PUBLIC PSA/DEIS COMMENT FORM

Must be received on or before October 1, 2013
(Please print clearly)

Hi

My concern is if an accident happens because of this plant whether little or of huge magnitude who will be responsible?

Who will be able to enforce them to make it right?

I understand that in Debury, Mississippi CO₂ came up & killed animals. What if gas comes up and kills a person. Is the DEC responsible or Heeca?
