(10-ALT-01?)

**DOCKET****10-ALT-01**

DATE JAN 25 2011

RECD. JAN 25 2011

Dear Mr. Hanna

On January 22, 2011, Electric Vehicles International submitted materials to the California Energy Commission for confidential designation. Pursuant to California Code of Regulations, an entity seeking confidentiality for certain materials needs to submit an application for confidentiality. (Cal. Code Regs., tit. 20, § 2505 et seq.) We have identified the application and/or materials submitted as deficient<sup>1</sup> or incomplete for the reason[s] listed below:

- ☒ The submitted application and/or supporting materials do not have an identifiable and/or complete docket number typed or printed on the materials. (Cal. Code Regs., title 20, § 1209(b)(2))

Also, pursuant to your attorney's conversation with Renee Webster-Hawkins, the following information has not been submitted in your application for confidential designation per the California Code of Regulations:

- ☒ The material does not cite and discuss the provisions of the Public Records Act or other laws that allow the Commission to keep the record confidential. (Cal. Code Regs., title 20, § 2505(a)(1)(D))
- ☒ The applicant does not state whether the information may be disclosed if it is aggregated with other information of masked to conceal certain portions. (Cal. Code Regs., title 20, § 2505(a)(1)(E))
- ☒ The material does not state how the information is kept confidential by the applicant. (Cal. Code Regs., title 20, § 2505(a)(1)(F))

Once the deficiencies identified above have been corrected, please return the completed application for confidentiality to the Energy Commission's Executive Director. Be advised that the record[s] for which confidentiality is requested shall not be disclosed for 14 days from the date of this letter. If you have any questions concerning this matter, please contact Deborah Dyer, Senior Staff Counsel, at (916) 654-4873.

Sincerely,
