakeholders should consider the following questions when framing their comments:

- *Are there any important barriers that are not identified in the draft study?*
- *Are there any important solutions that are not identified in the draft study?*
- *What would you identify as high-priority recommendations the final study should include to address these barriers? Please be as specific as possible and include relevant details, such as suggested funding amounts and proposed schedule.*

Concluding Remarks
