As requested in the Notice of Committee Conference dated November 1, 2013, Applicant hereby submits its proposed revisions to the Committee Schedule. Please note that Applicant proposes that the staffs of the California Energy Commission and U.S. Department of Energy issue a joint Final Staff Assessment/Revised Draft Environmental Impact Statement, as opposed to a joint Final Staff Assessment/Final Environmental Impact Statement as previously contemplated. The Final Environmental Impact Statement would then be issued by the DOE as a separate document. We look forward to discussing the Committee Schedule at the upcoming Committee Conference.

DATED: November 19, 2013

Respectfully submitted,
