# Memorandum

Date : **December 22, 2015**

To: **All Parties to the Hydrogen Energy California Application for Certification (AFC)  
(08-AFC-08A)**

From: **Raoul Renaud, Hearing Officer  
California Energy Commission  
1516 Ninth Street  
Sacramento CA 95814-5512**

Subject: **Energy Commission Staff's December 15, 2015 Request to Terminate the AFC**

On November 30, 2015 Hydrogen Energy California, LLC (Applicant) docketed a Request to Reinstate AFC Proceedings. The Committee is treating this as a Motion by the Applicant, pursuant to Title 20, section 1716.5. Energy Commission Staff (Staff), and other parties, have docketed responses to that motion.

Staff docketed a response to the Motion on December 15, 2015. Staff requested not only that the Motion to Reinstate be denied, but also that the AFC be terminated. The Committee is treating Staff's request to terminate the AFC as a Motion by Staff, pursuant to Title 20, section 1716.5.

Although section 1716.5 allows 15 days for parties to respond to a motion, the Committee has determined that the deadline for parties to file responses to the Staff Motion to Terminate the AFC will be extended in consideration of both the holidays and the fact that Applicant has until January 6, 2016 to docket information responsive to the July 3, 2015 Committee Order Denying Staff's Motion to Terminate the AFC and Granting Request for Suspension.

**Accordingly, parties' responses to Staff's Motion to Terminate the AFC must be docketed on or before January 15, 2016.**

The Committee will hold a public hearing on this matter in the near future. Once a date and time have been determined, a formal Notice containing complete information about the hearing will be issued.
