**RE: Retail Price Forecast Forms for 2011 IEPR—Title 20, Article 2, Section 1345**

Dear Ms. Jones:

SDG&E would like to submit a request for a 14-day extension of the due date to submit Retail Price Forecast forms for the 2011 IEPR from June 3, 2011 to June 17, 2011 in order to allow sufficient time to develop a plan consistent with the demand forecast and supply plan.

SDG&E has already discussed this with staff, which stated no objections, and intends to keep the CEC's staff informed as we work to complete the forms. We believe the extra time will enable us to produce a high quality work product without adversely affecting the overall 2011 IEPR schedule. Should you have any questions, please feel free to contact Cynthia Fang, Electric Rates Manager for retail price forecasting forms at 858-654-6430 or cfang@semprautilities.com.

Thank you for your consideration.

Yours Sincerely,

Tamara Raspberry

RE: San Diego Gas & Electric's Request for Extension to Submit *2011 Integrated Energy Policy Report Retail Price Forecast Forms*

Dear Ms. Rasberry:

This letter responds to your April 7, 2011, written request to extend the filing deadline for submitting *2011 Integrated Energy Policy Report Retail Price Forecast Forms*.

According to Forms and Instructions adopted by the California Energy Commission on December 15, 2010, this information (Forms 8.1a and 8.1b) is to be submitted by June 3, 2011, for our assessment work as part of the *2011 Integrated Energy Policy Report*. San Diego Gas & Electric is requesting a 14-day day extension of this filing deadline.

Based on the information provided in your letter, I find that good cause exists for the extension request to be granted. Staff indicates that this request will not impede their analysis schedule for the *2011 Integrated Energy Policy Report*.

I look forward to receiving the demand forecast forms 8.1a and 8.1b on June 17, 2011.

Sincerely,

MELISSA JONES  
Executive Director
