Docket Number: 17-HYD-01

Delete two limitations in DRAFT Solicitation Concepts in 17-HYD-01

5. Eligible projects: I suggest you delete the NOT ELIGIBLE item: Development and demonstration of a pilot-scale system.

7.A and 7.D of "Draft Solicitation Concepts for Renewable Hydrogen Transportation Fuel Production Facilities & Systems" :

I suggest you delete the 1,000 kg per day nameplate requirement:

Renewable production capacity: The proposed project must have a nameplate capacity of at least 1,000 kilograms per day of 100% renewable hydrogen that shall be dedicated to supplying in-state public hydrogen refueling stations for use in light-duty FCEVs.

Thank you for your consideration.
