## **FIRE ACCESS ROADS**

Dear Mr. Pianka,

In the original AFC filed in September 2007, there appeared a Figure 2.1-5 showing the primary and secondary fire access roads. A similar figure was not provided in the PTA docketd in April 2014.

Access roadways on the proposed expanded site also seem to have changed. Could you please submit a fire access drawing for the currently proposed six generating units.

Sincerely,

Julie Baker

Arnold Roe, Ph.D.
