**SUBJECT: AMENDED CARLSBAD ENERGY CENTER PROJECT (07-AFC-6C)
START OF BELOW GRADE DEMOLITION AND BERM REMOVAL**

Dear Mr. Piantka:

The CARLSBAD ENERGY CENTER PROJECT (CECP), as amended by the July 2015 Final Decision, has completed all necessary submittals and received California Energy Commission (Energy Commission) staff approval for the pre-construction conditions of certification that are required prior to start below grade demolition and berm removal in the area of the former above-ground fuel oil storage tanks. In addition, all required pre-construction plan approvals and/or permits from WC3, the Energy Commission delegate Chief Building Official (CBO) for CECP, have been completed.

Site mobilization may commence on January 18, 2016.

If you have any questions, please call me at (916) 654-5005 or e-mail me at Jonathan.Fong@energy.ca.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Jonathan Fong', written over a light blue rectangular background.

Jonathan Fong
