Repeated Application for Confidential Designation

Pursuant to Title 20 California Code of Regulations section 2505(a)(4), Pacific Oroville Power, Inc. hereby submits this Repeated Application for Confidential Designation for the following information:

- CEC-1250E-1 Application for ERF Funding Eligibility and all supporting attachments and materials. Specific lines and responses:
 - Line 21- Total State tax credits received by facility
 - Line 22- Total Federal Tax credits received by facility
 - Line 23- Market value of the facility
 - Line 24- Explanation of how incentive payments will allow the facility to become cost competitive by end of the 2011 calendar year.
 - Line 27- Estimate of the target price needed in order to ensure the continued operation of the facility through the application year.
 - Line 28- Estimate of the production incentive cap needed

The information submitted is substantially similar to information that was previously deemed confidential by the Executive Director of the Energy Commission. Original request was submitted on December 15, 2008 and granted by Commission's response dated January 9, 2009. Confidential status was also granted in 2010. All the facts and circumstances relevant to confidentiality remain unchanged.

I certify under penalty of perjury that the foregoing is true and correct.

Sincerely,

J.M. Norris
