### **DATE: CONCRETE POUR NOTICE**

*Meeting California's Energy Needs*

Concrete Pour Notification – April 13, 2017; 5:00 AM to 7:00 PM

#### **Concrete Pour**

The Carlsbad Energy Center Project (CECP) is located 4600 Carlsbad Boulevard in Carlsbad, California. The CECP will be conducting a concrete pour on April 13, 2017 from 5:00 AM to 7:00 PM. This notice is an update to the previously anticipated date of April 4, 2017. Concrete deliveries will be made via I-5 freeway to Cannon Road to Avenida Encinas north. The concrete pour will be conducted in a manner to ensure that excessive noise is avoided.

Carlsbad Energy Center maintains a 24-hour “hotline” for the public to ask any questions or express any noise-related concerns that may arise during construction activities at the site. Callers will be prompted to record a voicemail message which will be immediately transferred to the project’s Noise Monitoring officer who is qualified to address any comments or concerns. Callers may also press “0” to be directed to a person who will collect information about your concern or comment and direct it to the Noise Monitoring Officer. Recorded complaints will be responded to within 24 hours after they are made.
