**Subject: Repeated Request for Confidential Designation
Confidential Air Quality Offset Information
Response to Data Request Number 2
San Gabriel Generation Station (07-AFC-2)**

Dear Mr. Blevins,

San Gabriel Power Generation, LLC (SGPG), a subsidiary of Reliant Energy is the owner of the San Gabriel Generation Station (SGGS). SGPG requested Confidential Designation of a Confidential Offset Strategy in a previous filing dated May 4, 2007, and which was granted by the Commission on May 21, 2007. Staff submitted Data Requests, which required SGPG to provide the following confidential air quality offset information pursuant to its response to Data Request Number 2. SGPG requests that the attached be designated confidential pursuant to 20 CCR Section 2505 (b). This information is substantially similar to the Confidential Offset Strategy dated May 4, 2007 and the facts and circumstances that make the Confidential Offset Strategy confidential are the same facts and circumstances that make the following Response to Data Request 2 confidential.

I certify under penalty of perjury that the information contained in this application for confidential designation is true, correct and complete to the best of my knowledge and that I am authorized to make the application and certification on behalf of the applicant.

A handwritten signature in black ink, appearing to read "Scott A. Galati".

Scott A. Galati
Counsel for SGPG
