Dear Ms. Hockaday,

Pursuant to your letter dated October 22, 2007, Luz Solar Partners, Ltd. VIII - IX are providing the requested information to remedy our incomplete Application for Confidentiality.

Please find the required five copies of the application and materials.

I apologize for the oversight and hope that you now have the information necessary to review our Application for Confidentiality as well as the accompanying materials we are asking the Renewables Committee to consider when determining our funding request from the Existing Renewables Facilities Program.

Regards,

Kate Stengle
Business Director
