The Commission is fine as long as we have remote access available—which I know we will 😊

**Subject:** Where to have the PMPD Conference for Palmdale

To the Parties and Public Advisor:

As we near the publication of the PMPD for Palmdale, I'm preparing a Notice of Availability and PMPD Conference. Before I ask the Petitioner to secure a venue for our PMPD Conference (tentatively penciled in for Friday August 4), it occurred to me that the public has shown no interest in this amendment whatsoever since our first trip down there for the informational hearing and site visit. This, despite the translation of all the notices into Spanish. We have no intervenor. Please respond with your preferences for the location of the PMPD conference by "reply[ing] all" to this email so that I can have all 3 of your points of view in a single document for docketing.

I will convey your responses to the Presiding Member who will make a determination on where to hold the PMPD Conference.

Thank you,

Kenneth D. Celli
