Subject: Fwd: Mtg on 16th - have you set time?

Harinder, can you let Kelly know what time we expect to have the webex meeting start next monday, please? I remember someone saying 8:00 a.m., but do not see why we need to start this early. I would suggest 10:00 - equivalent to 1:00 on the East Coast. However, if CEA et al think it should be earlier, that's fine.

OK?

Tim
