(Please allow five business days for review.) After review and sign-offs are completed, email the saved word version of the CEC-19E as an attachment to WEBWORK@energy.ca.gov. The Web Team will confirm with you that your message has been sent out.

List Servers:	Renewable	Date to send out e-mail:
		December 14, 2016

See <http://www.energy.ca.gov/listservers/index.html> for names of list servers.

Subject line:

Notice of RPS Data Migration and Transition to the RPS Online System

Text of message to be sent:

The California Energy Commission will consider adopting the *Renewables Portfolio Standard (RPS) Eligibility Guidebook, Ninth Edition* at its January 25, 2017, Business Meeting.

The RPS Online System, discussed in the *RPS Guidebook, Ninth Edition*, will be available for public access on January 25, 2017, following the anticipated adoption and effective date for the *RPS Guidebook, Ninth Edition*. Following adoption of the *RPS Guidebook, Ninth Edition*, all applicants shall use the RPS Online System for submittal of precertification and certification applications and required RPS reporting.

Applicants are requested to submit certification applications using the forms in the *RPS Guidebook, Eighth Edition* no later than January 6, 2017, to allow time to transition to the RPS Online System. Processing of applications received or postmarked between January 6, 2017, and the January 25, 2017, effective date of the *RPS Guidebook, Ninth Edition*, may be delayed during the transition.

RPS certification and precertification forms from the *RPS Guidebook, Eighth Edition* will not be accepted after January 25, 2017.

For questions regarding this notice, please contact Christina Crume by phone at (916) 654-4674 or by email at Christina.Crume@energy.ca.gov.
