Terramar's Recommendation for formal or informal process

Terramar is fine with an informal type of panel with all witnesses. We would like to be able to give direct testimony and ask questions of other witnesses as cross-examination and rebuttal.

Briefing- Terramar would like to reserve the right to ask for briefing on a subject or subjects after the Hearings are complete.

Oral Arguments- Terramar would like to be able to give a summary of closing oral argument at the end of the Hearings.
