Subject: Committee Response to Power of Vision March 9 Request to Extend Testimony Deadline

Opening Testimony Deadline. In response to Power of Vision's request to extend the time for filing of testimony, docketed on March 9, 2015 (TN 203787), the Committee hereby extends the deadline for the filing of exhibits and prepared direct testimony from tomorrow, Tuesday, March 10, 2015, to **Thursday, March 12, 2015, at 3:30 p.m.** This allows the Dockets unit to review and approve, and the e-filing system to distribute the filings before the close of business on Thursday, so that the parties may consider them in the preparation of their Exhibit Lists and Prehearing Conference Statements that remain due on Friday, March 13, 2015. Similarly, rebuttal testimony and, if necessary, revised Exhibit Lists, continue to be due on March 24, 2015.
