Renewables Portfolio Standard Online System Staff Workshop

Christina Crume
Renewables Portfolio Standard
Renewable Energy Division

Arthur Rosenfeld Hearing Room

9:00 a.m.

August 18, 2016

Workshop Agenda

- Welcome & Housekeeping
- Overview of RPS Online System
- Account Management
 - Presentation
 - Demonstration
 - Public Comments (blue cards)
- Certification
 - Presentation
 - Demonstration
 - Public Comments (green cards)
- Next Steps & Proposed Schedule
- Additional Comments

RPS ONLINE SYSTEM OVERVIEW

RPS Online System

- Effective with adoption of the *RPS Eligibility Guidebook, Ninth Edition* (est. October 12, 2016)
- Use by all LSEs for RPS
- Organization and Account Management
- Certification Applications
- **Verification and Compliance Reports**
(to be demonstrated at a later time)

New System – New Benefits

- Real-time updates and information
- No more Excel forms or compatibility issues for applications
- Enhanced instructions and guidance to complete applications
- Access to all documents submitted, applications, and certificates in one place
- Administer authorized individuals

Stakeholder Engagement

- February 23 - Account Management Focus Group
- July 26 - Applications Focus Group
- August 18 - Workshop on Account Management and Applications
- Aug. 18 – 31 - Testing on Acct. Mgmt. & Applications
- August 31 - Comments Due
- September 1 - Receive Merge Form from listserv
- September 12 - Merge Form due
- September 28 - Workshop on Accounts with Migrated Data

Stakeholder Engagement

- September 6 - Verification Level 1 Focus Group
- September 19 - Verification Level 2 & 3 Focus Group
- September 28 - Verification Workshop
- October 12 - Adoption of RPS Guidebook & “Go live” of RPS Online System
- Oct – Nov - Workshop(s) on Verification
- Nov – Dec - Workshop(s) on Verification
- Spring 2017 - “Refresher” workshop on Verification

Resources

- Focus Groups, Workshops and Demonstrations
- Take home link to test

RPS Online System

A screenshot of the RPS Online System login page. The page header includes the CA.GOV logo and the California Energy Commission Testing logo. The main content area is titled "Renewables Portfolio Standard" and "Log In". It features two input fields for "User ID" and "Password", a checkbox for "I have read and agree to the Login Policy", and links for "Forgot your User ID?" and "Forgot your Password?". A "Sign In" button is located below the password field. In the bottom right corner, there is a "Public Search" section with the text "Search for publically available application information" and an "Applications Search" button. This "Public Search" section is circled in red.

ACCOUNT MANAGEMENT

Create an Account

- Organization Information
- Primary address (mailing & physical) or mailing address

A screenshot of the "Create New Organization" form on the CA.GOV website. The form is titled "Create New Organization" and includes sections for "Instructions", "Organization Information", and "Address". The "Instructions" section states: "Please fill out all the required fields marked by *". The "Organization Information" section contains two text input fields: "*Organization Name" and "Organization Name aka". The "Address" section contains several fields: "*Country" (a dropdown menu with "Please Select" selected), "*Address Line 1" and "Address Line 2" (text input fields), "*City" (text input field), "*USA State" (a dropdown menu with "Please Select" selected), "*Foreign State/Province" (text input field), and "*ZIP/Postal Code" (text input field). At the bottom of the form, there is a "Save & Next" button, which is circled in red. The website header includes the CA.GOV logo, the California Energy Commission logo, and the text "CALIFORNIA ENERGY COMMISSION UAT". Navigation links for "ACCT MGMT" and "SEARCH" are also visible.

Add a New User

- Name of user
- Valid email address
- Phone number
- Unique User ID

A screenshot of the "Create New User" form in the California Energy Commission system. The form is titled "Create New User" and includes a "Save" button circled in red. The form contains the following fields:

- Instructions:**
 - Please enter phone number and fax in following formats: 1-999-999-9999
 - Please add extension for phone number, if applicable, by indicating x
- Add User:**
 - *First Name
 - *Last Name
 - *Phone Number
 - Fax Number
 - *Email Address
 - *Reenter Email Address
 - *User ID

The "Save" button is located in the top right corner of the form area. A "Previous" button is located in the bottom right corner of the form area. The page header includes "CA.GOV", "ACCT MGMT", "SEARCH", and "CALIFORNIA ENERGY COMMISSION UAT". The top right corner of the page has links for "Help", "FAQs", and "Back To Login".

Confirm account setup via email

A screenshot of the California Energy Commission website. The header includes the CA.GOV logo, the California Energy Commission logo, and the text "CALIFORNIA ENERGY COMMISSION UAT". There are links for "Help", "FAQs", and "Back To Login". Below the header, there are buttons for "ACCT MGMT" and "SEARCH". The main content area displays a green message: "Thank you for completing a request for a user account. You will receive an email when your registration has been confirmed."/>

CERTIFICATION APPLICATIONS

Applications

A screenshot of the California Energy Commission website. The top navigation bar includes the CA.GOV logo, the State of California Energy Commission logo, the text "CALIFORNIA ENERGY COMMISSION UAT", and user information "Christina Crume | Help | FAQs | Logout". Below this is a secondary navigation bar with "HOME", "APPLICATIONS" (circled in red), "VERIFICATION REPORTS", and "ACCT MGMT". The main content area displays a list of application options, with three items highlighted by red boxes: "Create Pre-Certification Application", "Create Certification Application", and "Create Aggregated Unit Application". Other options include "Amend Existing Application", "Certify a Precertified Facility", and "Apply For Time Extension Request". At the bottom, there is a table header with columns "RPS ID", "Sumix", "Facility Name", "Status", and "Primary Resource", and a message "No records found".

- Apply for new precertification
- Apply for new certification
- Apply for new aggregated unit

HOME APPLICATIONS VERIFICATION REPORTS ACCT MGMT

Pre-Certification Clear

Application Process

- New Application Facility**
- Map & Coordinate
- Facility Operations & Interconnection
- Facility Resource Information

Instructions

- Please fill out all the required fields marked by *
- Information will not be saved if the applicant navigates away from this page without clicking the SAVE & NEXT button.
- The CLEAR button will clear contents on this page.
- The CANCEL button will navigate the applicant to either the Home Page or the Previous Page. Any information entered will remain saved.

Facility Information

Previously assigned RPS ID, if any

*Name of Facility

Specify any additional names this facility is or has been known by:

a)

b)

Facility Resource

Indicate all energy sources used by the facility, including any non-renewable resource under the de minimis:

*Primary Resource:

Secondary Resource:

Facility GIS and Location

- Add facility point
- Add boundary around facility
- Can see nearby facilities

The screenshot shows a web application interface for "Facility GIS and Location Information". At the top, there is a navigation bar with "HOME", "APPLICATIONS", "VERIFICATION REPORTS", and "ACCT MGMT". A "Clear" button is located in the top right corner. On the left, a sidebar menu lists various application process steps, with "Map & Coordinate" currently selected. The main content area is titled "Facility GIS and Location Information" and includes an "Instructions" section with three bullet points: "A facility must have both a point and a boundary.", "To place the facility point on the map either 1. Enter the GPS coordinates of the facility in degrees, minutes, second and click 'Place the Coordinate on Map' or 2. Click on the map and select 'Add Facility Point' and the GPS coordinates will update", and "Enter the boundary for the facility by clicking and selecting 'Add Facility Boundary' and drawing the boundary for the facility." Below the instructions is a "Toggle Coordinate Input" button and a "Place the Coordinate on Map" button. A form for "Degree Minute Second (DMS)" coordinates is displayed, with fields for Latitude (Degree: 38, Minute: 34, Second: 51.4054) and Longitude (Degree: -121, Minute: 30, Second: 10.0648). A search bar labeled "Find address or place" is also present. The main map area shows a street grid with a green polygon representing a facility boundary and a grey point representing a facility. A tooltip for the point reads "PV Facility" and includes a "Zoom to" button. The map also shows nearby landmarks like "Macy's Downtown Plaza" and "Macy's Men's Downtown Plaza". A scale bar at the bottom left indicates 100m and 300ft. At the bottom right, there are "Previous" and "Save & Next" buttons.

Supplemental Documents

- Upload documents if necessary

The screenshot shows the user interface for the California Energy Commission's UAT (User Acceptance Testing) portal. The header includes the CA.GOV logo, the California Energy Commission logo, and the text 'CALIFORNIA ENERGY COMMISSION UAT'. The user is logged in as 'Christina Crume' and is viewing a 'Testing Account'. The main navigation menu includes 'HOME', 'APPLICATIONS', 'VERIFICATION REPORTS', and 'ACCT MGMT'. The current page is titled 'Upload Supporting Documents' and features a 'Clear' button. A sidebar on the left lists the application process steps: 'Application Process', 'New Application Facility', 'Map & Coordinate', 'Facility Operations & Interconnection', 'Facility Resource Information', 'Facility Identification', 'Application Conclusion', 'Upload Supporting Documents' (highlighted), 'Application Summary', and 'Application Attestation'. The main content area has an 'Instructions' section with the text: 'Please upload any supporting documentation to substantiate the information provided in the application. Use the applicable section to upload each document.' Below this is a table with columns for 'Document' and 'Upload Date', which is currently empty with the text 'No records found'. A 'Delete' button is located below the table. At the bottom of the page, there is an 'Extra Documentation' section with a 'Choose File' button and the text 'No file chosen'. Finally, 'Previous' and 'Save & Next' buttons are located at the bottom right of the page.

- Application Attestation**

Instructions

Once the applicant clicks on the SUBMIT button, this will submit the application to the RPS staff and the application will no longer be editable

Attestation

I am an authorized officer or agent of the above-noted facility owner with authority to submit this application on said facility owner's behalf, and hereby submit this application and any supplemental forms and attachments included herewith on behalf of said facility owner for precertification of the facility as an eligible renewable energy resource for California's RPS. I have read the above information as well as the California Energy Commission's Renewables Portfolio Standard Eligibility Guidebook, and understand the provisions, eligibility criteria, and requirements of that guidebook and my responsibilities under the guidebook. I acknowledge that any RPS precertification approval from the Energy Commission is conditioned on the above noted facility owner's acceptance and ongoing satisfaction of all program requirements as set forth in the Renewables Portfolio Standard Eligibility Guidebook, and does not guarantee the facility will be eligible for certification once it becomes operational. I further acknowledge that the Energy Commission may revise the Renewables Portfolio Standard Eligibility Guidebook in the future, and that it is my responsibility to remain informed of any changes that could affect the precertification, or future certification, of the above noted electrical generation facility. I declare under penalty of perjury that the information provided in this form and any supplemental forms and attachments included herewith is true and correct to the best of my knowledge and that I am authorized to submit this form and any supplemental forms and attachments included herewith on the behalf of the above noted electrical generation facility owner.

Application Status

- Application status in real time

The screenshot shows the user interface for the California Energy Commission's UAT (User Acceptance Testing) application status tool. At the top, there is a navigation bar with the CA.GOV logo, the California Energy Commission logo, and the text "CALIFORNIA ENERGY COMMISSION UAT". The user is logged in as "Christina Crume" and is using a "Testing Account". The main navigation menu includes "HOME", "APPLICATIONS", "VERIFICATION REPORTS", and "ACCT MGMT".

The "Home Page" section features a tabbed interface with "Application Inbox" selected. Below the tabs are search filters for "RPS ID", "Suffix", "Facility Name", "Application Status", and "Resource Type". A "Search" button is located to the right of these filters.

The "Results" section shows a table with one entry. The table has columns for "RPS ID", "Suffix", "Facility Name", "Status", and "Primary Resource". The entry shows RPS ID 63327, Suffix C, Facility Name PV Facility, Status Pending, and Primary Resource Photovoltaic.

| | RPS ID | Suffix | Facility Name | Status | Primary Resource |
|--------|--------|--------|---------------|---------|------------------|
| Select | 63327 | C | PV Facility | Pending | Photovoltaic |

Amending an Application

The screenshot shows the California Energy Commission website interface. At the top right, the user is logged in as 'Christina Crume' with links for 'Help', 'FAQs', and 'Logout'. The user's account type is 'Testing Account'. The main navigation bar includes 'HOME', 'APPLICATIONS' (highlighted with a red circle), 'VERIFICATION REPORTS', and 'ACCT MGMT'. Below the navigation bar, a list of application actions is displayed:

- Create Pre-Certification Application
- Create Certification Application
- Amend Existing Application (highlighted with a red box)
- Create Aggregated Unit Application
- Certify a Precertified Facility
- Apply For Time Extension Request

Below the list, there is a 'Results' section with a table header and a message:

| RPS ID | Sumix | Facility Name | Status | Primary Resource |
|------------------|-------|---------------|--------|------------------|
| No records found | | | | |

Amend an Application

- Select facility to amend and click “Apply for Amendment”
- Copies current application
- **Does not** change from precertification to certification

The screenshot shows the California Energy Commission UAT interface. At the top, there is a navigation bar with the CA.GOV logo, the California Energy Commission logo, and the text 'CALIFORNIA ENERGY COMMISSION UAT'. The user is logged in as 'Christina Crume' and has a 'Testing Account'. The main content area is titled 'Apply for Amendment' and contains a search form with fields for 'Application #', 'RPS ID', 'Facility Name', 'Received From', and 'Received To', along with a 'Search' button. Below the form is a 'Results' section with a table of application records. The first record is highlighted with a red circle around the checkbox and another red circle around the 'Apply for Amendment' button in the 'Actions' column.

| Type | RPS ID | Status | Facility | Received Date | Actions |
|---|--------|----------|-------------|---------------|---------------------|
| <input checked="" type="checkbox"/> Pre-Certification | 63327 | Approved | PV Facility | 08/09/2016 | Apply for Amendment |

Certifying a Precertified Facility

The screenshot shows the California Energy Commission website interface. At the top right, the user is logged in as 'Christina Crume' with links for 'Help', 'FAQs', and 'Logout'. The user's account type is 'Testing Account'. The main navigation menu includes 'HOME', 'APPLICATIONS' (highlighted with a red circle), 'VERIFICATION REPORTS', and 'ACCT MGMT'. Under the 'APPLICATIONS' menu, there are two columns of options: 'Create Pre-Certification Application', 'Create Certification Application', and 'Amend Existing Application' on the left; and 'Create Aggregated Unit Application', 'Certify a Precertified Facility' (highlighted with a red box), and 'Apply For Time Extension Request' on the right. Below the menu is a table with columns for 'RPS ID', 'Sumix', 'Facility Name', 'Status', and 'Primary Resource'. The table content shows 'No records found'.

CERTIFICATION APPLICATION DEMONSTRATION

COMMENTS – GREEN CARD

NEXT STEPS AND PROPOSED SCHEDULE

Comment Period

- Use the weblink to test the RPS Online System
- For questions during testing, email:

RPSTrack@energy.ca.gov

With subject: RPS Online System Testing

- Comments due **August 31, 2016**
 - Docket 16-RPS-01

Transition to the RPS Online System

- Complete the Merge Form and submit by **September 12, 2016**
- Initial Accounts created with one primary user and all facilities listed
- Review information for accuracy at **September 28, 2016** Workshop
- Applications on 8th Edition no longer accepted after **September 30, 2016**
- Notify CEC of any incorrect data by **October 5, 2016**
- Log in and start using the new system after adoption **October 12, 2016**
- Add additional users, submit or amend applications, and complete reports

Proposed Schedule

- August 18 Workshop
- August 31 Comments Due
- September 12 Primary Acct. & Facility Sheet Due
- September 28 Workshop to Demonstrate accounts
- September 30 Last day to submit applications on 8th Edition Forms
- Sept – Oct Demo(s) on Verification
- October 12 Adoption of RPS Guidebook & “Go Live” of RPS Online System
- Nov – Dec Workshop(s) on Verification
- Spring 2017 “Refresher” workshop on Verification

Troubleshooting

- In the unlikely event the RPS Online System is down for maintenance or due to a system wide outage, and it affects a deadline or submission date, please email RPSTrack@energy.ca.gov and/or RPS staff for assistance.
- The CEC will make every effort to ensure a smooth transition to the RPS Online System.
- Once the Online System goes live, if a technical issue occurs during use, please contact RPS staff.
