Dear Librarian:

**DOCUMENT HANDLING FOR THE POMONA REPOWER PROJECT APPLICATION
FOR A SMALL POWER PLANT EXEMPTION (16-SPPE-01)**

Please make the enclosed application for a Small Power Plant Exemption (SPPE) available to those who may wish to be informed about the project. We request that you not allow the SPPE application or any of its contents to be removed from the library. To increase accessibility of the document, we ask, if possible, that you cross-reference it as a general reference work under the title and author categories, as well as under such subjects as "Energy Commission," "electricity energy/generation," "power plant siting," or any other relevant subject.

The Energy Commission's review process is open to the public and incorporates the input of the public as well as local, state, and federal agencies. To facilitate public participation, we distribute copies of the SPPE application to libraries in Eureka, Fresno, Los Angeles, San Diego, and San Francisco, as well as to public libraries in communities near the proposed project.

Thank you for your cooperation. If you have any questions, please contact Leonidas Payne, Siting Project Manager, at (916) 651-0966 or by email to leonidas.payne@energy.ca.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris Davis", written over a horizontal line.
