## **Terminate HECA**

We are a very concerned neighbor that lives about a mile from the HECA property. We would like to know what kind of studies have the CEC done to know that the CO<sub>2</sub> will stay under HECA's property forever and not migrate to our property? We have been here for 46 years and we do not want the pollution and hazardous materials that come with this project. Do not reinstate the AFC proceeding. Terminate HECA.
