California Hydrogen Business Council requests acceptance of comments by members past the comment deadline of May 25 in response to the California Energy Commission’s (CEC) 2017 Integrated Energy Policy Report (IEPR) Joint Agency Workshop on the Increasing Need for Flexibility in the Electricity System held on May 12, 2017.

Today, the CHBC has submitted comments to the May 12, 2017 Joint Agency Workshop on the “Increasing Need for Flexibility in the Electricity System regarding the 2017 IEPR”.

In the development of the comments, several CHBC members have expressed interest to submit their organization’s comments and provide their own perspectives on aspects discussed during the workshop.

Therefore, the CHBC kindly requests that comments from CHBC members will be accepted after the May 25 deadline via the docket system.

Thank you for your consideration!
