Re: NEPA/CEQA and Land Use Notice Request for the Blythe Solar Power Project (CEC Docket No. 09-AFC-06C; CACA 48811)

Dear All:

I am writing on behalf of the Laborers International Union of North America, Local Union 1184 and its members living in Riverside County ("LiUNA" or "Commenters") regarding the Blythe Solar Power Project (CEC Docket No. 09-AFC-06C; CACA 48811), including all actions referring or related to the development of a 485 megawatt (MW) solar photovoltaic (PV) project located within the Palo Verde Area Plan of Riverside County, 8
miles west of Blythe and 3 miles north of Interstate 10. The project will consist of four units developed in four phases (the first three to generate approximately 125 MW each, and the fourth to generate approximately 110 MW), as well as associated facilities and a 230 kV generation-tie (gen-tie) line to connect the solar plant to Southern California Edison's Colorado River Substation (collectively, "Project").

In particular, we hereby request that the California Energy Commission, the Bureau of Land Management, and the County of Riverside (collectively, "Agencies") send by mail and electronic mail to our firm at the address below notice of any and all actions or hearings related to activities undertaken, authorized, approved, permitted, licensed, or certified by the Agencies and any of their subdivisions, and/or supported, in whole or in part, through contracts, grants, subsidies, loans or other forms of assistance from the Agencies, including, but not limited to the following:

- Any and all notices prepared pursuant to the National Environmental Policy Act ("NEPA"), including, but not limited to:
  - Notices of any public hearing in connection with the Project held pursuant to NEPA.
  - Notices of Intent that an Environmental Impact Statement ("EIS") or supplemental EIS is required for the Project, pursuant to NEPA, to 40 CFR § 1508.22, or any other title under the Code of Federal Regulations.
  - Notices of availability of an environmental assessment ("EA"), Draft EIS, or a finding of no significant impact ("FONSI") under NEPA for the Project.
  - Notices of any Record of Decision of any EIS, a FONSI, or other approval and/or determination to carry out the Project, prepared pursuant to NEPA or any other provision of law.
  - Notice of categorical exclusion from NEPA.
  - Notice of any Final EIS prepared pursuant to NEPA.

- Notice of any public hearing in connection with the Project as required by California Planning and Zoning Law pursuant to Government Code Section 65091.

- Any and all notices prepared pursuant to the California Environmental Quality Act ("CEQA"), including, but not limited to:
  - Notices of any public hearing held pursuant to CEQA.
  - Notices of determination that an Environmental Impact Report ("EIR") or supplemental EIR is required for a project, prepared pursuant to Public Resources Code Section 21080.4.
  - Notices of availability of an EIR or a negative declaration for a project prepared pursuant to Public Resources Code Section 21152 and Section 15087 of Title 14 of the California Code of Regulations.
  - Notices of approval and/or determination to carry out a project, prepared pursuant to Public Resources Code Section 21152 or any other provision of law.
  - Notice of approval or certification of any EIR or negative declaration prepared pursuant to Public Resources Code Section 21152 or any other provision of law.
  - Notice of exemption from CEQA prepared pursuant to Public Resources Code section 21152 or any other provision of law.
  - Notice of any Final EIR prepared pursuant to CEQA.
This request is filed pursuant to 40 CFR § 1506.6(b)(1), which requires the lead NEPA agency to mail notice to those who have requested it on an individual action of all NEPA-related hearings, public meetings, and the availability of environmental documents, as well as under California Public Resources Code Sections 21092.2, and 21167(f) and California Government Code Section 65092, which require local agencies to mail such notices to any person who has filed a written request for them with the clerk of the agency’s governing body.
