## **FURTHER SUPPLEMENT TO OPENING TESTIMONY**

Dear Commissioners:

At the March 18, 2015 Pre-hearing conference, Mr. Kramer suggested we could improve readability of some of the drawings in our Opening Testimony (TN#203856) by using less old fashioned technology to docket them. Following this letter are copies of two pages which, if the fidelity is better than the previous submission, can be used to replace our Exhibit # 4001, (TN # 203791, PG 3) and Exhibit # 4001, (TN# 203791, PG 4).
