RE: Abengoa Mojave Solar Project (09-AFC-5C): Mojave Solar LLC's Comments on the Staff Analyses of Proposed Modifications to the Final Decision

Dear Mr. Rundquist:

Mojave Solar LLC ("Mojave Solar") appreciates the opportunity to provide comments on the *Staff Analysis of Amendment Proposal(s)* and subsequent *Errata to the Abengoa Mojave Solar Project (09-AFC-5C) Staff Analysis of Proposed Modifications to Amend Air Quality* (collectively, the "Staff Analyses"). With the minor clarifying comments below, Mojave Solar concurs with the Staff Analyses, and supports both the new and revised proposed Conditions of Certification for the Mojave Solar Project.

Mojave Solar has minor, clarifying comments relating to Conditions of Certifications AQ-12 and AQ-62. Since Mojave Desert Air Quality Management District ("MDAQMD") permits have been issued, the phrase "District Permit TBD" should be replaced with applicable permit numbers. For AQ-12, the applicable MDAQMD permit numbers are C012015 and C012016. For AQ-62, the applicable MDAQMD permit numbers are B011046 and B011047.

Mojave Solar appreciates this opportunity to comment and thanks the Staff for its hard work on this petition.

Sincerely,

Samantha G. Pottenger
