Generating facilities that are RPS-certified on their own behalf are required to complete Schedule 5 by filling in the total monthly generation amounts. However, generators that were certified by an Investor-Owned Utility on their behalf are not required to complete Schedule 5. This form may be used to enter information for any number of generating facilities. E-mail the completed file to the address shown below. Then print out the file, sign the attestation as appropriate, and mail the package to the address shown below:

ATTESTATION FORM

I (print name and title) _____ declare under penalty of perjury that the following is true and correct to the best of my knowledge:

- 1) I am an authorize agent of (print name of company) _____ and have authority to submit this report on the company's behalf;
- 2) The information and data provided in this report, including information provided in Schedule 5, is correct and is submitted for use to verify generation and procurement requirements pursuant to the California Renewables Portfolio Standard;
- 3) The kilowatt-hours of electricity generation in Schedule 4 of this report have been sold once and only once by the generator signing this attestation;
- 4) To the best of my knowledge, none of the renewable electricity identified in Schedule 5 of this report, nor any of the Renewable Energy Certificates associated with this renewable electricity, has been or will be used, sold, retired, claimed, or represented as part of electrical energy output or sales to satisfy renewable procurement obligations or voluntary contributions for more than one purpose per certificate;
- 5) To count generation from facilities not directly connected to a California Balancing Authority (CBA) or facilities using incremental energy scheduled into a CBA to firm and shape energy for purposes of RPS compliance, the facility must enter an ownership, or power purchase, agreement with the publicly owned utility (POUs), retail seller or procurement entity and electricity must be delivered to a market hub (also referred to as "zone") or point of delivery (also referred to as "node") directly interconnected to a CBA. The requirements of the foregoing sentence do not apply to retail sellers subject to Public Utilities Code Section 399.17 or POUs subject to 399.18 and 399.30 (h).
