Dear Mr. Carrier:

DATA REQUESTS 1 to 45 (SET #1) FOR THE POMONA REPOWER PROJECT (16-SPPE-01)

Pursuant to Title 20, California Code of Regulations, section 1716, the California Energy Commission staff is asking for the information specified in the enclosed data requests. The information requested is necessary to: 1) more fully understand the project; 2) assess whether the facility will be constructed and operated in compliance with applicable regulations; 3) assess whether the project will result in significant environmental impacts; 4) assess whether the facilities will be constructed and operated in a safe, efficient and reliable manner; and 5) assess potential mitigation measures.

The requested information in Data Requests Set #1 covers the Project Description and the technical areas of transmission system engineering, air quality, biological resources, hazardous materials management, waste management, socioeconomics, traffic and transportation, visual resources/plume analysis, and water resources. Written responses to the enclosed data requests (Set 1) are due to the Energy Commission staff on or before May 27, 2016.

If you are unable to provide the information requested, need additional time, or object to providing the requested information, please send a written notice to me and the Committee within 20 days of receipt of this request. The notification must contain the reasons for not providing the information, the need for additional time, or the grounds for any objections (see Title 20, California Code of Regulations, section 1716 (f)).

If you have any questions, please call me at (916) 651-0966, or email me at leonidas.payne@energy.ca.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Leonidas Payne".
