NOTICE OF DECISION by the CALIFORNIA ENERGY COMMISSION

To: California Resources Agency
1416 9th Street, Room 1311
Sacramento, CA 95814

From: California Energy Commission
1516 9th Street, MS-2000
Sacramento, CA 95814

Subject: Filing of Notice of Decision in compliance with Public Resources Code section 21080.5 and Title 20, California Code of Regulations, section 1768

Project Name: Watson Cogeneration Steam and Electric Reliability Project

Energy Commission Docket Number: 09-AFC-1C

Energy Commission Contact Person: Mary Dyas **Phone #:** (916) 651-8891

Project Location: Carson, CA

Project Description: The addition of a nominal 85 MW combustion turbine generator, with a single-pressure heat recovery steam generator to provide additional process steam to the Carson refinery, to the existing cogeneration facility owned by Watson.

Modification Description: This modification terminates the license for the Watson Cogeneration Steam and Electric Reliability (5th Train) Project as of June 15, 2015. The Watson Cogeneration 5th train project will not be constructed.

On **July 8, 2015**, the California Energy Commission approved the above-described project change.

The Commission's docket files containing the Energy Commission's Final Decision and other information regarding the project are open to the public at: California Energy Commission, 1516 9th Street, Sacramento, California, 95814. This information is also available on the Energy Commission's web site—www.energy.ca.gov.
