**Re: Pomona Repower Project (16-SPPE-01)  
Applicant's Status Report #9**

Dear Commissioners and Hearing Officer Dixit:

Pursuant to the Committee's May 26, 2016 Scheduling Order (TN# 211661) AltaGas Pomona Energy Inc. ("Applicant" or "AltaGas Pomona") submits this Status Report related to the pending application for Small Power Plant Exemption ("SPPE") for the Pomona Repower Project (the "Project").

As previously reported, Applicant continues to evaluate the interconnection and transmission scenario, particularly as it relates to the recently completed storage project, to determine whether changes to the SPPE project description will be required, and the nature of any such changes. AltaGas Pomona anticipates completing this evaluation in approximately 60 days. However, prior to that time, should AltaGas Pomona identify technical information that may be relevant to CEC Staff's review of the pending Project SPPE application, Applicant will advise Staff of such information.

The Honorable Janea Scott, Presiding Member  
Hearing Officer Raj Dixit
