Memorandum

Subject: Notice of Briefing Deadline and Issues Identified for Briefing

At the close of the Evidentiary Hearings on April 2, 2015, the Committee set **Wednesday, April 22, 2015 at 3:00 p.m.** as the filing deadline for party briefs. There will not be a second round of rebuttal briefs.

The parties may brief any issue of interest to them. The Committee identified the following issues as of interest to the Committee and invites, but does not require, the parties to discuss them in their briefs:

- Coastal dependency
- Financial assurances for post-closure site remediation
- Whether it is necessary to find a significant visual impact regarding the widening of I-5 where Caltrans can and should provide mitigation but whether Caltrans will do so is uncertain

Briefs shall not exceed 30 pages in length unless, for good cause shown, the Committee grants a party's request to exceed that limit.

While I hope to have the hearing transcripts posted by Thursday, April 9, 2015, the briefing deadline is not dependent on my achieving that goal. The deadline will not change unless the Committee explicitly modifies it.
