Dear Chairman Wasson mother

Please have the CA Energy  
Commission deny an permit  
to build a new coal power plant  
in Bakersfield (or any other place  
for that matter).

Bakersfield is already one of  
the most polluted cities in CA. Do  
not make it worse.

Please consider using  
only clean energy alternatives  
from now on so that we can  
begin to cure again have  
pure healthy air in our  
state.

Thank you

Julia Cato
