**To:** All Parties and Persons Interested in the Carlsbad Energy Center Amendments Proceeding (07-AFC-06C)

**Date :** April 27, 2015

**From:** Paul Kramer, Hearing Adviser  
Carlsbad Amendments Committee  
(916) 654-5103

**Subject:** Exhibit Motions to be Decided at May 1, 2015 Committee Conference

The Committee currently has two motions to admit exhibits pending before it. One, from Terramar, asks that Exhibit 3045, its written testimony, be admitted (TN 204339). The second, from the applicant, Carlsbad Energy Center LLC, seeks the admission of Exhibits 1032-1051, which together comprise the Interstate 5 North Coast Corridor Project FEIS/FEIR (TN 204378). The documents have been added to the Exhibit List with the status of "identified," for your perusal.

The Committee intends to rule on those two motions during the previously noticed May 1, 2015 Committee Conference. The parties are directed to state any objections to the motions in writing before, or orally during the Committee Conference.
