**Subject:** RE: Hello from Tyrone Roderick Williams - A fellow DACAG Member

***Greetings Tyrone,***

***Your comments and suggestions and recommendations to the Energy Commission Low Income Barriers Study make for interesting reading and are in line with my own thinking. I would also add the need for targeted classroom vocational training that may help take the low income constituents from the welfare roll to the payroll so they may reach back and help another. I look forward to meeting you and all our DACAG members in April 😊 Waudieur “Woodie” Rucker-Hughes***
