Dear Librarian:

**DOCUMENT HANDLING FOR THE FINAL STAFF ASSESSMENT PART B FOR THE PROPOSED BLYTHE SOLAR POWER PROJECT AMENDMENT (09-AFC-6C) and POSTING OF PUBLIC NOTICE**

The enclosed Staff Assessment Part B (SA) contains the California Energy Commission (Energy Commission) staff's environmental evaluation (Biological Resources, Cultural Resources, Land Use, Traffic & Transportation, Visual Resources, and Alternatives) of the Blythe Solar Power Project (BSPP), proposed to be located in the county of Riverside. The SA Part A was published on September 23, 2013. Please make the SA Part B available for those who may wish to be informed about the project. We request that you not allow the SA Part B or any of its contents to be removed from the library. To increase accessibility of the document, we ask, if possible, that you cross-reference it as a general reference work under the title and author categories, as well as under such subjects as "Energy Commission," "electricity/energy generation," "power plant siting," or any other relevant subject. Please retain the enclosed letter to the public behind the front cover of the SA Part B.

The Energy Commission's siting process is open to the public and incorporates the input of the public as well as local, state, federal agencies and tribes. To facilitate public participation in our review process, the Commission distributes copies of staff documents such as this SA to public libraries in communities near proposed projects, and in major cities throughout the state. To assist the Energy Commission in this effort, please retain a copy of the enclosed Notice of Availability behind the front cover of the SA Part B and also post a copy of the Notice of Availability in a place conspicuous and accessible to those members of the general public who visit the library.

Thank you for your cooperation. If you have any questions, please contact Mary Dyas, Compliance Project Manager, at (916) 651-8891, or by e-mail at: [mary.dyas@energy.ca.gov](mailto:mary.dyas@energy.ca.gov).

Sincerely,

Date: 18 OCTOBER 2013
