**Re: Pomona Repower Project (16-SPPE-01)  
Applicant's Status Report #11 and Request to Modify Status Report Schedule**

Dear Commissioners and Hearing Officer Dixit:

Pursuant to the Committee's May 26, 2016 Scheduling Order (TN# 211661) AltaGas Pomona Energy Inc. ("Applicant" or "AltaGas Pomona") submits this Status Report related to the pending application for Small Power Plant Exemption ("SPPE") for the Pomona Repower Project ("Pomona" or the "Project").

As previously reported, Applicant has been evaluating the interconnection and transmission scenario as it relates to the recently completed storage project. Applicant also continues to evaluate market conditions on an on-going basis. At present, Applicant does not anticipate any near-term natural gas-fired Requests for Offers to accommodate the project as proposed, and Applicant continues to evaluate the best option for the facility in light of the storage project and market conditions. As soon as Applicant has determined whether any modifications are required to the current project description, Applicant will notify Staff immediately.

Hearing Officer Raj Dixit
