The Carlsbad Energy Center

Docket Number 07-AFC-06C

TESTIMONY OF ROBERT SARVEY

On May 19, 2015 Commissioner Sandoval of the CPUC conducted an all-party meeting to discuss Commissioner Picker's alternate decision in A. 14-07-009 which was subsequently approved as D. 15-05-051.¹ The meeting was officially noticed and attended by all five CPUC Commissioners. I participated in the meeting.

Also at the meeting was Lisa Cottle attorney for Carlsbad Energy and John Chellimi the president of NRG was seated next to her. Commissioner Sandoval directly asked Ms. Cottle if Carlsbad Energy intended to build five or six turbines at the Carlsbad site assuming that the Picker alternate was adopted. Ms. Cottle replied that Carlsbad Energy would construct only five turbines at the site and had no intention of constructing six.
