Section 3.2 Subcontracts. Seller shall cause provisions to be included in each Subcontract that provide: (a) Buyers' Agent with rights of access to the Facility and the work performed under such Subcontract at all reasonable times (but subject to Site safety protocols) and the right to inspect, make notes about, and review all documents and information as Buyers' Agent may reasonably request, subject to redaction of confidential or proprietary information; and (b) that the personnel of, and consultants to, the applicable contractor and Seller shall be available to Buyers' Agent and its agents, representatives and consultants at reasonable times and with prior notice for purposes of discussing any aspect of the Facility or the exercise of Buyers' rights under Section 5.2.

Section 3.3 Certification of Commercial Operation Date. Seller shall provide Buyers' Agent with notice in accordance with Section 13.2 when Seller believes that all conditions precedent to achieving Commercial Operation of the Facility as specified in the definition of "**Commercial Operation**" have been satisfied. Buyers' Agent shall either accept the notice, or reject the notice if reasonable cause exists, *provided* that Buyers' Agent shall not unreasonably

withhold, delay or condition any acceptance of such notice, and in any event shall provide in reasonable detail a written description of the reasons for any rejection. Buyers' Agent shall in all cases respond to any such notice within twenty (20) days after receipt thereof by Buyers' Agent, and Buyers shall be deemed to have accepted such notice if Buyers' Agent fails to respond in such time. If Buyers' Agent rejects the notice, Seller shall promptly correct any defects or deficiencies and resubmit the notice. The Commercial Operation Date shall be deemed to have occurred as of the date of any Seller notice of Commercial Operation that is accepted (or deemed accepted) by Buyers. So long as Seller provides, in good faith, notice to Buyers' Agent of the achievement of Commercial Operation prior to the Outside Commercial Operation Date, no Buyer may withdraw from this Agreement, and Buyers may not collectively terminate this Agreement under Section 2.3(d) for failure to achieve the Commercial Operation Date under Section 3.4, so long as (a) Buyers' Agent either (i) accepts such notice or (ii) rejects such notice due to minor defects or deficiencies that do not affect the ability of the Facility to be placed in service and operated in accordance with this Agreement, and (b) Seller promptly corrects such minor defects or deficiencies identified by Buyers' Agent. In no event shall any extension of the Outside Commercial Operation Date under this Section 3.3 affect the amount of the Contract Price, notwithstanding any tax benefits lost as a result of the delay of the Commercial Operation Date.

Section 3.4 Commercial Operation Date.

(a) Seller shall achieve the Commercial Operation Date on or before the Guaranteed Commercial Operation Date. The Guaranteed Commercial Operation Date shall be extended, on a day-for-day basis to the extent Seller is actually, demonstrably and unavoidably delayed in achieving the Commercial Operation Date due to (i) the failure by any Buyer to perform any covenant or obligation under this Agreement, or (ii) Force Majeure.

(b) If Seller fails to achieve the Commercial Operation Date by the Guaranteed Commercial Operation Date (as may be extended pursuant to Section 3.4(a)), Seller shall pay to each Buyer liquidated damages in an amount equal to such Buyer's proportionate share, based on each Buyer's Percentage of Facility Output, of the aggregate amount payable to Buyers. The amount of liquidated damages shall be calculated as (i) the number of days between the Guaranteed Commercial Operation Date and the date upon which either (A) the Commercial Operation Date is achieved, (B) the applicable Buyer withdraws (without penalty to such Buyer) from this Agreement pursuant to Section 2.3, or (C) this Agreement is terminated by Buyers pursuant to Section 2.3, as applicable, multiplied by (ii) Five Hundred Dollars (\$500) (the "**Daily Delay Damages**"). Daily Delay Damages shall be due and payable in weekly installments for the amounts thereof accrued during the previous week, beginning on the 7th day following the first day after the Guaranteed Commercial Operation Date. Seller shall continue to make such payments of Daily Delay Damages until the Commercial Operation Date is achieved, at which time Seller shall pay all previously accrued and unpaid Daily Delay Damages.

(c) In no event shall the Commercial Operation Date be extended beyond the Outside Commercial Operation Date, which date shall not be subject to extension except by mutual agreement of the Parties.

(d) The damages that Buyers would incur due to Seller's failure to timely achieve the Commercial Operation Date by the Guaranteed Commercial Operation Date would be

difficult or impossible to predict with certainty, and it is impractical or difficult to assess actual damages in those circumstances, but the Daily Delay Damages are a fair and reasonable calculation of such damages, and shall be Seller's sole liability and obligation, and Buyers' sole right and remedy, other than withdrawal without penalty from, or termination of, this Agreement, for Seller's failure to achieve the Commercial Operation Date by the Guaranteed Commercial Operation Date therefor. Notwithstanding the foregoing, the Daily Delay Damages shall not limit any Buyer's right to exercise any right or remedy available under this Agreement or at law or in equity for any Default occurring concurrently with, before or after Seller's delay in achievement of the Commercial Operation Date, or in connection with any termination for failure to achieve the Commercial Operation by the Outside Commercial Operation Date.

Section 3.5 Decommissioning and Other Costs. No Buyer shall be responsible for any cost of decommissioning or demolition of the Facility or any environmental or other liability associated with the decommissioning or demolition of the Facility without regard to the timing or cause of the decommissioning or demolition.

ARTICLE IV OPERATION AND MAINTENANCE OF THE FACILITY

Section 4.1 General Operational Requirements. Seller shall, at all times:

- (a) At its sole expense, operate and maintain the Facility (i) in accordance with the Requirements and (ii) in a manner that is reasonably likely to result in a useful life for the Facility of not less than the Delivery Term;
- (b) At its sole expense, operate and maintain the Facility in accordance with the Requirements and with due regard for the safety, security and reliability of the interconnected facilities and Transmission System;
- (c) Use qualified and trained personnel for managing, operating and maintaining the Facility and for coordinating with Buyers' Agent, and ensure that necessary personnel are available on-site or on-call twenty-four (24) hours per day during the Delivery Term;
- (d) Comply with operating and maintenance standards recommended or required by the Facility's equipment suppliers.

Section 4.2 Environmental Credits. Seller shall, if applicable, obtain in its own name and at its own expense all pollution or environmental credits or offsets necessary to operate the Facility in compliance with any Requirement of Law.

Section 4.3 Outages.

- (a) On the Effective Date and, for each calendar year thereafter, no later than one hundred twenty (120) days prior to the deadline for providing the CAISO Resource Adequacy filings and proposed maintenance outages for the following year as described in the CAISO Tariff, Seller shall provide Buyers' Agent with its non-binding written projection of all Scheduled Outages for the succeeding calendar year (the "***Scheduled Outage Projection***"). The Scheduled Outage Projection shall include information concerning all projected Scheduled Outages during

such period, including (i) the anticipated start and end dates of each Scheduled Outage; (ii) a description of the maintenance or repair work to be performed during the Scheduled Outage; and (iii) the anticipated MW of operational capacity, if any, during the Scheduled Outage. Seller shall use commercially reasonable efforts to notify Buyers' Agent of any change in the Scheduled Outage Projection fifty-five (55) days prior to the first day of the month of the originally scheduled date of the Scheduled Outage, but in no event later than forty-five (45) days prior to the first day of the month of the originally-scheduled date of the Scheduled Outage.

(b) In addition to reporting outages to Buyers' Agent within any applicable time period for reporting outages under the CAISO Tariff and applicable rules and regulations of the CAISO, immediately upon identification of a situation likely to result in a Forced Outage occurring within a twenty-four (24) hour period that is likely to cause or require removal of the Facility from service, or a reduction in the maximum output capability of the Facility by one (1) MW or more from the value most recently recorded in the generation outage reporting system for the CAISO, Seller shall notify Buyers' Agent. For all other Forced Outages, Seller shall provide Buyers' Agent with as much advance notice as practicably possible, but in all cases, shall notify Buyers' Agent within thirty (30) minutes after the commencement of the Forced Outage. Seller shall provide detailed information concerning each Forced Outage, including (i) the start and anticipated end dates of the Forced Outage; (ii) a description of the cause of the Forced Outage; (iii) a description of the maintenance or repair work to be performed during the Forced Outage; and (iv) the anticipated MW of operational capacity, if any, during the Forced Outage.

ARTICLE V COMPLIANCE DURING OPERATIONS; GUARANTEES

Section 5.1 Guarantees. Seller warrants that, at the Commercial Operation Date, the Facility shall be free from material defects caused by errors or omissions in design, engineering and construction or repaired as set forth below. Seller further warrants that, throughout the Delivery Term: (a) the Facility will be free and clear of all Liens other than Permitted Encumbrances, and (b) the Facility will be designed, constructed and tested in compliance with the Requirements. Seller also warrants and guarantees that throughout the Delivery Term, it will monitor the operation and maintenance of the Facility and that said operation and maintenance is, and will be, in full compliance with all Requirements applicable to the Facility as of the Effective Date. Without limiting the foregoing, Seller shall promptly repair and/or replace, consistent with Prudent Utility Practice, any component of the Facility that may be damaged or destroyed or otherwise not operating properly and efficiently. Seller shall exercise commercially reasonable efforts to timely undertake all updates or modifications to the Facility, and its equipment and materials, including procedures, programming and software, required by Prudent Utility Practice. Seller shall, at its expense, maintain throughout the Agreement Term an inventory of spare parts for the Facility in a quantity that is consistent with Prudent Utility Practice.

Section 5.2 Buyers' Rights to Monitor in General. Upon receipt by Seller of reasonable notice, each Buyer shall have the right, and Seller shall permit each Buyer and its Authorized Representative, advisors, engineers and consultants, to observe, inspect, and monitor the operations and activities of the Facility, including for the purpose of ensuring that Seller's fuel supply complies with SB 859. Seller shall cause its personnel, consultants, and contractors to be available to, and cooperate in all reasonable respects with, each Buyer and its Authorized

Representative, advisors, engineers, and consultants at reasonable times and with prior notice for purposes of discussing any aspect of the Facility and each Buyer's exercise of its rights under this Section 5.2.

Section 5.3 Effect of Review by Buyers. Any review by a Buyer or a Buyer's Authorized Representative of the operation or maintenance of the Facility, or observation of any testing, is solely for the information of such Buyer. Buyers shall have no obligation to share the results of any such review or observations with Seller, nor shall any such review or the results thereof (whether or not the results are shared with Seller), nor any failure to conduct any such review, nor any observation of testing or failure to observe testing, relieve Seller from any of its obligations under this Agreement. By making any such review or observing any such testing, no Buyer makes any representation as to the economic and technical feasibility, operational capability or reliability of the Facility. Seller shall in no way represent to any third party that any such review by a Buyer or a Buyer's Authorized Representative of the Facility thereof, including, but not limited to, any review of the operation or maintenance, is a representation by any Buyer as to the economic and technical feasibility, operational capability or reliability of the Facility. Seller is solely responsible for the economic and technical feasibility, operational capability and reliability thereof.

Section 5.4 Quality Assurance Program. Seller agrees to maintain and comply with a written quality assurance policy ("*Quality Assurance Program*") to be delivered by Seller and approved by Buyers prior to the Commercial Operation Date, and Seller shall cause all work performed on or in connection with the Facility to materially comply with said Quality Assurance Program.

Section 5.5 No Liens. Except as otherwise permitted by this Agreement, the Facility shall be owned by Seller during the Agreement Term. Seller shall not sell or otherwise dispose of or create, incur, assume or permit to exist any Lien (other than Permitted Encumbrances) on any portion of the Facility or any other property or assets that are related to the operation, maintenance and use of the Facility without the prior written approval of Buyers' Agent.

Section 5.6 Performance Security.

(a) Within ten (10) days after the Effective Date, Seller shall furnish to each Buyer (i) one or more letters of credit issued by Qualified Issuers in the form attached hereto as Appendix C, or (ii) cash (to be held in an escrow account pursuant to an escrow agreement with a Qualified Issuer in form and substance satisfactory to Buyers (an "*Escrow Account*")), or a combination of the two, and in the aggregate amount of One Million Eight Hundred Thousand Dollars (\$1,800,000.00), and delivered to each Buyer in an amount equal to such Buyer's proportionate share of such aggregate amount based on such Buyer's Percentage of Facility Output, which, in each case, shall guarantee Seller's obligations under this Agreement ("*Performance Security*"), and which Seller shall maintain in full force and effect until the end of the Delivery Term or until Buyers are required to return the Performance Security to Seller as set forth in Section 5.6(b) below.

(b) Each Buyer shall return its proportionate share of the unused portion of the Performance Security, if any, to Seller promptly after: (i) the Agreement Term has ended and

(ii) all obligations of Seller arising under this Agreement are paid (whether directly or indirectly such as through set-off or netting) or performed in full.

(c) Each Buyer may draw on its proportionate share of the Performance Security (i) at any time following Seller's failure to timely pay Daily Delay Damages when due hereunder in the amount of such Daily Delay Damages, (ii) upon Seller's failure to make any other payment due to Buyers hereunder in the amount of such unpaid payment, including any Termination Payment, or (iii) if the amount of an invoice is less than the amount of an SB 859 Withholding as set forth in Section 7.7(e), *provided*, that, in the case of a draw under clause (ii), any such amount shall have been invoiced to Seller, or Seller shall have otherwise been notified thereof. Each Buyer may draw all or any part of such amounts due to such Buyer from any form of security under this Section 5.6, and in any sequence such Buyer may elect, in its sole discretion. Any failure of, or delay by, a Buyer in electing to draw any amount from the Performance Security shall in no way prejudice Buyer's rights to subsequently recover such amounts from the Performance Security or in any other manner. Within seven (7) days following any draw by any Buyer on its proportionate share of the Performance Security, Seller shall replenish the amount drawn such that the Performance Security is restored to the applicable amount set forth in Section 5.6(a).

(d) Seller shall notify each Buyer of the occurrence of a Downgrade Event within seven (7) days after obtaining knowledge of the occurrence of such event. If a Downgrade Event occurs at any time, Seller shall replace, in accordance with this Section 5.6, the Performance Security from the Person that has suffered the Downgrade Event within five (5) days of Seller's knowledge of such Downgrade Event. Such replacement security shall meet the requirements of this Section 5.6. If the replacement Performance Security is not provided by Seller, each Buyer shall have the right to demand payment of the full amount of its proportionate share of such Performance Security, and each Buyer shall retain such amount in order to secure Seller's obligations under this Agreement; *provided* that if and to the extent such amount exceeds payment and performance in full of all of Seller's obligations under this Agreement, each Buyer shall refund the excess to Seller promptly after all such obligations of Seller under this Agreement have been paid or performed in full.

(e) If any Performance Security is in the form of a letter of credit, then Seller shall provide, or cause to be provided, a replacement letter of credit from a Qualified Issuer or cash (to be held in an Escrow Account), in the amount required under this Section 5.6 within five (5) days of notice from any Buyer to Seller requesting such replacement Performance Security after the occurrence of any one of the following events: (i) the failure of the issuer of the letter of credit, by at least 60 days prior to the expiration of the letter credit, to extend such letter of credit; (ii) the failure of the issuer of the letter of credit to immediately honor any Buyer's properly documented request to draw on such letter of credit; or (iii) the issuer of the letter of credit becomes bankrupt. If the replacement Performance Security is not delivered in accordance with this Section 5.6(e), each Buyer shall have the right to demand payment of its proportionate share of such Performance Security, and each Buyer shall retain such amount in order to secure Seller's obligations under this Agreement; *provided* that, if and to the extent such retained amount exceeds payment and performance in full of all of Seller's obligations under this Agreement, each Buyer shall refund the excess to Seller promptly after all such obligations of Seller under this Agreement shall have been paid or performed in full.

(f) Seller shall, from time to time as requested by any Buyer or Buyers' Agent, execute, acknowledge, record, register, deliver and file all such notices, statements, instruments and other documents as may be necessary or advisable to render fully valid, perfected and enforceable under all Requirements of Law the Performance Security (including any Ancillary Documents required therefor) and the rights, Liens and priorities of Buyers with respect to such Performance Security.

(g) Notwithstanding the other provisions of this Agreement, the Performance Security: (i) constitutes security for, but is not a limitation of, Seller's obligations under this Agreement, and (ii) shall not be Buyers' exclusive remedy against Seller for Seller's failure to perform in accordance with this Agreement.

ARTICLE VI PURCHASE AND SALE OF PRODUCT

Section 6.1 Purchase by Buyers. On and after the Commercial Operation Date and continuing for the Delivery Term, Seller shall sell and deliver, and each Buyer shall purchase and receive at the Point of Delivery, its Percentage of Facility Output of the Products associated with Facility Energy at the applicable Contract Price, except that in no event shall (a) Buyers be obligated to purchase or receive more than 18 MWh in the aggregate in any hour or more than 18 MW in the aggregate in any instant, nor (b) any individual Buyer be obligated to purchase or receive, in any hour, more than the percentage of 18 MWh corresponding to its Percentage of Facility Output or, in any instant, more than the percentage of 18 MW corresponding to its Percentage of Facility Output.

Section 6.2 Seller's Failure. Seller shall neither (a) procure Energy from sources other than the Facility for sale and delivery pursuant to this Agreement, nor (b) unless excused by Force Majeure or a Buyer's failure to perform, sell to a third party all or any part of the Products required to be delivered by Seller under this Article VI, Article VII, Article VIII or Article IX.

Section 6.3 Buyers' Failure. Unless excused by Force Majeure or Seller's failure to perform, and except during any Curtailment Period, if any Buyer fails to receive at the Point of Delivery all or any part of the Facility Energy required to be received by Buyers under this Article VI, Article VIII, or Article IX, such Buyer shall, on the date payment would otherwise be due to Seller, pay Seller Cover Damages; *provided* that Seller shall use commercially reasonable efforts to resell any Facility Energy and Environmental Attributes not able to be received by such Buyer. "**Cover Damages**" means the positive difference, if any, obtained by subtracting (i) the amount for which Seller, acting in a commercially reasonable manner, resells any such Facility Energy and, if applicable, Environmental Attributes (or, absent any such sales despite using commercially reasonable efforts to procure such sales, zero dollars (\$0)) from (ii) the applicable prices that would have been payable by SMUD, MID, TID, or SCPPA's Participating Members, as applicable, for the applicable portion of Facility Energy, and, if applicable, Environmental Attributes not received by such Buyer. Seller shall provide any Buyer that fails to receive all or any part of its portion of the Facility Energy with prompt written notice of the Cover Damages together with back-up documentation.

Section 6.4 Nature of Remedies. The Parties acknowledge and agree that the damages that Buyers would incur as a result of Seller's failure as described in Section 6.2 or that Seller would incur as a result of any Buyer's failure as described in Section 6.3 would be difficult or impossible to predict with certainty, and it is impractical and difficult to assess actual damages in those circumstances, and the liquidated damages set forth in Section 6.2 and Section 6.3 are fair and reasonable calculations of such damages. To the extent permitted by law, (a) the remedy set forth in Section 6.2 is in addition to, and not in lieu of, any other right or remedy of any Buyer under this Agreement or otherwise, for failure of Seller to sell and deliver the Products as and when required by this Agreement, and (b) the remedy set forth in Section 6.3 is the sole and exclusive remedy of Seller for any failure by any Buyer to receive the Product as and when required by this Agreement, and all other remedies and damages for any such failure are hereby waived by Seller.

ARTICLE VII TRANSMISSION AND SCHEDULING; TITLE AND RISK OF LOSS

Section 7.1 In General.

(a) Seller shall arrange for, and shall bear all risks and benefits associated with, delivery of all Facility Energy to the Point of Delivery, including the arrangement of and payment for the interconnection of the Facility to the CAISO grid and any Transmission Services required to deliver Facility Energy to the Point of Delivery at the CAISO grid, including charges related to control area services, export capability fees, inadvertent energy flows, interconnection costs, transmission losses to the Point of Delivery, the transmission of Facility Energy, and transformer crossover fees associated with the transmission of Energy from the on-site substation to the Point of Delivery.

(b) Each Buyer shall be obligated to pay for its proportionate share of all Facility Energy delivered to the Point of Delivery, and each Buyer shall arrange for, and shall bear all risks associated with, acceptance of its proportionate share of Facility Energy from the Point of Delivery.

Section 7.2 Scheduling Coordinator; CAISO Cost Allocation.

(a) Buyers shall designate the Scheduling Coordinator to cause the Scheduling of Facility Energy to and at the Point of Delivery.

(b) Seller shall be responsible for and shall pay for all CAISO Costs, except that, notwithstanding the foregoing, each Buyer shall be obligated to either pay to the CAISO or reimburse Seller for any and all costs or charges under a Settlement Statement incurred by Seller because of such Buyer's failure to perform any covenant or obligation set forth in this Agreement to the extent such costs or charges are not already included in Cover Damages or in the Contract Price. Notwithstanding anything to the contrary contained herein, for the purposes of this Section 7.2(b), CAISO Costs does not include revenues associated with the delivery of Energy to the CAISO.

Section 7.3 Forecasting and Scheduling of Energy.

(a) Except upon the occurrence of a curtailment under Section 7.4, Buyers shall cause the Scheduling Coordinator to Schedule all Facility Energy in a reasonable and prudent manner in accordance with the CAISO Tariff, NERC and WECC operating policies and criteria, and any other applicable guidelines, and the Scheduling procedures provided in or developed under this Section 7.3. Seller, at its own cost, shall install metering, telemetry and control equipment so as to be able to provide Facility Energy to the Point of Delivery and respond to CAISO, Transmission Provider, or reliability coordinator's dispatch orders. If, during any hour, the amount of Energy Scheduled on behalf of Seller for delivery into the CAISO at the Point of Delivery is greater than the amount of Facility Energy that is actually delivered to the Point of Delivery during such hour, then Buyers shall pay Seller any amounts (or collect any amounts paid due to negative pricing) that Buyers receive from or pays to the CAISO for any Energy delivered to the Point of Delivery that is not Facility Energy.

(b) Seller shall provide, or shall cause its designee to provide, to Buyers and the Scheduling Coordinator the following non-binding forecasts, any updates to such forecasts, and any other forecasts or updates required by WECC, based on the most current forecast of Facility Energy:

(i) At least one-hundred twenty (120) days before (a) the scheduled Commercial Operation Date and (b) the beginning of each Contract Year for the Facility, a non-binding forecast of each Month's average-day deliveries of Facility Energy from the Facility, for the following eighteen (18) Months.

(ii) No later than sixty (60) days before the beginning of each Month during the Delivery Term, a non-binding forecast of each day's average hourly deliveries of Facility Energy for such Month.

(iii) No later than fourteen (14) days before the beginning of each Month during the Delivery Term, a non-binding forecast of each day's average hourly deliveries of Facility Energy for the following Month.

(iv) On the first Business Day of each calendar week during the Delivery Term, a non-binding forecast of each day's average deliveries of Facility Energy, by hour, for the following fourteen (14) days.

(v) By 5:30 a.m. Pacific Prevailing Time on the Business Day immediately preceding each day of delivery of Facility Energy during the Delivery Term, a copy of a non-binding hourly forecast of deliveries of Facility Energy for each hour of the immediately succeeding day. Any forecast provided on a day prior to any non-Business Day shall include forecasts for the immediate day, each succeeding non-Business Day and the next Business Day. Seller shall, by 9:00 a.m. Pacific Prevailing Time, provide a copy of any updates to such forecast indicating a change in forecasted Facility Energy from the then-current forecast.

(vi) Prior to 12:00 p.m. Pacific Prevailing Time of the Business Day immediately preceding each WECC Prescheduling Day for each hour of the Delivery Day (as defined by WECC) in MW or MWh units (as applicable), in the format reasonably designated by

the Scheduling Coordinator, a non-binding preschedule forecast of Facility Energy via email. The pre-scheduled amounts of Facility Energy shall be the good faith estimate of Seller or Seller's designee of the anticipated delivery of Facility Energy at the time. A forecast provided a day prior to any non-Business Day shall include forecasts for the next day, each succeeding non-Business Day and the next Business Day. Seller or Seller's designee shall provide a copy of any and all updates to the forecast of the Facility's availability from the then-current forecast. Except for Forced Outages, Seller shall operate the Facility with the objective that, for each hour scheduled, the actual Facility availability shall be maintained in accordance with the preschedule plan submitted to the Scheduling Coordinator.

(c) Seller shall notify the Scheduling Coordinator via email, telephone, or other mutually acceptable method, of any outage no later than one-hundred five (105) minutes prior to the start of such Scheduling hour, or such other limit as specified in the CAISO Tariff. Seller shall notify the Scheduling Coordinator of other unanticipated changes in availability by email or telephone as promptly as reasonably possible. Any notice delivered under this Section 7.3(c) shall include the reason for the outage and an estimated duration of the outage. Once the outage has ended, Seller shall notify the Scheduling Coordinator that the outage has ended, the cause of the outage, and the actions taken to resolve the outage in order for the CAISO outage report to be updated accordingly.

(d) Throughout the Delivery Term, Seller shall provide to each Buyer and Participating Member the following data on a real-time basis, and in a format that reasonably allows such Buyer and Participating Member, as applicable, to copy, paste or otherwise use such data:

(i) Read-only access to megawatt capacity and any other Facility availability information required in accordance with CAISO requirements;

(ii) Read-only access via secure login credentials to Energy output information collected by the SCADA system for the Facility; *provided* that if any Buyer is unable to access the Facility's SCADA system, then upon written request from such Buyer, Seller shall provide Energy output information and meteorological measurements through such other format as may be mutually acceptable to Seller and such Buyer, all as may be updated from time to time based on advancements in technology in accordance with Prudent Utility Practices; and

(iii) Read-only access to all Electric Metering Devices.

Section 7.4 Curtailment.

(a) Seller shall reduce deliveries of Facility Energy to the Point of Delivery immediately upon notice from Buyers' Agent, the CAISO, a Transmission Provider, or any balancing authority or reliability entity during Curtailment Periods affecting any Buyer. Any reduction pursuant to such a notice under this Section 7.4(a) shall be made ratably between the Buyers. Any Buyer affected by such a reduction shall not be obligated to pay Seller for the amount of reduced Facility Energy arising during a curtailment under this Section 7.4(a). If required by Buyers' Agent, the CAISO, a Transmission Provider, or any balancing authority or reliability entity, Seller shall provide the capability to implement curtailments and adjust ramp rates,

megawatt output, and (if applicable) megavar output in real-time by means of setpoints received from the SCADA system of Seller. Any such reduction of deliveries of Facility Energy shall be allocated on a pro-rata basis among any affected Buyers in accordance with such Buyer's Percentage of Facility Output.

(b) In addition to the curtailments described in Section 7.4(a), each Buyer may curtail deliveries of the Applicable MW Share of itself or, in the case of SCPPA, the Participating Members, as applicable, at any time and for the duration specified by such Buyer. Each Buyer shall provide a minimum of ten (10) minutes' notice to Seller of a request for curtailment under this Section 7.4(b), and Seller shall comply with such request in accordance with Prudent Utility Practices. In its curtailment notice to Seller, such Buyer shall indicate the duration of the curtailment period, which shall be for a minimum of fifteen (15) minutes, and the time at which such Buyer requests Seller to resume delivery of the Facility Energy to such Buyer, in accordance with the Applicable MW Share of its respective Buyers or SCPPA's Participating Members, as applicable. To the extent a Buyer requests any change in the duration of the requested curtailment period, Seller shall effectuate any such change no later than ten (10) minutes following notice from such Buyer's notification to Seller of the proposed change to curtailment. Seller shall respond to any Buyer's curtailment notices (including the end of such curtailment periods) in accordance with Prudent Utility Practices. Each applicable Buyer shall pay Seller for any Deemed Generated Energy during any curtailment under this Section 7.4(b) in an amount equal to the Contract Price; *provided, however*, (i) Seller shall use commercially reasonable efforts to sell any such Deemed Generated Energy to third parties at a positive price to the extent permitted under the CAISO Tariff, and (ii) each Buyer shall only be obligated to pay for Deemed Generated Energy during any curtailment under this Section 7.4(b) to the extent the aggregate Deemed Generated Energy under this Section 7.4(b) attributable to such Buyer during any Contract Year exceeds 50 MWh. To the extent such Deemed Generated Energy is sold to a third party, (i) the obligation to pay the amounts set forth above for a curtailment by a Buyer under this Section 7.4(b) shall be reduced accordingly by an amount equal to the net proceeds Seller receives from such sales of Deemed Generated Energy (after subtracting any Scheduling fees, wheeling charges, and other associated costs, fees, and any other reasonable expenses incurred by Seller in connection with such sales), and (ii) any Environmental Attributes not sold with such Deemed Generated Energy shall be delivered in proportion with the Applicable MW Share, at no additional cost to such Buyers.

(c) ***“Deemed Generated Energy”*** means the amount of Energy, expressed in MWh, that the Facility would have produced and delivered to the Point of Delivery, but for a curtailment event arising under this Section 7.4, which amount shall be equal to (i) the amount of MWh provided for in Seller's most recently delivered forecast applicable to the curtailment event, less (ii) the amount of Facility Energy delivered to the Point of Delivery during the curtailment event, if any, or, if there is no forecast available, (A) an amount of MWh calculated based on an equation that incorporates relevant Facility and feedstock availability, weather and other pertinent data for the period of time during the curtailment event in order to approximate the amount of Facility Energy that would have been delivered, less (B) the amount of Facility Energy delivered to the Point of Delivery during the curtailment event, if any; *provided* that, (1) if the applicable difference calculated pursuant to either of the formulas provided above is negative, the Deemed Generated Energy shall be zero (0), and (2) in no event shall Deemed Generated Energy be greater than 18 MWh in the aggregate for any hour. The equation in (A) and (B) shall be subject to review and approval by Buyers' Agent.

Section 7.5 No Payment. No Buyer shall be obligated to pay Seller for any Facility Energy that is not or cannot be delivered to the Point of Delivery for any reason (including Force Majeure), except as otherwise stated in Section 7.4.

Section 7.6 Title; Risk of Loss. As between the Parties, Seller shall be deemed to be in exclusive control (and responsible for any damages or injury caused thereby) of all Energy prior to and at the Point of Delivery, and each Buyer shall be deemed to be in exclusive control (and responsible for any damages or injury caused thereby), of its proportionate share of the Energy after the Point of Delivery. Seller warrants that it will deliver Product to Buyers free and clear of all Liens created by any Person other than Buyers subject to the Requirements of Law. Title to and risk of loss as to all Energy and all of the associated Products shall pass from Seller to Buyers at the Point of Delivery.

Section 7.7 RPS, EPS, and SB 859 Compliance.

(a) Seller warrants and guarantees that, throughout the Delivery Term, the Facility (including the Facility Energy and the associated Environmental Attributes) shall be CEC Certified, RPS Compliant, EPS Compliant, and SB 859 Compliant.

(b) Notwithstanding Section 7.7(a), if a Change in Law occurs that causes the Facility to cease to be CEC Certified, RPS Compliant, EPS Compliant, or SB 859 Compliant, Seller shall use commercially reasonable efforts to comply with such Change in Law, and cause the Facility to be CEC Certified, RPS Compliant, EPS Compliant, and SB 859 Compliant.

(c) If the CEC or any other Governmental Authority promulgates regulations relating to biomass procurement obligations under SB 859 that require amendments to this Agreement, then Buyers and Seller shall negotiate in good faith to amend the terms of this Agreement to the extent required to bring the Agreement into compliance with such procurement obligations.

(d) From time to time and at any time requested by any Buyer or any of its Authorized Representatives, Seller will furnish to each Buyer, Governmental Authorities, or other Persons designated by any Buyer, all certificates and other documentation reasonably requested by any Buyer or such Authorized Representatives in order to demonstrate that the Facility, the Facility Energy, and the associated Environmental Attributes were or are RPS Compliant, EPS Compliant, and SB 859 Compliant.

(e) Seller shall include in each Monthly invoice delivered pursuant to Section 10.2(a) a report stating the volumes and type of feedstock used at the Facility to generate Energy for the period covered by such invoice (including sufficient information to determine the extent to which such feedstock complies with the SB 859 Feedstock Requirements for such period), and Seller shall update the report with such additional information as Buyers may reasonably require to confirm that Seller is on track to comply with SB 859 for the applicable Contract Year. In addition, commencing in July of each Contract Year and during each calendar month remaining in such Contract Year and in January of the following Contract Year, Seller shall deliver with each Monthly invoice a report demonstrating that it has met the SB 859 Feedstock Requirements during the time period covered by such report (as described in the next sentence, a

“**True-Up Period**”) and during the time period from the first day of the applicable Contract Year until the end of such True-Up Period (each such aggregate time period up to the last day of the applicable Contract Year, an “**Aggregate True-Up Period**,” and each such report, a “**True-Up Report**”). The True-Up Period for the first True-Up Report delivered in a Contract Year shall be from January 1 until June 30, and the True-Up Period for each successive True-Up Report during each Contract Year and January of the following Contract Year shall be the Month preceding the delivery of such True-Up Report. If any True-Up Report demonstrates that Seller did not meet the SB 859 Feedstock Requirements for both the applicable True-Up Period and the applicable Aggregate True-Up Period, each Buyer shall be entitled to withhold from the invoice for such Month as security an amount equal to such Buyer’s proportionate share, based on such Buyer’s Percentage of Facility Output, of \$8,580 multiplied by the greater of (i) the percentage points by which Seller failed to meet the Sustainable Forest Management Requirement during the applicable True-Up Period or (ii) the percentage points by which Seller failed to meet the High Hazard Requirement during such True-Up Period, each as stated in the applicable True-Up Report (the “**SB 859 Withholding**”). By way of example only, if Seller delivered 50% of the required feedstock with respect to the Sustainable Forest Management Requirement during a True-Up Period (30 percentage points less than the 80% required) and 40% of the required feedstock with respect to the High Hazard Requirement during such True-Up Period (20 percentage points less than the 60% required), and Seller has not met the SB 859 Feedstock Requirements for the applicable Aggregate True-Up Period, then Buyers will collectively be entitled to withhold \$257,400 ($\$8,580 * 30 = \$257,400$). If an SB 859 Withholding to which a Buyer is entitled is greater than the amount owed by such Buyer under the associated invoice, such Buyer may apply such excess SB 859 Withholdings to future Monthly invoices received from Seller or draw on its share of the Performance Security as provided in Section 5.6(c). If a subsequent True-Up Report demonstrates that Seller has met the SB 859 Feedstock Requirements for the Aggregate True-Up Period covered by such True-Up Report, each Buyer shall pay any applicable SB 859 Withholding retained or drawn in such Contract Year upon payment of the associated subsequent invoice.

(f) If the Aggregate True-Up Report delivered in January following any Contract Year indicates that Seller failed to maintain SB 859 Compliance of the Facility or failed to meet the SB 859 Feedstock Requirements for such Contract Year, then in addition to the other rights and remedies provided herein, Seller shall, within 30 days after receipt of an invoice therefor, reimburse each Buyer an amount equal to (i) the total amount that such Buyer paid Seller for Products delivered during such Contract Year (excluding SB 859 Withholdings), minus (ii) the total amount that such Buyer would have paid for the same quantity of Products not intended to meet the requirements of SB 859, but meeting the standards of “Portfolio Content Category 1” as defined by RPS Law (“**Non-SB 859 Compliant Products**”), determined based on the average of quotes for the price of Non-SB 859 Compliant Products on the last day of such Contract Year from three nationally recognized and mutually acceptable brokers. If the Parties do not agree on brokers required by this Section within five days after Buyers’ request for such quotes, the Buyers shall designate one broker, Seller shall designate one broker, and the two designated brokers shall designate the third broker. For the avoidance of doubt, nothing in Section 7.7(e) or this Section 7.7(f) limits in any way a Buyer’s right to withdraw from this Agreement under Section 2.3(e).

ARTICLE VIII ENVIRONMENTAL ATTRIBUTES

Section 8.1 Transfer of Environmental Attributes. For and in consideration of Buyers entering into this Agreement, and in addition to the agreement by and among Buyers and Seller to purchase and sell Facility Energy on the terms and conditions set forth herein, Seller shall transfer to each Buyer, and each Buyer shall receive from Seller, proportionately in accordance with such Buyer's Percentage of Facility Output, all right, title, and interest in and to all Environmental Attributes, whether now existing or acquired by Seller or that hereafter come into existence or are acquired by Seller during the Agreement Term associated with the Facility Energy. Seller agrees to transfer and make such Environmental Attributes available to Buyers immediately to the fullest extent allowed by applicable law upon Seller's production or acquisition of the Environmental Attributes. Seller represents and covenants that it has not assigned, transferred, conveyed, encumbered, sold, or otherwise disposed of and shall not assign, transfer, convey, encumber, sell or otherwise dispose of all or any portion of such Environmental Attributes to any Person other than Buyers or attempt to do any of the foregoing with respect to any of the Environmental Attributes, except as otherwise set forth herein. The Parties acknowledge that the consideration for the transfer of Environmental Attributes is contained within the Contract Price.

Section 8.2 Reporting of Ownership of Environmental Attributes. During the Agreement Term, Seller shall not report to any Person that the Environmental Attributes granted hereunder to Buyers belong to any Person other than Buyers, and Buyers may report under any program that such Environmental Attributes purchased hereunder belong to them.

Section 8.3 Environmental Attributes. Upon request by any Buyer's Authorized Representative, Seller shall take all actions and execute all documents or instruments necessary under applicable law, bilateral arrangements or other voluntary Environmental Attribute programs of any kind, as applicable, to maximize the attribution, accrual, realization, generation, production, recognition and validation of Environmental Attributes throughout the Agreement Term.

Section 8.4 WREGIS. In furtherance and not in limitation of Section 8.3, prior to Seller's first delivery of Facility Energy hereunder, Seller shall (a) register for an account with WREGIS to evidence the creation, crediting, and transfer of WREGIS Certificates in accordance with WREGIS reporting protocols and WREGIS Operating Rules and (b) register the Facility with WREGIS. After the Facility is registered with WREGIS, Seller shall transfer WREGIS Certificates using the Forward Certificate Transfer method as described in WREGIS Operating Rules from Seller's WREGIS account to each Buyer's WREGIS accounts, as designated by each Buyer's Authorized Representative, proportionately in accordance with such Buyer's Percentage of Facility Output. Seller shall be responsible for WREGIS Certificate issuance fees and WREGIS expenses associated with registering the Facility, maintaining its account, acquiring and arranging for a Qualified Reporting Entity ("**QRE**") and any applicable QRE agreements, and transferring WREGIS Certificates to each Buyer, each such Buyer's Authorized Representatives, or any other designees. Each Buyer shall be responsible for its WREGIS expenses associated with maintaining its own account, or the accounts of its designees, if any, and subsequent transferring or retiring by it of WREGIS Certificates, or Seller's fees for the retirement of WREGIS Certificates on behalf of any Buyer. Forward Certificate Transfers shall occur monthly based on the certificate creation timeline established by the WREGIS Operating Rules. Seller shall be responsible for, at its

expense, validating and disputing data with WREGIS prior to WREGIS Certificate creation each Month. In the event that WREGIS is not in operation, or WREGIS does not track Seller's transfer of WREGIS Certificates to any Buyer's Authorized Representative or its designees for purposes of any RECs attributed, accrued, realized, generated, produced, recognized or validated relative to the Facility Energy, or any Buyer chooses not to use WREGIS for any reason, Seller shall document the production and transfer of RECs under this Agreement to such Buyer by delivering to such Buyer an attestation in substantially the form attached as Appendix B for the RECs associated with such Buyer's Percentage of Facility Output, measured in whole MWh, or by such other method as such Buyer shall designate.

Section 8.5 Further Assurances. Pursuant to Section 8.4, if WREGIS (or any successor thereto) is not in operation, or for Environmental Attributes to which WREGIS does not apply, Seller shall document the production of Environmental Attributes other than RECs by delivering with each invoice to Buyers an attestation for the amount of such Environmental Attributes associated with Facility Energy for the preceding Month in the form of the attestation set forth as Appendix B. At Buyers' Agent's request, the Parties shall execute all such documents and instruments and take such other action in order to effect the transfer of the Environmental Attributes specified in this Agreement to Buyers and to maximize the attribution, accrual, realization, generation, production, recognition and validation of Environmental Attributes throughout the Agreement Term. In the event of the promulgation of a scheme involving Environmental Attributes administered by CAMD, upon notification by CAMD that any transfers contemplated by this Agreement shall not be recorded, each Party shall promptly cooperate in taking all reasonable actions necessary so that such transfer can be recorded. Each Party shall promptly give the other Party copies of all documents it submits to CAMD to effectuate any transfers.

ARTICLE IX CAPACITY RIGHTS

Section 9.1 Capacity Rights. For and in consideration of each Buyer entering into this Agreement, and in addition to the agreement by Buyers and Seller to purchase and sell Facility Energy and Environmental Attributes on the terms and conditions set forth herein, Seller hereby transfers to each Buyer, and each Buyer hereby accepts from Seller, all of Seller's rights, title and interest in and to the Capacity Rights, proportionately in accordance with such Buyer's Percentage of Facility Output. The consideration for the transfer of Capacity Rights, if any, is contained within the applicable Contract Price. No Buyer shall have any obligation or liability whatsoever for any debt pertaining to the Facility by virtue of any Buyer's ownership of the Capacity Rights or otherwise.

Section 9.2 Resource Adequacy Standards. Except to the extent Seller is exempt from the Resource Adequacy standards set forth in the CAISO Tariff, Seller shall be responsible for all costs, charges, expenses, penalties, and obligations resulting from such Resource Adequacy standards, if applicable.

Section 9.3 Representation Regarding Ownership of Capacity Rights. Seller shall not assign, transfer, convey, encumber, sell or otherwise dispose of any of the Capacity Rights to any Person other than Buyers or attempt to do any of the foregoing with respect to any of the

Capacity Rights. During the Agreement Term, Seller shall not report to any Person that any of the Capacity Rights belong to any Person other than Buyers. Each Buyer may, at each Buyer's own risk and expense, report to any Person that such Buyer's proportionate share of the Capacity Rights belongs to it. Seller makes no representations, warranties or covenants to Buyers, either expressed or implied, regarding the current or future characterization or treatment of the Capacity Rights under any Requirement of Law.

Section 9.4 Further Assurances. Seller shall, at its sole cost and expense, execute and deliver such documents and instruments and take such other action as required by the CAISO and as any Buyers' Authorized Representative may reasonably request to effect recognition and transfer of the Capacity Rights to Buyers.

ARTICLE X BILLING; PAYMENT; AUDITS; METERING; ATTESTATIONS; POLICIES

Section 10.1 Billing and Payment. Billing and payment for all Products shall be as set forth in this Article X.

Section 10.2 Calculation of Energy Delivered; Invoices and Payment .

(a) Not later than the tenth (10th) day of each Month, commencing with the next Month following the Month in which Facility Energy is first delivered by Seller and received by Buyers under this Agreement, Seller shall deliver to each Buyer a proper invoice showing the amount due for the preceding Month from each Buyer to Seller for Facility Energy, Capacity Rights and Environmental Attributes (subject to Section 10.2(b)) based on such Buyer's Percentage of Facility Output, WREGIS Certificates that have been created, credited, and transferred to such Buyer's account in accordance with Section 8.4, and any amounts owed by such Buyer to Seller under Section 7.2(b). Seller shall calculate the amount of Facility Energy from meter readings at the Electric Metering Devices maintained pursuant to Section 10.6. Each invoice shall show the title of the Agreement and, if applicable, the Agreement number, the name, address and identifying information of Seller and the identification of material, equipment or services covered by the invoices, and shall be sent to the address set forth in Appendix E or such other address as each Buyer may provide to Seller. Seller shall separately provide in such invoice (i) evidence supporting the total amount of Facility Energy generated during such period, (ii) Seller's computation of any Deemed Generated Energy calculated during the preceding Month (including any supporting documentation associated therewith) and (iii) any other amounts due to Seller, including amounts due under Section 6.3 or Section 7.4. Seller shall also provide each Buyer with a summary of the calculations pursuant to Section 6.2. Any electronic information delivered by Seller under this Article X shall be in a format such as Microsoft Excel (or its equivalent) that allows each Buyer to cut, paste or otherwise readily use and work with such information or documentation or as otherwise mutually agreed by the Parties.

(i) Each invoice shall contain the most recent attestations delivered subject to Section 8.2, Section 8.5 and Section 11.6.

(ii) Concurrently with the delivery of each monthly invoice and except as otherwise provided in Section 7.7, Seller shall deliver information regarding the WREGIS

Certificates, including the WREGIS Certificates created in the prior month, vintage, and serial numbers.

(b) Subject to Section 10.2(c) and Section 10.2(e) and Section 10.3, not later than the thirtieth (30th) day after receipt by a Buyer of Seller's Monthly invoice (or the next succeeding Business Day, if the thirtieth (30th) day is not a Business Day), each Buyer shall pay to Seller, by wire transfer of immediately available funds to an account specified by Seller or by any other means agreed to by the Parties from time to time, the amount set forth as due by such Buyer in such Monthly invoice, except that if any WREGIS Certificates for any Facility Energy included on a Monthly invoice have not been received in a Buyer's account prior to such date, such Buyer shall be entitled to withhold payment of \$60 from the Contract Price for each MWh of Facility Energy delivered to such Buyer until ten (10) days after receipt of such WREGIS Certificates, which amount (i) will not accrue interest if paid by such deadline and (ii) has been determined by the Parties to be a fair allocation of the portion of the Contract Price attributable to the Environmental Attributes included in the Product.

(c) With respect to Deemed Generated Energy, within thirty (30) days after receipt of an invoice from Seller, if any Buyer believes that it has insufficient information to verify the amount of Deemed Generated Energy calculated by Seller in the invoice, or if such Buyer requires additional time to verify such information, such Buyer shall notify Seller and the other Buyers thereof. Within thirty (30) days after receipt by such Buyer of additional information regarding such Deemed Generated Energy calculation, or on the date mutually agreed to by the Parties pursuant to such Buyer's request for additional time to verify the information provided by Seller, such Buyer shall notify Seller of any discrepancies with respect to its calculation of the Deemed Generated Energy, in which event such invoice shall be subject to the provisions of Section 10.3.

(d) Seller shall, in the invoice immediately following the receipt of such adjustment, reconciliation, or final settlement, adjust previously invoiced amounts to reflect adjustments, reconciliations or final settlements with the CAISO or WREGIS occurring after the date of the initial invoice, or any other adjustments agreed to by the Parties (other than adjustments resulting from the resolution of invoice disputes, which are addressed in Section 10.3), which shall be without interest of any kind, *provided* that Buyers shall not be required to make such invoice payments if the adjusted invoice is received more than six (6) Months after the billing period.

(e) No Buyer shall be required to make invoice payments if the invoice is received more than six (6) Months after the applicable Monthly billing period except with respect to any disputed amounts for which an invoice was provided within six (6) Months after the applicable Monthly billing period and for which such Buyer's liability is established and for any corrections or adjustments resulting in amounts owing by such Buyer pursuant to Section 10.6(a).

Section 10.3 Disputed Invoices. If any portion of any invoice is in dispute, the undisputed amount shall be paid when due. The Party disputing a payment shall promptly notify the other Parties of the basis for the dispute, setting forth the details of such dispute in reasonable specificity. Disputes shall be discussed directly by the Parties' Authorized Representatives, who shall use reasonable efforts to amicably and promptly resolve such Disputes, and any failure to agree shall be subject to resolution in accordance with Section 13.3. Upon resolution of any

Dispute, if all or part of the disputed amount is later determined to have been due, then the Party owing such payment or refund shall pay within ten (10) days after receipt of notice of such determination the amount determined to be due plus interest thereon at the Interest Rate from the due date until the date of payment. For purposes of this Section 10.3, “**Interest Rate**” shall mean the lesser of (i) two percent (2%) above the per annum Prime Rate reported daily in *The Wall Street Journal*, or (ii) the maximum rate permitted by applicable Requirements of Law. This Section does not apply to adjustments, reconciliations, or final settlements with the CAISO or WREGIS, which are addressed in Section 10.2(d).

Section 10.4 Buyers’ Right of Setoff. In addition to any right now or hereafter granted under applicable law and not by way of limitation of any such rights, each Buyer shall have the right at any time or from time to time without notice to Seller or to any other Person, any such notice being hereby expressly waived, to set off against any amount due Seller from such Buyer under this Agreement or otherwise any amount due such Buyer from Seller under this Agreement or otherwise, including any amounts due as a result of any Default of this Agreement or any other obligation if and to the extent paid in the first instance by such Buyer.

Section 10.5 Records and Audits. Seller shall maintain, and the Authorized Auditors shall have access to, all records and data pertaining to the performance and management of this Agreement (including compliance with the Requirements) and related Subcontracts, and as necessary to properly reflect all costs claimed to have been incurred hereunder and thereunder, including (a) in their original form, all (i) documents provided to Seller in the ordinary course of business for the Facility, (ii) documents for billing, costs, metering, and Environmental Attributes, (iii) books, records, documents, reports, deliverables, employee time sheets, accounting procedures and practices, and (iv) records of financial transactions, and (b) other evidence, regardless of form (for example, machine readable media such as disk or tape, etc.) or type (for example, databases, applications software, database management software, or utilities). If Seller is required to submit cost or pricing data in connection with this Agreement, Seller shall maintain all records and documents necessary to permit adequate evaluation of the cost or pricing data submitted, along with the computations and projections used. In the event of a Dispute, records that relate to the Agreement, Dispute, litigation or costs, or items to which an audit exception has been taken, shall be maintained. Buyers’ Agent and the Authorized Auditors may discuss such records with Seller’s officers and independent public accountants (and by this provision Seller authorizes said accountants to discuss such billings and costs), all at such times and as often as may be reasonably requested. All such records shall be retained, and shall be subject to examination and audit by the Authorized Auditors, for a period of not less than six (6) years following final payment made by a Buyer hereunder as it relates to a particular payment obligation, the expiration or termination date of this Agreement, or final settlement of all disputes, claims, or litigation, whichever is later. Seller shall make said records or, to the extent accepted by the Authorized Auditors, photographs, micro-photographs, or other authentic reproductions thereof, available to the Authorized Auditors at Seller’s principal business office or any other of Seller’s offices as mutually agreed upon by Buyers’ Agent and Seller, at all reasonable times and without charge. The Authorized Auditors may reproduce, photocopy, download, transcribe, and the like any such records. Any information provided by Seller on machine-readable media shall be provided in a format accessible and readable by the Authorized Auditors. Seller shall not, however, be required to furnish the Authorized Auditors with commonly available software. Seller shall be subject at any time with fourteen (14) days prior written notice to audits or examinations

by Authorized Auditors, relating to all billings and required to verify compliance with all Agreement requirements relative to practices, methods, procedures, performance, compensation, and documentation. Examinations and audits shall be performed using generally accepted auditing practices and principles and applicable governmental audit standards. If Seller utilizes or is subject to Federal Acquisition Regulation, Part 30 and 31, et seq. accounting procedures, or a portion thereof, examinations and audits shall utilize such information. To the extent that an Authorized Auditor's examination or audit reveals inaccurate, incomplete or non-current records, or records are unavailable, the records shall be considered defective. Consistent with standard auditing procedures, Seller shall be provided fifteen (15) days to review an Authorized Auditor's examination results or audit and respond to Buyers' Agent prior to the examination's or audit's finalization and public release. If an Authorized Auditor's examination or audit indicates Seller has been overpaid under a previous payment application, the identified overpayment amount shall be paid by Seller to Buyers within fifteen (15) days after notice to Seller of the identified overpayment. If an Authorized Auditor's examination or audit reveals that Buyers' overpayment to Seller is more than five percent (5.0%) of the billings reviewed, Seller shall pay all expenses and costs incurred by the Authorized Auditors arising out of or related to the examination or audit, which examination or audit expenses and costs shall be paid by Seller to Buyers within fifteen (15) days after notice to Seller. Seller shall contractually require all Subcontractors performing services under this Agreement to comply with the provisions of this Section 10.5 by inserting this Section 10.5 into each Subcontract.

Section 10.6 Electric Metering Devices.

(a) Facility Energy shall be measured using an NV Energy-approved settlement-quality Electric Metering Device at the Facility that complies with the CAISO Tariff and relevant protocols and is dedicated exclusively to the Facility. Seller shall arrange and bear all costs associated with the installation of the Electric Metering Devices needed for the registration, recording and transmission of information regarding the Energy generated at the Facility. Seller shall provide, or cause to be provided, to Buyers' Agent a mutually agreed set of meter data, which data shall be accessible to, and usable by, Buyers. In addition to providing Buyers' Agent with its meter data, Seller shall use commercially reasonable efforts to support any efforts by Buyers' Agent to obtain NV Energy meter data applicable to the Facility and all inspection, testing and calibration data and reports from the NV Energy. If NV Energy makes any adjustment to any meter data for a given time period, Seller agrees that it shall submit revised Monthly invoices, pursuant to this Article X covering the entire applicable time period in order to fully conform such adjustments to the meter data. Seller shall submit any revised invoices no later than thirty (30) days after the date on which NV Energy provides Seller with binding adjustments to the meter data. To the extent consistent with the requirements of NV Energy and the CAISO, all Electric Metering Devices used to provide data for the computation of payments shall be sealed and Seller or its designee shall only break the seal when such Electric Metering Devices are to be inspected and tested or adjusted in accordance with this Section 10.6. Seller or its designee shall specify the number, type, and location of such Electric Metering Devices.

(b) Seller or its Authorized Representative, at no expense to Buyers, shall inspect and test all Electric Metering Devices upon installation and at least annually thereafter. Seller or its Affiliates shall provide Buyer annual certified test reports for each Electric Metering Device thereafter throughout the duration of the Delivery Term. Seller shall provide Buyers' Agent

with reasonable advance notice of, and permit representatives of Buyers and Buyers' Agent to witness and verify, such inspections and tests. Upon request by Buyers' Agent, Seller or its Authorized Representative shall perform additional inspections or tests of any Electric Metering Device and shall permit a qualified representative of any Buyer to inspect or witness the testing of any Electric Metering Device. The actual expense of any such requested additional inspection or testing shall be borne by Seller. Seller shall provide copies of any inspection or testing reports to Buyers' Agent.

(c) If an Electric Metering Device fails to register, or if the measurement made by an Electric Metering Device is found upon testing to be inaccurate by more than plus or minus one percent (+/- 1.0%), an adjustment shall be made to correct all measurements made by the inaccurate or defective Electric Metering Device for both the amount of the inaccuracy and the period of the inaccuracy. The adjustment period shall be determined by reference to Seller's check-meters, if any, or as far as can be reasonably ascertained by Seller from the best available data, subject to review and approval by Buyers. If the period of the inaccuracy cannot be reasonably ascertained, any such adjustment shall be for a period equal to one-third of the time elapsed since the preceding test of the applicable Electric Metering Devices. To the extent that the adjustment period covers a period of deliveries for which payment has already been made by Buyers, Buyers' Agent shall use the corrected measurements as determined in accordance with this Section 10.6 to recompute the amount due for the period of the inaccuracy and shall subtract the previous payments by Buyers for this period from such recomputed amount. If the difference is a positive number, the difference shall be paid by Buyers to Seller; if the difference is a negative number, that difference shall be paid by Seller to Buyers, or at the direction of Buyers' Agent, may take the form of an offset to payments due to Seller from Buyers. Payment of such difference by the owing Party or Parties, as applicable, shall be made not later than thirty (30) days after the owing Party or Parties, as applicable, receives notice of the amount due, unless Buyers elect payment via an offset. Seller shall work with Buyers to establish direct access by the Buyers to interval meter data for purposes of Buyer reconciliation of invoices.

Section 10.7 Taxes. Seller shall be responsible for and shall pay, before the due date therefor, any and all federal, state, and local Taxes incurred by it as a result of entering into this Agreement and all Taxes imposed or assessed with respect to the Facility, the Site, or any other assets of Seller, the Products or the transaction arising before or at the Point of Delivery. Each Buyer shall pay or cause to be paid its proportionate share of all Taxes on or with respect to the Products or the transaction after (and excluding) the Point of Delivery to such Buyer. If Seller is required by a Requirement of Law to remit or pay Taxes that are the responsibility of any Buyer hereunder, such Buyer shall promptly reimburse Seller for such Taxes. If any Buyer is required by Requirement of Law to remit or pay Taxes that are Seller's responsibility hereunder, such Buyer may deduct such amounts from payments to Seller hereunder; if such Buyer elects not to deduct such amounts from Seller's payments, Seller shall promptly reimburse such Buyer for such amounts upon request. Nothing shall obligate or cause a Party to pay or be liable to pay any Taxes for which it is exempt under law. A Party that is exempt at any time and for any reason from one or more Taxes shall bear the risk that such exemption shall be lost or the benefit of such execution be reduced.

ARTICLE XI
REPRESENTATIONS, WARRANTIES AND COVENANTS

Section 11.1 Representations and Warranties. Each Buyer makes the following representations and warranties to Seller as of the Effective Date:

(a) Such Buyer is, (i) with respect to SCPPA, a validly existing California joint powers authority, (ii) with respect to each of MID and TID, a validly existing irrigation district organized under the laws of the State of California, and (iii) with respect to SMUD, a validly existing California municipal utility district, and has the legal power and authority to own its properties, to carry on its business as now being conducted and to enter into this Agreement, and to carry out the transactions contemplated hereby and thereby, and to perform and carry out all covenants and obligations on its part to be performed under and pursuant to this Agreement.

(c) This Agreement constitutes the legal, valid and binding obligation of such Buyer enforceable in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization or similar laws relating to or affecting the enforcement of creditors' rights generally or by general equitable principles, regardless of whether such enforceability is considered in a proceeding in equity or at law.

(d) Buyers' Agent has been appointed as the agent for Buyers pursuant to the Buyers Joint Project Agreement, a true and correct copy of which has been furnished to Seller, for the purposes of administering this Agreement, and Buyers' Agent has the power and authority to take such actions, grant such consents, and bind Buyers with respect to the matters provided for in this Agreement in a manner consistent with the term and conditions set forth in this Agreement.

(e) Such Buyer is (i) an "eligible contract participant" as defined in the Commodity Exchange Act, as amended, 7 U.S.C. (f) There is no pending or threatened action or proceeding affecting any Seller Party before any Governmental Authority, which purports to affect the legality, validity or enforceability of this Agreement or any Ancillary Documents.

(h) (i) Seller is a Special Purpose Entity and (ii) the corporate organizational structure and ownership of Seller, the Upstream Equity Owner(s) up to the Ultimate Parent Entity, and a list of the Principals of Seller, each Upstream Equity Owner and the Ultimate Parent Entity, as of the Effective Date, is set forth on Schedule 11.2(h) and as of the date of each update to Schedule 11.2(h) (as provided in Section 11.6), Schedule 11.2(h) (as then updated) sets forth the corporate organizational structure and ownership of Seller and each Upstream Equity Owner, and the Principals of Seller, each Upstream Equity Owner and the Ultimate Parent Entity.

(i) The Seller Parties have (i) not entered into this Agreement or any Ancillary Document to which they are a party with the actual intent to hinder, delay or defraud any creditor, and (ii) received reasonably equivalent value in exchange for its obligations under this Agreement and any Ancillary Document to which they are a party. No petition in bankruptcy has been filed against any Seller Party (other than petitions that have been dismissed within 60 days after filing), and no Seller Party nor any of their respective constituent Persons have ever made an assignment for the benefit of creditors or taken advantage of any insolvency act for its benefit as a debtor.

(j) The Permits required to maintain or operate the Facility in accordance with the Requirements have been or are reasonably expected to be timely obtained in the ordinary course of business, and Seller is in compliance with any mitigation plans, monitoring programs, or other requirements associated with any such Permits.

(k) Tax returns and reports of each Seller Party required to be filed by it have been timely filed, and all Taxes shown on such Tax returns to be due and payable and all assessments, fees and other governmental charges upon each Seller Party and upon its properties, assets, income, business and franchises that are due and payable have been paid when due and payable. Seller knows of no proposed Tax assessment against it that is not being actively contested by it in good faith and by appropriate proceeding.

(l) Seller owns or possesses or will acquire all patents, rights to patents, trademarks, copyrights and licenses necessary for the performance by Seller of its obligations under this Agreement, and Seller's use thereof does not infringe on the intellectual property rights of third parties.

(m) Seller has not assigned, transferred, conveyed, encumbered, sold or otherwise disposed of the Products except as provided herein.

(n) All of the assumptions made in the Non-Consolidation Opinion, including any exhibits attached thereto, are true and correct, and Seller has complied or will comply after the date hereof with all of the assumptions made with respect to Seller in the Non-Consolidation Opinion.

(o) Seller's or its Affiliate's agents and representatives have visited, inspected and become familiar with the Site and its physical condition relevant to the obligations of Seller pursuant to this Agreement, including roads, utilities, air and water quality conditions. Seller is familiar with all local and other conditions that may be material to Seller's performance of its obligations under this Agreement (including transportation, seasons and climate, access, weather, handling and storage of materials and equipment, and availability and quality of labor and utilities).

Seller has determined that the Site constitutes an acceptable and suitable site for operation of the Facility in accordance herewith. At all times after the Effective Date, Seller shall have Site Control. Seller shall provide Buyer with prompt notice of any change in the status of Seller's Site Control. Seller shall not take any action or permit any action to be taken at or with respect to the Site that has a material adverse effect upon the Facility or the generating capability of the Facility.

(p) Seller is (i) an "eligible contract participant" as defined in the Commodity Exchange Act, as amended, 7 U.S.C. Section 1a(18); (ii) a producer, processor, or commercial user of, or a merchant handling, the commodity that is the subject of this Agreement, or the products or byproducts thereof; and (iii) entering into this Agreement solely for purposes related to its business as such.

Section 11.3 Covenants Related to Fuel Sources. Seller shall ensure that on an annual basis, (a) at least 80% of the feedstock shall be a byproduct of sustainable forest management, which includes removal of dead and dying trees from Tier 1 high hazard zones and Tier 2 high hazard zones (as defined in SB 859) and is not from lands that have been clear-cut (whether on an annual basis or for a lesser period as provided in Section 7.7(e), the "**Sustainable Forest Management Requirement**"), and (b) at least 60% of the feedstock shall be from Tier 1 high hazard zones and Tier 2 high hazard zones (as defined in SB 859) (whether on an annual basis or for a lesser period as provided in Section 7.7(e), the "**High Hazard Requirement**," and together with the Sustainable Forest Management Requirement, the "**SB 859 Feedstock Requirements**").

Section 11.4 Covenants of Seller Related to Site Control Documents.

(a) Seller shall (i) maintain Site Control at all times, and (iii) provide Buyers' Agent with prompt notice of any change in the status of Seller's Site Control.

(b) Seller shall at all times keep, perform, observe and comply with, or cause to be kept, performed, observed and complied with, all covenants, agreements, conditions and other provisions required to be kept, performed, observed and complied with by or on behalf of Seller from time to time pursuant to the Site Control Documents, and Seller shall not do or permit anything to be done, the doing of which, or refrain from doing anything, the omission of which, could impair or tend to impair the rights of Seller under the Site Control Documents, or could be grounds for any counterparty to Seller thereunder to terminate a Site Control Document.

(c) Seller shall use commercially reasonable efforts to enforce the provisions of the Site Control Documents short of termination thereof such that Seller may enjoy all of the rights granted to Seller thereunder.

(d) Seller shall give Buyers' Agent immediate notice of (i) any default or of any event which, with the giving of notice or passage of time, or both, would become a default under any of the Site Control Documents, or the receipt by Seller of any notice from any counterparty to Seller thereto, or (ii) the commencement or threat of any action or proceeding or arbitration pertaining to any Site Control Document. Seller shall deliver to Buyers' Agent, immediately upon service or delivery thereof on, to or by Seller, a copy of each petition, summons, complaint, notice of motion, order to show cause and other pleading or paper, however designated, which shall be served or delivered in connection with any such action, proceeding or arbitration.

(e) Seller shall not terminate, cancel, sever or surrender, or permit or suffer the subordination, termination, cancellation, severance or surrender of, or modify, change, amend or assign any Site Control Document in a way that could, individually or in the aggregate, reasonably be expected to have a material adverse effect on any Buyer, the Facility, or Seller's performance of its obligations under this Agreement, without the prior written consent of Buyers' Agent. Notwithstanding the foregoing, Buyers' Agent's consent shall not be required to terminate a Site Control Document if the real property rights arising under such Site Control Document are not reasonably necessary for the possession of the Facility, the generation of Energy at the Facility, or the transmission of Energy from the Facility to the Point of Delivery.

Section 11.5 Covenants of Seller Related to Material Adverse Effects. In the event of a material adverse effect on the business, assets, operations, condition (financial or otherwise) or prospects of Seller or an event of default by Seller, Seller shall promptly thereafter notify Buyers' Agent, and Seller shall, within thirty (30) days after providing such notice, provide Buyers' Agent with a plan or report, including the report (at Seller's sole cost and expense) of a Licensed Professional Engineer with respect to any operational problem related to the Facility if reasonably requested by Buyers' Agent that demonstrates in detail reasonably acceptable to Buyers' Agent, that the material adverse effect or event of default by Seller has been mitigated or cured, or will be mitigated or cured within a reasonable period or within the cure periods provided therefor (and listing, in detail, the actions that Seller has taken, is taking, or proposes to take with respect to such condition or event), or that such material adverse effect or event of default by Seller will not have a material adverse effect on the performance of Seller under this Agreement. A failure to provide such plan or report within thirty (30) days, or to diligently undertake any of the actions set forth under such plan or report, will be deemed a failure by Seller to perform under Section 12.1(b).

Section 11.6 Covenants of Seller to Provide Quarterly Attestations. Seller shall provide to Buyers' Agent on January 1, April 1, July 1 and October 1 of each Contract Year a certificate executed by an authorized officer of Seller certifying that the representations and warranties set forth in Section 11.2 of this Agreement remain true and correct as of the date of such certificate, and that there exists no event of default by Seller or any event that, after notice or with the passage of time or both, would constitute a Default hereunder; *provided*, that (i) with respect to any attestation with respect to the representation and warranty set forth in Section 11.2(f), Seller may include a disclosure schedule with any such attestation in order to make such representation true and (ii) with respect to any attestation as to any representation and warranty set forth in Section 11.2(h), Seller may update such attestation and Section 11.2(h) in order to account for any mergers, transfers, consolidations, assignments, restructurings, or similar transactions to the extent that such transactions either (A) do not constitute a Change of Control or (B) have been consented to by Buyers.

Section 11.7 Covenants of Seller Related to Intellectual Property. Seller shall timely obtain all patents, rights to patents, trademarks, copyrights and licenses necessary for the performance by Seller of its obligations under this Agreement.

Section 11.8 Covenants of Seller Related to Status as Special Purpose Entity. Seller shall continue to comply with all of the assumptions made with respect to Seller in the Non-Consolidation Option and shall remain at all times throughout the Agreement Term a Special Purpose Entity.

Section 11.9 Covenants of Seller Related to Facility Debt. Seller shall not permit Facility Debt in an amount that, in the aggregate exceeds fifty percent (50%) of the Facility Cost. On January 1, April 1, July 1, and October 1 of each year commencing on the Effective Date, Seller shall provide to Buyer a certificate of an officer, director or member of Seller attesting to Facility Debt as being equal to or less than fifty percent (50%) of the Facility Cost as of such date, which certificate shall be accompanied by supporting documentation in reasonable detail, including a statement of the Facility's then-current Facility Debt value.

ARTICLE XII DEFAULT; TERMINATION AND REMEDIES; PERFORMANCE DAMAGE

Section 12.1 Default. Each of the following events or circumstances shall constitute a “*Default*” by the responsible Party (the “*Defaulting Party*”):

(a) **Payment Default.** Failure by a Party to make any payment under this Agreement when and as due (other than payments disputed in good faith) that is not cured within thirty (30) days after receipt of notice thereof from the other Party (which amount shall include payment of interest from the due date at the Interest Rate);

(b) **Performance Default.** Failure by a Party to perform any of its duties or obligations under this Agreement (other than any failure for which a sole remedy is provided in this Agreement and any failure which is separately listed as a Default of Seller under this Section 12.1) that is not cured within thirty (30) days after receipt of notice thereof from the other Party; *provided* that if such failure cannot be cured within such thirty (30) day period despite reasonable commercial efforts and is not a failure to make a payment when due, and such Party expeditiously commences to cure such breach following its receipt of notice and continues to diligently proceed with such cure within such longer period of time, then such Party shall have up to sixty (60) additional days to cure.

(c) **Breach of Representation and Warranty.** Any representation, warranty, certification, or other statement made by a Party or Seller Party in this Agreement or any Ancillary Document, or in the case of Seller, made in a quarterly certification delivered pursuant to Section 11.6, is false or inaccurate at the time made; *provided* that no Default shall exist if such falsity or inaccuracy is remedied within thirty (30) days after receipt of notice thereof from another Party, and further provided that if such falsity or inaccuracy cannot be cured within such thirty (30) day period despite reasonable commercial efforts, and such Party expeditiously commences to cure such breach following its receipt of notice and continues to diligently proceed with such cure within such longer period of time, then such Party shall have up to sixty (60) additional days to cure.

(d) **Bankruptcy.** Bankruptcy of any Buyer (which shall only be a Default with respect to such Bankrupt Buyer) or Seller.

(e) **Performance Security Failure.** (i) The failure of Seller to furnish Performance Security by the time set forth in Section 5.6, or the failure of Seller to maintain or replace the Performance Security in compliance with Section 5.6, (ii) the failure of any of the Performance Security to be in full force and effect in accordance with Section 5.6 or (iii) any

Person contests the validity or enforceability of the Performance Security or the letter of credit provider denies that it has any liability in respect of any Performance Security and such Performance Security is not replaced in compliance with Section 5.6.

(f) **Insurance Default.** The failure of Seller to (i) maintain and provide acceptable evidence of the required Insurance for the required period of coverage as set forth in Appendix D that is not cured within five (5) days after receipt of notice of such failure from Buyer or (ii) provide acceptable evidence of Insurance that is in full force and effect, which failure is not remedied by both (A) the provision to Buyer of electronic evidence of such Insurance within four (4) days after receipt of notice of such failure from Buyer and (B) the provision of other evidence acceptable to Buyer within fifteen (15) days after receipt of notice of such failure from Buyer.

(g) **Fundamental Change.** Except as permitted by Section 13.7, (i) a Party makes an assignment of its rights or delegation of its obligations under this Agreement, or (ii) a Change in Control occurs (whether voluntary or by operation of law).

(h) **Site Control Document Default.** Seller breaches any of its obligations under Section 11.4, which breach is not cured within ten (10) days after receipt of notice thereof from Buyers' Agent, other than a breach of Seller's obligations under Section 11.4(a), which shall immediately trigger a Default hereunder.

(i) **Commercial Operation Date.** Seller fails to achieve Commercial Operation on or before the Outside Commercial Operation Date.

Section 12.2 Default Remedy.

(a) If any Buyer is in Default for nonpayment, subject to any duty or obligation under this Agreement, Seller may continue to provide services to such Defaulting Buyer, and shall continue to provide services with respect to the non-Defaulting Buyers, pursuant to its obligations under this Agreement; *provided* that nothing in this Section 12.2(a) shall affect Seller's rights and remedies set forth in this Section 12.2. Seller's continued service to a Defaulting Buyer shall not act to relieve such Defaulting Buyer of any of its duties or obligations under this Agreement.

(b) Notwithstanding any other provision herein, if any Default has occurred and is continuing, the affected Party may, whether or not the dispute resolution procedure set forth in Section 13.3 has been invoked or completed, bring an action in any court of competent jurisdiction as set forth in Section 13.13 seeking injunctive relief in accordance with applicable rules of civil procedure.

(c) Except as expressly limited by this Agreement, if a Default has occurred and is continuing and a Buyer is the Defaulting Party, Seller may without further notice exercise any rights and remedies provided herein or otherwise available at law or in equity with respect to such Buyer, including a partial termination of this Agreement with respect to the Defaulting Buyer pursuant to Section 12.3; *provided* that the non-Defaulting Buyer (or Buyers, as applicable), shall have the opportunity, upon the termination of this Agreement with respect to such Defaulting Buyer or Buyers, to take over such Defaulting Buyer's or Buyers' Percentage of Facility Output as provided in Section 2.3(h). No failure of Seller to exercise, and no delay in exercising, any right, remedy or power hereunder shall operate as a waiver thereof, nor shall any single or partial

exercise by Seller of any other right, remedy or power hereunder preclude any other or future exercise of any right, remedy or power.

(d) Except as expressly limited by this Agreement, if a Default has occurred and is continuing and Seller is the Defaulting Party, each Buyer may without further notice exercise any rights and remedies provided for herein, or otherwise available at law or equity, including (i) application of all amounts available under the Performance Security against any amounts then payable by Seller to Buyers under this Agreement, and (ii) withdrawal from or termination of this Agreement pursuant to Section 12.3. No failure of any Buyer to exercise, and no delay in exercising, any right, remedy or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise by any Buyer of any right, remedy or power hereunder preclude any other or future exercise of any right, remedy or power by such Buyer.

Section 12.3 Termination for Default.

(a) In the event of a Default by any Buyer, each Party that is not a Defaulting Party, as the context requires (each, a “*Non-Defaulting Party*”) may, for so long as the Default is continuing and, to the extent permitted by applicable law, without limiting any other rights or remedies available to each Non-Defaulting Party under this Agreement, by notice from any Non-Defaulting Party to the Defaulting Party (a “*Termination Notice*”) (i) establish a date, which shall be no earlier than the date of such notice and no later than twenty (20) days after the date of such notice (“*Early Termination Date*”) on which this Agreement shall terminate with respect to such Buyer, and (ii) Seller may withhold any payments due to such Defaulting Buyer in respect of this Agreement.

(b) In the event of a Default by Seller, each Buyer, as a Non-Defaulting Party may, for so long as the Default is continuing and, to the extent permitted by applicable law, without limiting any other rights or remedies available to each Non-Defaulting Party under this Agreement, (i) establish by delivery of a Termination Notice an Early Termination Date (which shall be no earlier than the date of such notice and no later than twenty (20) days after the date of such Termination Notice) on which such Non-Defaulting Buyer may withdraw, without penalty to such Non-Defaulting Buyer, from this Agreement or, upon the mutual agreement of Buyers, this Agreement shall terminate, and (ii) withhold any payments due Seller in respect of this Agreement; *provided*, that upon the occurrence of any Default of the type described in Section 12.1(h) (but only arising due to a breach under Section 11.4(c)), this Agreement shall automatically terminate, without notice or other action by any Party as if an Early Termination Date had been declared immediately prior to such event.

(c) If an Early Termination Date has been designated, each Non-Defaulting Party shall calculate in a commercially reasonable manner its Gains, Losses and Costs resulting from the termination of this Agreement and the resulting Termination Payment. The Gains, Losses and Costs relating to the Products that would have been required to be delivered under this Agreement had it not been terminated shall be determined by comparing the amounts each Buyer would have paid for the Products under this Agreement to the equivalent quantities and relevant market prices, either quoted by one or more bona fide third party offers, or which are reasonably expected by each Buyer to be available in the market under a replacement contract for this Agreement covering the same products and having a term equal to the Remaining Term at the date

of the Termination Notice, adjusted to account for differences in transmission, if any. To ascertain the market prices of a replacement contract, each Non-Defaulting Party may consider, among other valuations, quotations from dealers in Energy contracts and bona fide third party offers. Each Non-Defaulting Party shall not be required to enter into any such replacement agreement in order to determine its Gains, Losses and Costs or the Termination Payment.

(d) For purposes of each Non-Defaulting Party's determination of its Gains, Losses and Costs and the Termination Payment, it shall be presumed, regardless of the facts, that Seller would have sold, and each Buyer would have purchased, each day during the Remaining Term (i) Facility Energy in an amount equal to the Expected Daily Deliveries, (ii) the Environmental Attributes associated therewith, and (iii) all other components of the Products. The "**Expected Daily Deliveries**" shall be an amount in the aggregate equal to the greater of (A) 384 MWh, and (B) the average daily amount of Facility Energy during the Delivery Term, if any.

(e) Each Non-Defaulting Party shall notify the Defaulting Party of the Termination Payment, which notice shall include a written statement explaining in reasonable detail the calculation of such amount. If the Termination Payment is a positive number, the Defaulting Party shall, within fourteen (14) days after receipt of such notice, pay the Termination Payment to each Non-Defaulting Party, together with interest accrued at the Interest Rate from the Early Termination Date until paid. The Non-Defaulting Party shall not be obligated to pay a Termination Payment in any amount to the Defaulting Party under any circumstances.

(f) If the Defaulting Party disagrees with the calculation of the Termination Payment and the Parties cannot otherwise resolve their differences, the calculation of the Termination Payment shall be submitted to the dispute resolution process provided in Section 13.3. Following resolution of the dispute, the Defaulting Party shall pay the full amount of the Termination Payment (if any) as determined by such resolution as and when required, but no later than thirty (30) days following the date of such resolution, together with all interest, at the Interest Rate, that accrued from the Early Termination Date until the date the Termination Payment is paid.

(g) For purposes of this Agreement:

(i) "**Gains**" means, with respect to the Non-Defaulting Party, an amount equal to the present value of the economic benefit to it, if any (exclusive of Costs), resulting from the termination of its rights and obligations under this Agreement, determined in a commercially reasonable manner. Factors used in determining economic benefit may include reference to information either available to it internally or supplied by one or more third parties, including quotations (either firm or indicative) of relevant rates, prices, yields, yield curves, volatilities, spreads or other relevant market data in the relevant markets, market price referent, market prices for a comparable transaction, forward price curves based on economic analysis of the relevant markets, or settlement prices for a comparable transaction at liquid trading platforms, all of which should be calculated for the remaining Delivery Term to determine the present value of the Products;

(ii) "**Losses**" means, with respect to the Non-Defaulting Party, an amount equal to the present value of the economic loss, if any (exclusive of Costs), resulting from the termination of its rights and obligations under this Agreement, determined in a commercially

reasonable manner. Factors used in determining economic benefit may include reference to information either available to it internally or supplied by one or more third parties, including quotations (either firm or indicative) of relevant rates, prices, yields, yield curves, volatilities, spreads or other relevant market data in the relevant markets, market price referent, market prices for a comparable transaction, forward price curves based on economic analysis of the relevant markets, or settlement prices for a comparable transaction at liquid trading platforms, all of which should be calculated for the remaining Delivery Term to determine the present value of the Products; if the Non-Defaulting Party is the Seller, then “Losses” shall exclude any federal or state tax credits, grants, or benefits related to the Facility or generation therefrom.

(iii) “*Costs*” means, with respect to the Non-Defaulting Party, (A) brokerage fees, commissions and other similar transaction costs and expenses reasonably incurred by the Non-Defaulting Party either in terminating any arrangement pursuant to which it has hedged its obligations or in entering into new arrangements which replace this Agreement, and (B) all reasonable attorneys’ fees and expenses incurred by the Non-Defaulting Party in connection with the termination of this Agreement. Each Party shall use reasonable efforts to mitigate or eliminate its Costs.

(iv) In no event shall a Party’s Gains, Losses or Costs include any penalties or similar charges imposed by any Non-Defaulting Party.

(v) The Present Value Rate shall be used as the discount rate in all present value calculations required to determine Gains, Losses and Costs.

(h) At the time for payment of any amount due under this Section 12.3, each Party shall pay to any other Party, as applicable, all additional amounts, if any, payable by it under this Agreement (including any amounts withheld pursuant to Section 12.3(a)(ii) above).

ARTICLE XIII MISCELLANEOUS

Section 13.1 Authorized Representative. Each Party shall designate an authorized representative who shall be authorized to act on its behalf with respect to those matters contained herein (each an “*Authorized Representative*”), which shall be the functions and responsibilities of such Authorized Representatives. Each Party may also designate an alternate who may act for the Authorized Representative. Within thirty (30) days after execution of this Agreement, each Party shall notify the other Party of the identity of its Authorized Representative, and alternates if designated, and such Party shall promptly notify the other Party of any subsequent changes in such designation. The Authorized Representatives shall have no authority to alter, modify, or delete any of the provisions of this Agreement. To the extent that an Authorized Representative’s contact information is not provided in Appendix E, at the time a Party designates such Authorized Representative, such Party shall concurrently provide written notice to the other Party of such Authorized Representative’s contact information.

Section 13.2 Notices. With the exception of billing invoices pursuant to Section 10.2(a) hereof, all notices, requests, demands, consents, approvals, waivers and other communications which are required under this Agreement shall be (a) in writing (regardless of whether the

applicable provision expressly requires in writing), (b) deemed properly sent if delivered in person or sent by facsimile transmission, reliable overnight courier, or sent by registered or certified mail, postage prepaid to the persons specified in Appendix E, and (c) deemed delivered, given and received on the date of delivery, in the case of facsimile transmission, or on the date of receipt or rejection in the case of delivery in person, by reliable overnight courier, or by registered or certified mail. In addition to the foregoing, the Parties may agree in writing at any time to deliver notices, requests, demands, consents, waivers and other communications through alternate methods, such as electronic mail.

Section 13.3 Dispute Resolution.

(a) In the event of any claim, controversy or dispute between the Parties arising out of or relating to or in connection with this Agreement (including any dispute concerning the validity of this Agreement or the scope and interpretation of this Section 13.3) (a “*Dispute*”), any Party (the “*Notifying Party*”) may deliver to the other Parties (the “*Recipient Party*”) notice of the Dispute with a detailed description of the underlying circumstances of such Dispute (a “*Dispute Notice*”). The Dispute Notice shall include a schedule of the availability of the Notifying Party’s senior officers (having a title of senior vice president (or its equivalent) or higher) duly authorized to settle the Dispute during the thirty (30) day period following the delivery of the Dispute Notice.

(b) The Recipient Party shall, within seven (7) days following receipt of the Dispute Notice, provide to the Notifying Party a parallel schedule of availability of the Recipient Party’s senior officers (having a title of senior vice president (or its equivalent) or higher) duly authorized to settle the Dispute. Following delivery of the respective senior officers’ schedules of availability, the senior officers of the Parties shall meet and confer as often as they deem reasonably necessary during the remainder of the thirty (30) day period in good faith negotiations to resolve the Dispute to the satisfaction of each Party.

(c) In the event a Dispute is not resolved pursuant to the procedures set forth in Section 13.3(a) and Section 13.3(b) by the expiration of the thirty (30) day period set forth in Section 13.3(a), then a Party may pursue any legal remedy available to it in accordance with the provisions of Section 13.12 and Section 13.13 of this Agreement.

(d) In addition to the Dispute Resolution process set forth in this Section 13.3, the Parties shall comply with California law governing claims against public entities and presentment of such claims.

Section 13.4 Further Assurances; Change in Electric Market Design.

(a) Each Party agrees to execute and deliver all further instruments and documents, and take all further action not inconsistent with the provisions of this Agreement that may be reasonably necessary to effectuate the purposes and intent of this Agreement.

(b) If a change in the CAISO Tariff renders this Agreement or any provisions hereof incapable of being performed or administered, then any Party may request that Buyers’ Agent and Seller enter into negotiations to make the minimum changes to this Agreement necessary to make this Agreement capable of being performed and administered, while attempting

to preserve to the maximum extent possible the benefits, burdens, and obligations set forth in this Agreement as of the Effective Date. Upon delivery of such a request, Buyers' Agent and Seller shall engage in such negotiations in good faith. If Buyers' Agent and Seller are unable, within sixty (60) days after delivery of such request, to agree upon changes to this Agreement or to resolve issues relating to changes to this Agreement, then any Party may submit issues pertaining to changes to this Agreement to the dispute resolution process set forth in Section 13.3. Notwithstanding the foregoing, a change in cost shall not in and of itself be deemed to render this Agreement or any of the provisions hereof incapable of being performed or administered, or constitute, or form the basis of, a Force Majeure.

Section 13.5 No Dedication of Facilities. Any undertaking by one Party to the other Parties under any provisions of this Agreement shall not constitute the dedication of the Facility or any portion thereof of any Party to the public or to the other Party or any other Person, and it is understood and agreed that any such undertaking by any Party shall cease upon the termination of such Party's obligations under this Agreement.

Section 13.6 Force Majeure.

(a) A Party shall not be considered to be in Default in the performance of any of its obligations under this Agreement when and to the extent such Party's performance is prevented by a Force Majeure that, despite the exercise of due diligence, such Party is unable to prevent or mitigate, *provided* the Party has given a written detailed description of the full particulars of the Force Majeure to the other Party reasonably promptly after becoming aware thereof (and in any event within fourteen (14) days after the initial occurrence of the claimed Force Majeure event) (the "***Force Majeure Notice***"), which notice shall include information with respect to the nature, cause and date and time of commencement of such event, and the anticipated scope and duration of the delay. The Party providing such Force Majeure Notice shall be excused from fulfilling its obligations under this Agreement until such time as the Force Majeure has ceased to prevent performance or other remedial action is taken, at which time such Party shall promptly notify the other Party of the resumption of its obligations under this Agreement. If Seller is unable to deliver, or any Buyer is unable to receive, Facility Energy due to a Force Majeure, then such Buyer shall have no obligation to pay Seller for Facility Energy not delivered or received by reason thereof. In no event shall any Buyer be obligated to compensate Seller or any other Person for any losses, expenses or liabilities that Seller or such other Person may sustain as a consequence of any Force Majeure.

(b) The term "***Force Majeure***" means any act of God (including fire, flood, earthquake, extremely severe storm, lightning strike, tornado, volcanic eruption, hurricane or other natural disaster), labor disturbance, strike or lockout of a national scope, act of the public enemy, war, insurrection, riot, explosion, terrorist activities or any order, regulation or restriction imposed by governmental, military or lawfully established civilian authorities that (i) prevents one Party from performing any of its obligations under this Agreement, (ii) could not reasonably be anticipated as of the date of this Agreement, (iii) is not within the reasonable control of, or the result of negligence, willful misconduct, breach of contract, intentional act or omission or wrongdoing on the part of the affected Party (or any subcontractor or Affiliate of that Party, or any Person under the control of that Party or any of its subcontractors or Affiliates, or any Person for whose acts such subcontractor or Affiliate is responsible), and (iv) by the exercise of due diligence

the affected Party is unable to overcome or avoid or cause to be avoided; *provided*, nothing in clause (iv) above shall be construed so as to require a Party to accede or agree to any provision not satisfactory to it in order to settle and terminate a strike or labor dispute in which it may be involved. Any Party rendered unable to fulfill any of its obligations by reason of a Force Majeure shall exercise due diligence to remove such inability with reasonable dispatch within a reasonable time period and mitigate the effects of the Force Majeure. The relief from performance shall be of no greater scope and of no longer duration than is required by the Force Majeure. Without limiting the generality of the foregoing, a Force Majeure does not include any of the following: (1) any requirement to meet an RPS Law or any change (whether voluntary or mandatory) in any RPS Law, or other Change in Law, that may affect the value of the Products; (2) events arising from the failure by Seller to operate or maintain the Facility in accordance with this Agreement; (3) any increase of any kind in any cost; (4) delays in or inability of a Party to obtain financing or other economic hardship of any kind; (5) Seller's ability to sell any Facility Energy at a price in excess of those provided in this Agreement; (6) curtailment or other interruption of any Transmission Service; (7) failure of third parties to provide goods or services essential to a Party's performance; (8) Facility or equipment failure of any kind; (9) any changes in the financial condition of any Buyer, Seller, the Facility Lender, or any subcontractor or supplier affecting the affected Party's ability to perform its obligations under this Agreement; or (10) Seller's inability to obtain sufficient fuel or power to operate the Facility.

(c) Any Buyer may withdraw from this Agreement if (i) a Force Majeure event occurs that diminishes the production of the Facility by more than fifty percent (50%) of the Contract Capacity for a period of eighteen (18) consecutive months, or (ii) the Facility is damaged and thereby rendered inoperable and an independent engineer that is mutually acceptable to the Parties determines that the Facility cannot be repaired or replaced within a period not to exceed twenty four (24) months following the date of the occurrence of the Force Majeure event.

(d) Any withdrawal from or termination of this Agreement under Section 13.6(c) shall be "no-fault" and no Party shall have any liability or obligation to any other Parties arising out of such withdrawal or termination. Notwithstanding the foregoing, upon any such withdrawal or termination, as applicable, Seller shall pay each withdrawing or terminating Buyer for any and all amounts hereunder that may be owing, including for any outstanding payments due in the ordinary course that occurred prior to the termination. Each withdrawing or terminating Buyer shall return to Seller its portion of the Performance Security (less any amounts drawn by such Buyer in accordance with this Agreement). The exercise by a Buyer of its right to withdraw from or terminate the Agreement shall not render such withdrawing or terminating Buyer liable for any losses or damages incurred by Seller whatsoever.

Section 13.7 Assignment of Agreement.

(a) Except as set forth in this Section 13.7, no Party may assign any of its rights, or delegate any of its obligations, under this Agreement without the prior written consent of the other Parties, such consent not to be unreasonably withheld, conditioned or delayed (taking into account Buyers' and Participating Members' approval processes). Any Change in Control (whether voluntary or by operation of law) shall be deemed an assignment and shall require the prior written consent of Buyers' Agent, which consent shall not be unreasonably withheld, conditioned or delayed (taking into account Buyers' and Participating Members' approval

processes). Concurrently with any reorganization, financing transaction, or other transactions constituting any Change in Control (whether voluntary or by operation of law) in which Seller merges, consolidates or takes any other action with any Person and ceases to exist, the successor entity to Seller shall execute a written assumption agreement in favor of Buyers pursuant to which any such successor entity shall assume all of the obligations of Seller under this Agreement and agree to be bound by all the terms and conditions of this Agreement. In connection with any Change in Control in which Seller remains party to this Agreement, at Buyers' request, Seller shall deliver an estoppel certificate to Buyers' Agent confirming that this Agreement remains in full force and effect. Seller shall (i) use commercially reasonable efforts to provide Buyers' Agent with not less than ninety (90) days' prior written notice, but shall in no event provide less than forty five (45) days' prior written notice (other than a Change in Control that is involuntary or by operation of law, for which Seller shall provide as much advance notice as possible, but for which no advance notice is required hereunder), of (x) any proposed transaction which would constitute a Change in Control, and (y) Bankruptcy of any Seller Party, and (ii) provide written notice to Buyers' Agent of any other transaction or series of transactions with respect to the sale, transfer or disposition of Ultimate Parent Entity holding directly or indirectly at least fifty percent (50%) of the equity ownership or the power to control the management and policies of any Upstream Equity Owner.

(b) Any Buyer may assign this Agreement without the consent of Seller or the other Buyers to a Qualified Buyer Assignee. Notwithstanding the foregoing, in connection with any such assignment, such Qualified Buyer Assignee shall execute a written assumption agreement in favor of Seller pursuant to which any such Qualified Buyer Assignee shall assume all the obligations of such Buyer under this Agreement and agree to be bound by all the terms and conditions of this Agreement, thereby relieving the assignor Buyer from its duties and obligations hereunder. Any modifications or amendments to this Agreement to accommodate the technical requirements of such Qualified Buyer Assignee (including as they relate to transmission and scheduling) shall require the consent of Seller, which consent shall not be unreasonably withheld.

(c) Except for a sale or transfer of the Facility by a Facility Lender to a Qualified Transferee as contemplated by Section 13.7(d), Seller shall not sell or transfer the Facility to any Person other than a Person to whom Seller assigns this Agreement in accordance with this Section 13.7, without the prior written consent of Buyers. Any purported sale or transfer in violation of this Section 13.7(c) shall be null and void and of no force or effect.

(d) Buyers' consent shall not be required in connection with the collateral assignment of this Agreement or a pledge of the membership interests in Seller to any Facility Lender for the sole purpose of financing exclusively this Facility; provided, however, that the terms of such financing and the documentation relating thereto shall not conflict with the applicable terms and conditions of this Agreement. Seller shall provide Buyer with ninety (90) days' prior notice of any such collateral assignment or pledge. If a Facility Lender, any designee of the Facility Lender, or a purchaser or grantee at a foreclosure sale by judicial or nonjudicial foreclosure and sale or by a conveyance in lieu of foreclosure takes possession of or title to the Facility, such Facility Lender, designee, purchaser or grantee shall agree to be bound by the covenants and agreements of Seller in this Agreement; provided, however, that until the Person who acquires title to the Facility executes and delivers to Buyer a written assumption of Seller's obligations under this Agreement in form and substance acceptable to Buyer, such Person shall

not be entitled to any of the benefits of this Agreement. Any sale or transfer of the Facility by any Facility Lender in connection with any foreclosure, whether judicial or nonjudicial, or any deed in lieu of foreclosure, in connection with any deed of trust, mortgage or Lien on the Facility shall be made only to an entity that is a Qualified Transferee. In connection with any financing or refinancing of the Facility, each Buyer shall execute a consent to collateral assignment of this Agreement substantially in the form attached hereto as Appendix H, except that Buyers shall have no obligation to amend the terms and conditions of this Agreement (such consent, the “*Facility Lender Consent*”).

(e) Notwithstanding the foregoing or anything else expressed or implied herein to the contrary, Seller shall not assign, transfer, convey, encumber, sell or otherwise dispose of all or any portion of the Products (not including the proceeds thereof) to any Facility Lender.

(f) No Buyer will be liable to any Facility Lender for any claims, losses, expenses or damages whatsoever other than liability a Buyer may have to Seller under this Agreement. Seller shall reimburse, or shall cause the Facility Lender to reimburse, each Buyer for the incremental direct expenses reasonably incurred and documented by such Buyer in the preparation, negotiation, execution or delivery of the Facility Lender Consent and any other documents requested by Seller, the Facility Lender, or any Tax Equity Investor and provided by such Buyer, pursuant to this Agreement.

(g) Seller shall pay Buyers the reasonable costs and expenses incurred by Buyers in connection with any dispositions, assignments or Changes in Control (including reasonable attorneys’ fees and expenses) hereunder pursuant to a transaction or related series of transactions.

Section 13.8 Ambiguity. The Parties acknowledge that this Agreement was jointly prepared by them, by and through their respective legal counsel, and any uncertainty or ambiguity existing herein shall not be interpreted against a Party on the basis that the Party drafted the language, but otherwise shall be interpreted according to the application of the rules on interpretation of contracts.

Section 13.9 Attorney Fees & Costs. Both Parties agree that in any action to enforce the terms of this Agreement that each Party shall be responsible for its own attorney fees and costs. Each of the Parties to this Agreement was represented by its respective legal counsel during the negotiation and execution of this Agreement.

Section 13.10 Voluntary Execution. The Parties acknowledge that they have read and fully understand the content and effect of this Agreement and that the provisions of this Agreement have been reviewed and approved by their respective counsel. The Parties further acknowledge that they have executed this Agreement voluntarily, subject only to the advice of their own counsel, and do not rely on any promise, inducement, representation or warranty that is not expressly stated herein.

Section 13.11 Entire Agreement; Amendments. This Agreement (including all Appendices) contains the entire understanding concerning the subject matter herein and supersedes and replaces any prior negotiations, discussions or agreements between the Parties, or any of them,

concerning that subject matter, whether written or oral, except as expressly provided for herein. This is a fully integrated document. Each Party acknowledges that no other party, representative or agent, has made any promise, representation or warranty, express or implied, that is not expressly contained in this Agreement that induced the other Party to sign this document. This Agreement may be amended or modified only by an instrument in writing signed by each Party.

Section 13.12 Governing Law. This Agreement was made and entered into in the County of Los Angeles, California and shall be governed by, interpreted and enforced in accordance with the laws of the State of California, without regard to conflict of law principles.

Section 13.13 Venue. All litigation arising out of, or relating to this Agreement, shall be brought in a state or federal court in the County of Los Angeles in the State of California. The Parties irrevocably agree to submit to the exclusive jurisdiction of such courts in the State of California and waive any defense of forum non conveniens.

Section 13.14 Execution in Counterparts. This Agreement may be executed in counterparts and upon execution by each signatory, each executed counterpart shall have the same force and effect as an original instrument and as if all signatories had signed the same instrument. Any signature page of this Agreement may be detached from any counterpart of this Agreement without impairing the legal effect of any signature thereon, and may be attached to another counterpart of this Agreement identical in form hereto by having attached to it one or more signature pages.

Section 13.15 Effect of Section Headings. Section headings appearing in this Agreement are inserted for convenience only and shall not be construed as interpretations of text.

Section 13.16 Waiver; Available Remedies. The failure of any Party to this Agreement to enforce or insist upon compliance with or strict performance of any of the terms or conditions hereof, or to take advantage of any of its rights hereunder, shall not constitute a waiver or relinquishment of any such terms, conditions or rights, but the same shall be and remain at all times in full force and effect. Except to the extent this Agreement provides an exclusive remedy for a breach, nothing contained herein shall preclude any Party from seeking and obtaining any available remedies hereunder, including recovery of damages caused by the breach of this Agreement and specific performance or injunctive relief, or any other remedy given under this Agreement or now or hereafter existing in law or equity or otherwise as a court of competent jurisdiction may deem just and proper to enforce this Agreement or to prevent any violation hereof. The rights granted herein are cumulative.

Section 13.17 Relationship of the Parties. This Agreement shall not be interpreted to create an association, joint venture or partnership among the Parties hereto or to impose any partnership obligation or liability upon such Party. No Party shall have any right, power or authority to enter into any agreement or undertaking for, or act on behalf of, or to act as an agent or representative of, the other Parties.

Section 13.18 Third Party Beneficiaries. Except as otherwise expressly provided in this Agreement, this Agreement shall not be construed to create rights in, or to grant remedies to, any

third party as a beneficiary of this Agreement or any duty, obligation or undertaking established herein.

Section 13.19 Indemnification; Damage or Destruction; Insurance; Condemnation; Limit of Liability.

(a) **Indemnification.** Seller undertakes and agrees to indemnify and hold harmless each Buyer, SCPPA's Participating Members, and each Buyer's respective commissioners, officers, agents, employees, advisors, members, and Authorized Representatives and assigns and successors in interest (collectively, "**Indemnitees**") and, at the option of Buyers' Agent, to defend such Indemnitees from and against any and all suits and causes of action (including proceedings before FERC), claims, charges, damages, demands, judgments, civil fines and penalties, other monetary remedies, or losses of any kind or nature whatsoever, (i) for death, bodily injury or personal injury to any person, including Seller's employees and agents, or third persons, or damage or destruction to any property of a Party or third persons, in any manner arising by reason of any breach of this Agreement by Seller, any failure of any representation, warranty or guarantee of Seller to be true in all respects, the negligent acts, errors, omissions or willful misconduct incident to the performance of this Agreement on the part of Seller, or any of Seller's officers, agents, employees, or subcontractors of any tier, except to the extent caused by the gross negligence or willful misconduct of any such Indemnitee, or (ii) arising out of the failure of the Facility to be SB 859 Compliant at any time during the Agreement Term.

(b) **Damage or Destruction.** Subject to Section 13.6, in the event of any damage or destruction of the Facility or any part thereof, the Facility or such part thereof shall be diligently repaired, replaced or reconstructed by Seller so that the Facility or such part thereof shall be restored to the same general condition and use as existed prior to such damage or destruction, unless a different condition or use is approved by Buyers' Agent. Proceeds of Insurance with respect to such damage or destruction maintained as provided in this Agreement shall be applied to the payment for such repair, replacement or reconstruction of the damage or destruction.

(c) **Insurance.** Seller shall obtain and maintain the Insurance coverages listed in Appendix D.

(d) **Condemnation or Other Taking.** Throughout the Agreement Term, Seller shall immediately notify Buyers' Agent of the institution of any proceeding for the condemnation or other taking of the Facility or any portion thereof, including the occurrence of any hearing associated therewith. Buyers' Agent may participate in any such proceeding and Seller shall deliver to Buyers' Agent all instruments necessary or required by Buyers' Agent to permit such participation. Without Buyers' Agent's prior written consent, Seller (i) shall not agree to any compensation or award, and (ii) shall not take any action or fail to take any action which would cause the compensation to be determined. Upon any condemnation of the Facility or any part thereof, Seller shall diligently repair, replace, or reconstruct the Facility or portion thereof so condemned. All awards and compensation for the taking or purchase in lieu of condemnation of the Facility, or any portion thereof shall be applied toward the repair, restoration, reconstruction or replacement of the Facility.

(e) **Limitation of Liability.** EXCEPT FOR LOSSES OR DAMAGE DIRECTLY OR INDIRECTLY INCLUDED IN THE LIQUIDATED DAMAGES, COVERED BY INDEMNIFICATION OBLIGATIONS UNDER THIS AGREEMENT RELATED TO THIRD PARTY CLAIMS, ASSESSED BY GOVERNMENTAL AUTHORITIES AS A RESULT OF THE FACILITY FAILING TO BE SB 859 COMPLIANT, OR OTHER SPECIFIC CHARGES EXPRESSLY PROVIDED FOR HEREIN, IN NO EVENT SHALL EITHER PARTY OR, IN THE CASE OF BUYER, ITS INDEMNITEES, BE LIABLE FOR SPECIAL, INCIDENTAL, EXEMPLARY, INDIRECT, PUNITIVE OR CONSEQUENTIAL DAMAGES, LOST PROFITS OR OTHER COSTS, BUSINESS INTERRUPTION DAMAGES RELATED TO OR ARISING OUT OF A PARTY'S PERFORMANCE OR NON-PERFORMANCE OF THIS AGREEMENT, WHETHER BASED ON OR CLAIMED UNDER STATUTE, CONTRACT, TORT (INCLUDING SUCH PARTY'S OWN NEGLIGENCE) OR ANY OTHER THEORY OF LIABILITY AT LAW OR IN EQUITY. IT IS THE INTENT OF THE PARTIES THAT THE LIMITATIONS HEREIN IMPOSED ON REMEDIES AND THE MEASURE OF DAMAGES BE WITHOUT REGARD TO THE CAUSE OR CAUSES OF SUCH DAMAGES, INCLUDING THE NEGLIGENCE OF ANY PARTY, WHETHER SUCH NEGLIGENCE BE JOINT, CONTRIBUTORY, CONCURRENT, OR ACTIVE OR PASSIVE.

(f) To the extent any damages required to be paid hereunder are liquidated, the Parties acknowledge that the damages are difficult or impossible to determine, and that the liquidated damages constitute a reasonable approximation of the anticipated harm or loss.

(g) The obligations of Buyers hereunder are several and not joint, and no Buyer shall be liable for the acts or omissions of any other Buyer. If any Participating Member withdraws from participation in this Agreement, then (i) neither the other Participating Members nor the other Buyers shall have any obligation to take over the withdrawing Participating Member's Applicable MW Share, (ii) effective upon such withdrawal, the Contract Capacity shall be reduced by the withdrawing Participating Member's Applicable MW Share, and (iii) each Buyer's Percentage of Facility Output shall be adjusted to equal the percentage equivalent of a fraction, the numerator of which is equal to such Buyer's Applicable MW Share (or, in the case of SCPPA, the sum of the Applicable MW Shares of all remaining Participating Members), and the denominator of which is equal to the Contract Capacity, as adjusted by clause (ii) of this Section 13.19(g).

Section 13.20 Severability. In the event any of the terms, covenants or conditions of this Agreement, or the application of any such terms, covenants or conditions, shall be held invalid, illegal or unenforceable by any court having jurisdiction, all other terms, covenants and conditions of this Agreement and their application not adversely affected thereby shall remain in force and effect, *provided* that the remaining valid and enforceable provisions materially retain the essence of the Parties' original bargain.

Section 13.21 Confidentiality.

(a) Each Party agrees, and shall use reasonable efforts to cause its parent, subsidiary and Affiliates, and its and their respective directors, officers, employees and representatives, as a condition to receiving confidential information hereunder, to keep confidential, except as required by law, all documents, data (including operating data provided in connection with the scheduling of energy pursuant to Article VII or otherwise pursuant to this

Agreement), drawings, studies, projections, plans and other written information that relate to economic benefits to, or amounts payable by, any Party under this Agreement, and with respect to documents that are clearly marked “Confidential” at the time a Party shares such information with the other Party (“**Confidential Information**”). The provisions of this Section 13.21 shall survive and shall continue to be binding upon the Parties for a period of one (1) year following the date of termination or expiration of this Agreement. Notwithstanding the foregoing, information shall not be considered Confidential Information if such information (i) is disclosed with the prior written consent of the originating Party, (ii) was in the public domain prior to disclosure or is or becomes publicly known or available other than through the action of the receiving Party in violation of this Agreement, (iii) was lawfully in a Party’s possession or acquired by a Party outside of this Agreement, which acquisition was not known by the receiving Party to be in breach of any confidentiality obligation, or (iv) is developed independently by a Party based solely on information that is not considered confidential under this Agreement.

(b) Either Party may, without violating this Section 13.21, disclose matters that are made confidential by this Agreement:

(i) to its counsel, accountants, auditors, advisors, other professional consultants, credit rating agencies, actual or prospective, co-owners, investors, purchasers, lenders, underwriters, contractors, suppliers, and others involved in operation and financing transactions and arrangements for a Party or its subsidiaries or Affiliates;

(ii) to governmental officials and parties involved in any proceeding in which a Party is seeking a Permit, certificate, or other regulatory approval or order necessary or appropriate to carry out this Agreement; and

(iii) to governmental officials or the public as required by any law, regulation, order, rule, order, ruling or other Requirement of Law, including oral questions, discovery requests, subpoenas, civil investigations or similar processes and laws or regulations requiring disclosure of financial information, information material to financial matters, and filing of financial reports; and

(iv) with respect to SCPPA, to any of its members from time to time, including in a public distribution of the agenda of SCPPA or any Participating Member.

(c) Notwithstanding the foregoing or any other provision of this Agreement, Seller acknowledges that each Buyer is subject to disclosure as required by the California Public Records Act, Cal. Govt. Code §§ 6250 et seq. (“**CPRA**”) and the Ralph M. Brown Act, Cal. Govt. Code §§ 54950 et seq. (“**Brown Act**”). Confidential Information of Seller provided to any Buyer pursuant to this Agreement shall become the property of such Buyer, and Seller acknowledges that such Buyer shall not be in breach of this Agreement or have any liability whatsoever under this Agreement or otherwise for any claims or causes of action whatsoever resulting from or arising out of such Buyer copying or releasing to a third party any of the Confidential Information of Seller pursuant to CPRA or Brown Act.

(d) Notwithstanding the foregoing or any other provision of this Agreement, any Buyer may record, register, deliver and file all such notices, statements, instruments and other

documents as may be necessary or advisable to render fully valid, perfected and enforceable under all applicable law the credit support contemplated by this Agreement and the Ancillary Documents, and the rights, Liens and priorities of Buyers with respect to such credit support.

(e) If a Party is requested or required, pursuant to any applicable law, regulation, order, rule, ruling or other Requirement of Law, discovery request, subpoena, civil investigation or similar process to disclose any of the Confidential Information, such Party shall provide prompt written notice to the other Party of such request or requirement so that at such other Party's expense, such other Party can seek a protective order or other appropriate remedy concerning such disclosure. If any Buyer receives a CPRA request for Confidential Information of Seller, and such Buyer determines that such Confidential Information is subject to disclosure under CPRA, then such Buyer shall notify the other Buyers and Seller of the request and its intent to disclose the documents. Such Buyer, as required by CPRA, shall release such documents unless Seller timely obtains a court order prohibiting such release. If Seller, at its sole expense, chooses to seek a court order prohibiting the release of Confidential Information pursuant to a CPRA request, then Seller undertakes and agrees to defend, indemnify and hold harmless such Buyer and the Indemnitees from and against all suits, claims, and causes of action brought against such Buyer or any Indemnitees for such Buyer's refusal to disclose Confidential Information of Seller to any person making a request pursuant to CPRA. Seller's indemnity obligations shall include, but are not limited to, all actual costs incurred by such Buyer and any Indemnitees, and specifically including costs of experts and consultants, as well as all damages or liability of any nature whatsoever arising out of any suits, claims, and causes of action brought against such Buyer or any Indemnitees, through and including any appellate proceedings. Seller's obligations to Buyers and all Indemnitees under this indemnification provision shall be due and payable on a Monthly, on-going basis within thirty (30) days after each submission to Seller of Buyers' invoices for all fees and costs incurred by any Buyer and all Indemnitees, as well as all damages or liability of any nature.

(f) Each Party acknowledges that any disclosure or misappropriation of Confidential Information by such Party in violation of this Agreement could cause the other Party or their Affiliates irreparable harm, the amount of which may be extremely difficult to estimate, thus making any remedy at law or in damages inadequate. Therefore each Party agrees that the non-breaching Party shall have the right to apply to any court of competent jurisdiction for a restraining order or an injunction restraining or enjoining any breach or threatened breach of this Agreement and for any other equitable relief that such non-breaching Party deems appropriate. This right shall be in addition to any other remedy available to the Parties in law or equity, subject to the limitations set forth in Section 13.19(e).

Section 13.22 Mobile-Sierra. The Parties hereby stipulate and agree that this Agreement was entered into as a result of arm's-length negotiations between the Parties. Further, the Parties believe that, to the extent the sale of Energy under this Agreement is subject to Sections 205 and 206 of the Federal Power Act, 16 U.S.C. Sections 824d and 824e, the rates, terms and conditions of this Agreement are just and reasonable within the meanings of Sections 205 and 206 of the Federal Power Act, and that the rates, terms and conditions of this Agreement will remain so during the Agreement Term. Notwithstanding any provision of this Agreement, the Parties waive all rights to challenge the validity of this Agreement or whether it is just and reasonable for and with respect to the Agreement Term, under Sections 205 and 206 of the Federal Power Act, and to

request the FERC to revise the terms and conditions and the rates or services specified in this Agreement, and hereby agree not to seek, nor support any third party in seeking, to prospectively or retroactively revise the rates, terms or conditions of this Agreement through application or complaint to FERC or any other state or federal agency, board, court or tribunal, related in any manner as to whether such rates, terms or conditions are just and reasonable or in the public interest under the Federal Power Act, absent prior written agreement of the Parties. The Parties also agree that, absent prior agreement in writing by the Parties to a proposed change, the standard of review for changes to any rate, charge, classification, term or condition of this Agreement, whether proposed by a Party (to the extent that any provision of this Section is unenforceable or ineffective as to such Party), a non-party or the FERC acting *sua sponte* shall be the “public interest” application of the “just and reasonable” standard of review that requires FERC to find an “unequivocal public necessity” or “extraordinary circumstances where the public will be severely harmed” to modify a contract, as set forth in *United Gas Pipe Line Co. v. Mobile Gas Service Corp.*, 350 U.S. 332 (1956) and *Federal Power Commission v. Sierra Pacific Power Co.*, 350 U.S. 348 (1956), and clarified by *Morgan Stanley Capital Group, Inc. v. Public Util. Dist. No. 1 of Snohomish*, 554 U.S. 527 at 550-51 (2008) and *NRG Power Marketing, LLC v. Maine Public Utilities Comm’n*, 558 U.S. 165 (2010).

Section 13.23 Taxpayer Identification Number (TIN). Seller declares that its authorized TIN is 81-5022540. No payment will be made under this Agreement without a valid TIN.

Section 13.24 Service Contract. The Parties intend that this Agreement will qualify as a “service contract” as such term is used in Section 7701(e) of the United States Internal Revenue Code of 1986.

Section 13.25 LADWP Business Policies.

(a) Recycling Policy.

(i) SCPPA supports the use of recycled-content products of all types. Recycled-content products help conserve natural resources, including water and energy, and reduce demands upon landfills.

(ii) To the extent feasible, Seller shall submit all written documents on paper with a minimum of thirty percent (30%) post-consumer recycled content. Existing company/corporate letterhead and/or stationery that accompanies these documents is exempt from this requirement. Documents of two (2) or more pages in length shall be duplex-copied (double-sided pages). Neon or fluorescent paper shall not be used in any written documents submitted to Buyers.

(b) Non-Discrimination/Equal Employment Practices/Affirmative Action Construction & Non-Construction Agreements.

(i) During the performance of this Agreement, Seller shall not discriminate in its employment practices against any employee or applicant for employment because of race, religion, national origin, ancestry, sex, sexual orientation, age, disability, marital status, domestic partner status, or medical condition. All subcontracts awarded by Seller under

this Agreement shall contain a similar nondiscrimination provision. The applicable provisions of Executive Order No. 11246 of September 24, 1965; Part 60-741 of 41 Code of Federal Regulations pertaining to handicapped workers, including 60-741.4 Affirmative Action Clause; and Sections 10.8 to 10.13 of the Los Angeles Administrative Code (“*LAAC*”) pertaining to nondiscrimination in employment in the performance of City of Los Angeles contracts are incorporated herein by reference and made a part hereof as if they were fully set forth herein.

(ii) Any of the above-mentioned nondiscrimination provisions shall be included and effective in all subcontracts for the duration of this Agreement.

(iii) Seller agrees to adhere to the Equal Employment Practices and Affirmative Action provisions set forth in the Los Angeles Administrative Code Sections 10.8.3 and 10.8.4, respectively.

(c) Small Business Enterprise (“SBE”) and Disabled Veteran Business Enterprise (“DVBE”) Opportunity Program.

(i) It is the policy of SCPPA to provide SBEs, DVBEs, Disadvantaged Business Enterprises (“*DBEs*”), Women Business Enterprises (“*WBEs*”), Minority Business Enterprises (“*MBEs*”), Lesbian, Gay, Bisexual, or Transgender Business Enterprise (“*LGBTBE’s*”), and all Other Business Enterprises (“*OBEs*”) an equal opportunity to participate in the performance of all SCPPA contracts. SCPPA’s goals for SBE/DVBE participation in performance of its contracts are twenty percent (25%) for SBEs and three percent (3%) for DVBEs. Seller shall assist SCPPA in implementing this policy by taking all commercially reasonable steps to ensure that all available business enterprises, including SBEs and DVBEs, have an equal opportunity to compete for and participate in the work being requested by this Agreement.

(ii) Seller shall notify SCPPA if Seller is a certified SBE, DVBE, DBE, WBE, MBE, or LGBTBE. Seller shall provide to SCPPA (A) the company name, contact person, address, and telephone number of each proposed Subcontractor that qualifies as an SBE, DVBE, DBE, WBE, MBE, or LGBTBE and (B) copies of all certifications of such Subcontractor as an SBE, DVBE, DBE, WBE, MBE, or LGBTBE as applicable.

(d) Child Support Policy. Seller and any of its Subcontractors shall fully comply with all applicable state and federal employment reporting requirements for Seller’s and any Seller’s Subcontractors’ employees. Seller and any of its Subcontractor(s) shall fully comply with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment in accordance with the California Family Code, to the extent applicable. Seller and any of its Subcontractors shall certify that the principal owners thereof (which shall include any person who owns an interest of ten percent (10%) or more) are in compliance with any Wage and Earnings Assignment Orders or Notices of Assignment applicable to them personally. Seller and any of its Subcontractors shall certify that such compliance will be maintained throughout the term of this Agreement. Failure of Seller and/or any of its Subcontractors to fully comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignments or Notices of Assignment or failure of the principal owners to comply with any Wage and Earnings Assignments or Notices of Assignment applicable to them personally shall constitute a Default under this Agreement. Failure of Seller and/or any of its Subcontractors or principal owners

thereof to cure the Default within ninety (90) days of notice of such Default by a Buyer shall subject this Agreement to termination. Seller agrees to complete the forms attached to Appendix G related to the Child Support Policy and any certifications attached thereto.

(e) **Current Los Angeles City Business Tax Registration Certificate Required.** Seller shall obtain and keep in full force and effect during the term of this Agreement all Business Tax Registration Certificates required by the City of Los Angeles Business Tax Ordinance, Article 1, Chapter II, Section 21.00 and following, of the Los Angeles Municipal Code. Seller's Vendor Registration Number must be shown on all invoices submitted for payment. Failure to do so, may delay payment. For additional information regarding applicability of the City Business Tax Registration, contact the City of Los Angeles Clerk's Office at (213) 978-1521.

(f) **Equal Benefits Ordinance.** Seller agrees to comply with the requirements of the Equal Benefits Ordinance ("**EBO**"), codified at LAAC §10.8.2.1, and sign any required certifications related to such ordinance. Seller agrees to complete the form attached to Appendix G related to the EBO and any certifications attached thereto.

(g) **Contractor Responsibility Ordinance.** Seller agrees to comply with the requirements of the Contractor Responsibility Ordinance ("**CRO**"), codified at LAAC §10.40 et seq., and sign any required certifications related to such ordinance. Seller agrees to complete the form attached to Appendix G related to the CRO and any certifications attached thereto.

(h) **Sweat-Free Procurement Ordinance.** Seller agrees to comply with the requirements of the Sweat-Free Procurement Ordinance ("**SFPO**"), codified at LAAC §10.43 et seq., and sign any required certifications related to such ordinance. Seller agrees to complete the form attached to Appendix G related to the SFPO and any certifications attached thereto. In the case of impracticality in any provisions of the form due to the substitution of Buyers for the City of Los Angeles, Buyers will reasonably accommodate changes and/or substitutions in the requirements of the form as necessary to accomplish the purpose of the SFPO.

(i) **Los Angeles Municipal Lobbying Ordinance.** Seller agrees to comply with the disclosure requirements and prohibitions established in the Los Angeles Municipal Lobbying Ordinance if Seller qualifies as a lobbying entity under Los Angeles Municipal Code Section 48.02.

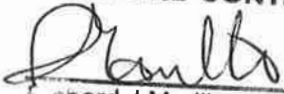

(j) **Iran Contracting Act of 2010.** Seller agrees to comply with the requirements of the Iran Contracting Act of 2010, codified in the California Public Contracts Code Section 2200 et seq., and sign the "Iran Contracting Act of 2010 Compliance Affidavit" attached to Appendix G.

Ladies and Gentlemen:

At the request of and on behalf of (Applicant's Name), we hereby issue our Irrevocable, Standby Letter of Credit No. xxxxxxxx ("Letter of Credit") in favor of **[the Southern California Public Power Authority][Sacramento Municipal Utility District][Modesto Irrigation District][Turlock Irrigation District]** for a sum not exceeding USD \$XX,XXX,XXX (U.S. amount in wordings) available with ourselves by payment against your presentation of demand(s) at sight drawn on U.S. Bank National Association at 555 SW Oak Street, Suite 400-P, Portland, OR 97204, when accompanied by the following documents ("Documents"):

1. Beneficiary's statement and written demand for payment purportedly signed by an authorized signer of Beneficiary containing the text of Exhibit I, and
2. This original Standby Letter of Credit and all original amendment(s) if any

Drawings may be presented to U.S. Bank National Association via fax to 503-464-4125. To the extent a presentation is made by fax transmission, you must provide telephone notification thereof to U.S. Bank National Association (503-464-3720 or 503-464-3700) prior to or simultaneously with the sending of such fax transmission, except that Beneficiary's failure to provide such telephone notification shall not invalidate the facsimile drawing. If you present a fax drawing under this letter of credit, you do not need to present the original of any drawing documents, and if we receive any such original drawing, the drawing documents will not be examined by us. In the event of a full or final drawing, the original Letter of Credit and documents are to be sent via overnight courier to our address indicated above.

A presentation under this Letter of Credit may be made only on a day, and during hours, in which such office is open for business, and payments can be effected via wire transfer (a "Business Day"). Partial drawing of funds shall be permitted under this Letter of Credit, and this Letter of Credit shall remain in full force and effect with respect to any continuing balance; provided that the Available Amount shall be reduced by the amount of each such drawing.

Upon presentation to Confirming Bank of your Documents in conformity with the foregoing, the Confirming Bank will, on the third (3rd) succeeding Business Day after such presentation, irrevocably and without reserve or condition except as otherwise stated herein, make payment hereunder in the amount set forth in the demand. Payment shall be made to your order by deposit to your account at the bank designated by you in the demand in immediately available funds. If on the Expiration Date, Confirming Bank's office specified above is not open for business by virtue of an interruption of the nature described in the "Uniform Customs and Practices for Documentary Credits," (2007 Revision) of the International Chamber of Commerce Publication No. 600 (the "Uniform Customs") Article 36, this Letter of Credit will be duly honored if the specified Documents are presented by you within thirty (30) days after Confirming Bank's office is reopened for business.

Provided that the presentation on this Letter of Credit is made on or prior to the Expiration Date and the applicable Documents as set forth above conform to the requirements of this Letter of Credit, payment hereunder shall be made regardless of: (a) any written or oral direction, request, notice or other communication now or hereafter received by us from the Applicant or any other person except you, including without limitation any communication regarding fraud, forgery, lack of authority or other defect not apparent on the face of the documents presented by you, but excluding solely a written order issued by a court of competent jurisdiction, which order is legally binding upon us and specifically orders us not to make such payment; (b) the solvency, existence or condition, financial or other, of the Applicant or any other person or property from whom or which we may be entitled to reimbursement for such payment; and (c) without limiting clause (b) above, whether we are in receipt of or expect to receive funds or other property as reimbursement in whole or in part for such payment. We agree that we will not take any action to cause the issuance of an order described in clause (a) of the preceding sentence.

We agree that the time set forth herein for payment of any demand(s) for payment is sufficient to enable us to examine such demand(s) and the related Documents(s) referred to above with care so as to ascertain that on their face they appear to comply with the terms of this credit and that if such demand(s) and Document(s) on their face appear to so comply, failure to make any such payment within such time shall constitute dishonor of such demand(s).

This Letter of Credit shall terminate upon the earliest to occur of (i) receipt by the Confirming Bank of a notice in the form of Exhibit III hereto signed by an authorized officer of Beneficiary, accompanied by this Letter of Credit for cancellation, and (ii) close of business at Confirming Bank's aforesaid office on the Expiration Date, or if the Expiration Date is not a Business Day, then on the close of business at Confirming Bank's aforesaid office on the next Business Day.

It is a condition of this Letter of Credit that it shall be deemed automatically extended without amendment for additional one (1) year periods from the Expiration Date hereof, or any future expiration date, unless at least sixty (60) calendar days prior to the Expiration Date (or any future

expiration date), we send you through U.S. Bank National Association a written notice by registered mail, return receipt requested or overnight courier at your address herein stated, or such other address of which you notify us in advance in writing, that we elect not to extend this Letter of Credit for any such additional period.

We may, in our sole discretion, increase or decrease the stated amount of this Letter of Credit, and the Expiration Date may be extended, by an amendment to this Letter of Credit in the form of Exhibit II signed by us. Any such amendment for decrease shall become effective only upon acceptance by your signature on a hard copy amendment.

You shall not be bound by any written or oral agreement of any type between us and the Applicant or any other person relating to this credit, whether now or hereafter existing.

We hereby engage with you that above documents presented hereunder, including your demand(s) for payment in conformity with the terms and conditions of this Letter of Credit will be duly honored if presented to Confirming Bank's office at 555 SW Oak Street, Suite 400-P, Portland, Oregon 97204, Attn: International Dept. on or before the expiry date indicated above or any extended expiry date.

All fees and other costs associated with the issuance of and any drawing(s) against this Letter of Credit shall be for the account of the Applicant. All of the rights of the Beneficiary set forth above shall inure to the benefit of your successors by operation of law. In this connection, in the event of a drawing made by a party other than the Beneficiary, such drawing must be accompanied by the following signed certification:

“The undersigned does hereby certify that [drawer] is the successor by operation of law to **[SOUTHERN CALIFORNIA PUBLIC POWER AUTHORITY][SACRAMENTO MUNICIPAL UTILITY DISTRICT][MODESTO IRRIGATION DISTRICT][TURLOCK IRRIGATION DISTRICT]**, as beneficiary named in [name of bank] Letter of Credit No. _____.

The Parties irrevocably agree to submit to the exclusive jurisdiction of such courts in the State of California and waive any defense of *forum non conveniens*.

**APPENDIX D
TO POWER PURCHASE AGREEMENT,
DATED AS OF OCTOBER 19, 2017
BETWEEN BUYERS
AND
ARP-LOYALTON COGEN LLC**

INSURANCE

I. GENERAL REQUIREMENTS

As a condition to the Effective Date, Seller shall furnish Buyers' Agent evidence of coverage from insurers acceptable to Buyers' Agent and in a form acceptable to the risk management section of the project manager for each Buyer or acceptable to Buyers' Agent for this purpose. Such insurance shall be maintained by Seller at Seller's sole cost and expense.

Such insurance shall not limit or qualify the liabilities and obligations of Seller assumed under this Agreement. Buyers shall not by reason of its inclusion under these policies incur liability to the insurance carrier for payment of premium for these policies.

Any insurance carried by any Buyer which may be applicable shall be deemed to be excess insurance and Seller's insurance is primary for purposes under this Agreement despite any conflicting provision in Seller's policies to the contrary.

Such insurance shall not be canceled or reduced in coverage or amount without first giving thirty (30) days' prior notice thereof (ten (10) days for non-payment of premium) by pre-paid first-class mail to Buyers' Agent: Executive Director, Southern California Public Power Authority, 1160 Nicole Court, Glendora, CA 91740.

Should any portion of the required insurance be on a "Claims Made" policy, Seller shall, at the policy expiration date following completion of work, provide evidence that the "Claims Made" policy has been renewed or replaced with the same limits, terms and conditions of the expiring policy, or that an extended discovery period has been purchased on the expiring policy at least for the contract under which the work was performed.

II. SPECIFIC COVERAGES REQUIRED

A. Commercial Automobile Liability

Seller shall provide Commercial Automobile Liability insurance which shall include coverages for liability arising out of the use of owned (if applicable), non-owned, and hired vehicles for performance of the work by Seller or its officers, agents, or employees, as required, to be licensed under the California or any other applicable state vehicle code. The Commercial Automobile Liability insurance shall have not less than \$1,000,000.00 combined single limit per occurrence and shall apply to all operations of Seller.

The Commercial Automobile Liability policy shall include each Buyer, its members, and their officers, agents, and employees while acting within the scope of their employment, as additional insureds with Seller, and shall insure against liability for death, bodily injury, or property damage resulting from the performance of this Agreement by Seller or its officers, agents, or employees. The evidence of insurance shall be a form acceptable to Buyer's risk management agent.

B. Commercial General Liability

Seller shall provide Commercial General Liability insurance with Independent Contractors, Broad Form Property Damage, Premises and Operations, Products and Completed Operations, fire, Legal Liability and Personal Injury coverages included and a Contractual Liability Endorsement. Such insurance shall provide coverage for total limits actually arranged by Seller, but not less than \$10,000,000.00 combined single limit per occurrence. Should the policy have an aggregate limit, such aggregate limits should not be less than double the Combined Single Limit. Umbrella or Excess Liability coverages may be used to supplement primary coverages to meet the required limits. Evidence of such coverage shall be in a form acceptable to each Buyer's risk management agent, and shall provide for the following:

1. Include each Buyer and its officers, agents, and employees as additional insureds with the Named Insured for the activities and operations of Seller and its officers, agents, or employees under this Agreement.
2. Severability-of-Interest or Cross-Liability Clause such as: "The policy to which this endorsement is attached shall apply separately to each insured against whom a claim is made or suit is brought, except with respect to the limits of the company's liability."
3. A description of the coverages included under the policy.

C. Excess Liability

Seller may use an Umbrella or Excess Liability Coverage to meet coverage limits specified in this Agreement. Seller shall require the carrier for Excess Liability to properly schedule and to identify the underlying policies on an endorsement to the policy acceptable to each

Buyer's risk management agent. Such policy shall include, as appropriate, coverage for Commercial General Liability, Commercial Automobile Liability, Employer's Liability, or other applicable insurance coverages.

D. Workers' Compensation/Employer's Liability Insurance

Seller shall provide Workers' Compensation insurance covering all of Seller's employees in accordance with the laws of any state in which the work is to be performed and including Employer's Liability insurance and a Waiver of Subrogation in favor of each Buyer. The limit for Employer's Liability coverage shall be not less than \$1,000,000.00 each accident and shall be a separate policy if not included with Workers' Compensation coverage. Evidence of such insurance shall be a form of Buyer Special Endorsement of insurance or on an endorsement to the policy acceptable to Buyer's risk management agent. Workers' Compensation/Employer's Liability exposure may be self-insured *provided* that Buyers' Agent is furnished with a copy of the certificate issued by the state authorizing Seller to self-insure. Seller shall notify Buyers' Agent by receipted delivery as soon as possible of the state withdrawing authority to self-insure.

**CITY OF LOS ANGELES
CONTRACTOR CODE OF CONDUCT**

The City of Los Angeles has long supported the premise that employers should fairly compensate employees, that the health and safety of workers should be protected, and that no form of discrimination or abuse should be tolerated. Experience indicates that laws and regulations designed to safeguard basic tenets of ethical business practices are disregarded in some workplaces, commonly referred to as "sweatshops."

In its role as a market participant that procures equipment, goods, materials and supplies, the City seeks to protect its interests by assuring that the integrity of the City's procurement process is not undermined by contractors who engage in sweatshop practices and other employment practices abhorrent to the City. When the City inadvertently contracts with these contractors, the City's ethical contractors are placed at a distinct competitive disadvantage. Many times ethical contractors are underbid by unscrupulous contractors in competition for City contracts. These ethical contractors may be dissuaded from participating in future procurement contracts.

The City's proprietary contracting interests are served by doing business with contractors who make a good faith effort to ensure that they and their subcontractors shun sweatshop practices and adhere to workplace and wage laws. Seeking to protect these municipal interests, the City requires that all contractors subject to the Sweat-free Procurement Ordinance certify that they and, to the best of their knowledge, their subcontractors will comply with the City's Contractor Code of Conduct and to promise the following:

- (a) To comply with all applicable wage, health, labor, environmental and safety laws, legal guarantees of freedom of association, building and fire codes, and laws and ordinances relating to workplace and employment discrimination.
- (b) To comply with all human and labor rights and labor obligations that are imposed by treaty or law on the country in which the equipment, supplies, goods or materials are made or assembled, including but not limited to abusive forms of child labor, slave labor, convict or forced labor, or sweatshop labor.
- (c) To take good faith measures to ensure, to the best of the contractor's knowledge, that the contractor's subcontractors also comply with the City's Contractor Code of Conduct.
- (d) To pay employees working on contracts for garments, uniforms, foot apparel, and related accessories a procurement living wage, meaning for domestic manufacturers a base hourly wage adjusted annually to the amount required to produce, for 2,080 hours worked, an annual income equal to or greater than the U.S. Department of Health and Human Services most recent poverty guideline for a family of three plus an additional 20 percent of the wage level paid either as hourly wages or health benefits. For manufacturing operations in countries other than the United States, a procurement living wage which is comparable to the wage for domestic manufacturers as defined above, adjusted to reflect the country's level of economic development by using the World Bank's Gross National Income Per Capita Purchasing Power index.

AGREEMENT

1. Assignment and Agreement.

1.1 Consent to Assignment. Buyers hereby consent to the collateral assignment to Agent pursuant to the Financing Documents, of **[(a) Seller's rights to and under the Power Purchase Agreement and in the Project and (b) Parent's membership interests in Seller (the "Assigned Interests") as security for Seller's obligations under the Financing Agreement].** *[To be updated based on final structure of financing.]* Subject to the terms and conditions of this Consent, Buyers agree that in exercising its remedies, Agent may exercise Seller's rights under the Power Purchase Agreement. Notwithstanding the foregoing or anything else expressed or implied herein to the contrary, (i) neither Seller, Agent, nor any Subsequent Owner (as defined below) shall assign, transfer, convey, encumber, sell or otherwise dispose of all or any portion of the Energy, Capacity Rights or Environmental Attributes (not including the proceeds thereof) to any Person other than Buyers, including any Facility Lender, and (ii) Agent agrees that its exercise of remedies under the Financing Documents shall be consistent with the terms and conditions of the Power Purchase Agreement and this Consent.

1.2 Notices; Right to Cure by Agent. Upon the occurrence of a Default by Seller under the Power Purchase Agreement, Buyers shall not terminate or suspend their performance under the Power Purchase Agreement until a Buyer first gives a written notice of such Default to Agent. Such notice shall provide Agent and the Facility Lenders with rights to cure such Default, provided that such cure rights shall be performed consistent with the requirements and within any applicable cure period or periods for such cure that are applicable to Seller under the Power Purchase Agreement. Failure to provide such notice to Agent shall not constitute a breach of the Power Purchase Agreement or this Consent by Buyers, and Agent and Seller agree that Buyers shall have no liability to Agent or Seller for such failure whatsoever; provided that no claim of rescission or termination of the Power Purchase Agreement by Buyers shall be binding without such notice and the lapsing of any applicable cure period. If Agent and the Facility Lenders fail to cure such a Default under the Power Purchase Agreement within any applicable cure period, Buyers shall have all its rights and remedies with respect to such Default, including their rights of withdrawal or termination, as set forth in the Power Purchase Agreement.

1.3 Notices; Right to Cure by Buyers. Seller and Agent agree that Buyers shall have the right to cure a default by Seller under the Financing Documents. Agent, on behalf of the Facility Lenders, shall provide Buyers with written notice of any default of Seller under the Financing Documents concurrently with the notice provided to Seller under the Financing Documents and Buyers shall have the right to cure such default, provided such cure shall be consistent with the requirements of the Financing Documents and shall be completed within ninety (90) days after the expiration of all cure periods available to Seller under the Financing Documents. The effect of any such cure by Buyers shall be as if Seller had cured the applicable default within the cure period afforded Seller under the Financing Documents, including cessation of exercise of remedies by Agent and the Facility Lenders. Upon any payment or cure by any Buyer relating to such a default by Seller, the amounts expended by such Buyer to provide such cure, including any defaulted payment and interest thereon, and all other payments made and expenses incurred by such Buyer in providing such cure shall be recovered by such Buyer, at such Buyer's election in its sole discretion, (a) by reducing amounts paid to Seller under the Power Purchase Agreement, (b) by drawing on the Performance Security, or (c) by reimbursement by Seller.

1.4 Subsequent Owner. The Parties agree that no foreclosure or delivery of a deed in lieu of foreclosure with respect to the Facilities pursuant to the Financing Documents shall take place or become effective, unless and until (a) Agent or its successor or permitted assignee, or the purchaser purchasing the Facilities (Agent or such successor or permitted assignee, or purchaser, each, a “Subsequent Owner”) is substituted for Seller and has assumed Seller’s obligations under the Power Purchase Agreement, (b) the Subsequent Owner meets the qualifications for a Qualified Transferee, and (c) the Subsequent Owner confirms to Buyers that the Performance Security remains in effect or provides replacement Performance Security meeting the requirements of the Power Purchase Agreement. In the event of any foreclosure, whether judicial or nonjudicial, or delivery of any deed in lieu of foreclosure under the Financing Documents, in connection with any deed of trust, mortgage, or other similar Lien, Agent or Subsequent Owner, and its respective successors in interest and permitted assigns, shall execute and deliver a written assumption of Seller’s obligations under the Power Purchase Agreement in form and substance reasonably acceptable to Buyers and shall be bound by the covenants and agreements of Seller in the Power Purchase Agreement; provided, however, that until the Person who acquires title to the Facilities executes and delivers to Buyers a written assumption of Seller’s obligations under the Power Purchase Agreement in form and substance reasonably acceptable to Buyers, such Person will not be entitled to any of the benefits of the Power Purchase Agreement.

1.5 No Assignment. Except for an assignment to a Qualified Buyer Assignee, which shall not require the prior consent of Seller or Agent, each Buyer agrees that it shall not, without the prior written consent of Agent (such consent to not be unreasonably withheld, conditioned or delayed, and Agent shall be deemed to have consented after 45 days of receiving notice from Buyers if Agent does not indicate otherwise), sell, assign or transfer any of its rights under the Power Purchase Agreement other than as permitted by and in accordance with the Power Purchase Agreement.

1.6 Limitation on Liability.

(a) Seller agrees that it shall indemnify and hold Buyers harmless from any third-party claims, losses, liabilities, damages, costs or expenses (including, without limitation, any direct, indirect or consequential claims, losses, liabilities, damages, costs or expenses, including legal fees) in connection with or arising out of any of the transaction documents related to the Financing Documents or this Consent.

(b) Agent agrees that in no event shall Buyers be liable to Agent or any Subsequent Owner for any claims, losses, expenses or damages whatsoever other than liability Buyers may have to Seller under the Power Purchase Agreement. In the event of the performance by Agent or a Subsequent Owner of Seller’s obligations under the Power Purchase Agreement, the recourse of Buyers in seeking the enforcement of such obligations shall include all rights and remedies available to Buyers pursuant to the Power Purchase Agreement and the value (taking into account indebtedness secured by the Facility, including indebtedness arising in connection with the Performance Security) of Agent’s or Subsequent Owner’s, as applicable, interest in the Facility.

2. Payments under the Power Purchase Agreement.

2.1 Without limiting the rights of Buyers under the Power Purchase Agreement, upon sixty (60) days’ prior written notice (in the form of Exhibit A hereto) delivered by Agent to Buyers, Buyers shall pay all amounts that they are obligated to pay to Seller under the Power Purchase

Agreement to Agent for deposit into the account specified below or otherwise designated by Agent to Buyers in writing no later than sixty (60) days prior to the date any such payments are due, in the manner and when required under the Power Purchase Agreement directly, and all such payments to such accounts shall be deemed to satisfy the payment obligations of Buyers under the Power Purchase Agreement.

Seller acknowledges and consents to Buyers making such payments directly to Agent and Subsequent Owner, as applicable, and acknowledges and agrees that performance by Buyers under this Section shall not release Seller from any of its obligations under the Power Purchase Agreement. Agent and Seller agree that any further change in payment notification shall become effective within sixty (60) days after receipt by Buyers of written notice thereof in accordance with this Consent. Buyers shall have no liability to Seller or Agent (or their successors or permitted assigns) for making payments due or to become due under the Power Purchase Agreement to Agent or for failure to direct such payments to Agent rather than Seller.
