DATE FEB 10 2009

RECD OCT 27 2009

Hello All,

I am the Program Engineer of the Appliance Efficiency Program and I am contacting you to inform that the Energy Commission staff will be holding a television stakeholders meeting to discuss the proposed television standards on Wednesday February 25, 2009 from 9:30 AM to 12:30 PM (Pacific Standard Time). This meeting will be held at the Energy Commission building at 1516 9th Street in Sacramento, in the 3rd floor fishbowl conference room.

This meeting is conducted to seek input and discuss issues related to the draft proposed standards for television. A meeting agenda will be distributed next week. If you have any technical questions, please contact Harinder Singh at: [hsingh@energy.state.ca.us](mailto:hsingh@energy.state.ca.us), or for questions regarding the future television rulemaking contact John Butler at: [jbutler@energy.state.ca.us](mailto:jbutler@energy.state.ca.us). Information and documents related to the draft proposed standards for television are available at:

<http://www.energy.ca.gov/appliances/2008rulemaking/documents/index.html#121508>

This meeting will be accessible live via the internet using the Energy Commission's WebEx web conferencing system. You can participate in this meeting by WebEx web or audio only conferencing. We will be sending you WebEx information next week.
