Dear Sir or Madam:

This is a public records request for specific information needed to perform a cumulative air quality impact analysis. The proposed project would be located at 34 degrees 03 minutes 33 seconds north latitude and 117 degrees 46 minutes 26 seconds west longitude, equivalent to stack Universal Transverse Mercator (UTM) coordinates of 3768996 meters northing, 428569 meters easting in Zone 11 of North American Datum 1983 (NAD 83).

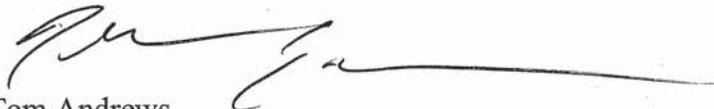

Specifically, we request the information listed below for facilities located within a six-mile radius of the project site.

- A list of all new Permits to Construct and/or modified Permits to Operate issued after January 1, 2014 for projects that result in a net emissions increase of 5 tons per year or more of NO_x, PM₁₀, SO_x, or CO.
- A list of projects for which Permits to Construct and/or modified Permits to Operate have not been issued to date but that are reasonably foreseeable (for example, a permit application has been filed) and are expected to result in a net emissions increase of 5 tons per year or more of NO_x, PM₁₀, SO_x, or CO.
- For each new/modified source identified above, the following information, to the extent available:
 - Facility name;
 - Facility location;
 - Type of new/modified basic emitting equipment; and
 - Net emission increases for all criteria pollutants.
- For each new/modified source identified above, the following facility information for each stack:
 - Height;
 - Inside diameter;
 - Exit temperature;
 - Exhaust flow rate or velocity;

- Base elevation; and
- UTM coordinates.

If you have any questions regarding this request, please do not hesitate to call me at (916) 273-5139.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tom Andrews', with a long horizontal flourish extending to the right.

PUBLIC RECORDS REQUEST FORM

PRU Office Use Only
CONTROL NUMBER

ATTENTION REQUESTOR: To expedite your request for District records, please fill out this form completely, and identify specifically the type of records you are requesting. Please limit your request to one facility or one site address for each request form filed, and three requested items per form. Additional forms or pages can be used if requesting information for more than one facility or for records not identified on this form. Requests should reasonably describe identifiable records prepared, owned, used, or retained by the District. Public Records Unit staff is available to assist you in identifying those records in the District's possession. The District is not required by law to create a new record or list from an existing record.

SOUTH COAST AIR QUALITY MANAGEMENT DISTRICT

INSTRUCTIONS FOR REQUESTING RECORDS **(California Public Records Act, Govt. Code Sections 6250-6276.48)**

1. In order to expedite your request, requests for records should be in writing. Requests will be processed in the order in which they are received. A Public Records Request Form can be faxed to you by calling (909) 396-3700 and following the menu options. A form is also available on the A.Q.M.D.'s web page at <http://www.aqmd.gov>. Select the "Contact Us" menu, followed by the "Public Records" menu. Requests may be submitted by facsimile to (909) 396-3330, or by email to PublicRecordsRequests@aqmd.gov.
2. Requests must be for records prepared, owned, used, or retained by the District (Gov. Code Sec. 6252(e)). Requests should be for clearly identifiable records. If necessary, the District will assist the requestor in making a request that describes reasonably identifiable records (Gov. Code Sec. 6253.1). Copies will not be provided if disclosure would infringe upon a copyright, trade secret, or is otherwise exempt in accordance with state law.
3. A search for facility records can only be conducted by one or all of the following:
 - Facility Name, Address, or Identification Number;
 - Facility Application Number, or Permit to Operate Number; or
 - Facility Notice of Violation/Notice to Comply Number.
4. You will be notified by mail within ten (10) days whether your request seeks copies of disclosable public records prepared, owned, used, or retained by this agency. In most cases, your request will be completed within 3-4 weeks.
5. If the search for records finds the records voluminous, you will be notified of the approximate number of pages and/or length of time it will take to process your request.
6. If the records you requested have been marked confidential by the source of the record, you will be notified and given the option of continuing with the District's trade secret process.
7. If your request is to review records, rather than receive copies, the District will notify you once the records are gathered, and arrangements will be made for your review.
8. The charge for the direct cost of duplication is as follows: Paper Copies, \$0.15/page each over 10 pages (first 10 pages are free); Copied CD's or Copied Diskettes, no charge; and Copied Audio Tapes, \$5.00 each. When records are requested in electronic format, the requestor shall bear the cost of producing a copy of the record, including the cost to construct the record and the cost of programming and computer services necessary to produce a copy of the record when either of the following applies: (1) the District would be required to produce a copy of an electronic record and the record is one that is produced only at otherwise regularly scheduled intervals, or (2) the request would require data compilation, extraction, or programming to produce the record. (Gov. Code Sec. 6253.9(b)). The transfer of gathered electronic records onto CD or Diskette typically cost \$10.00 each. An invoice will accompany your records when completed.
9. For further clarification please refer to the California Public Records Act (California Gov. Code Sec. 6250 et seq.) and/or the District's Guidelines for Implementing the California Public Records Act. The Guidelines are available in the lobby of the District Headquarters or on the District's web site at www.aqmd.gov.

If you have questions pertaining to the submittal of a Public Records Act request, you may contact the Public Records Unit, (909) 396-3700, Tuesday through Friday, 7:00 a.m. to 5:30 p.m. Our Fax number is (909) 396-3330. Our email address is PublicRecordsRequests@aqmd.gov.

NOTE: The SCAQMD is in the process of developing the requested information regarding nearby new/modified sources with net emission increases greater than 5 tons/year. A copy of the SCAQMD response will be submitted to the CEC as soon as it is available.
