RE: San Gabriel Generating Station Project

Mr. Johnson,

The County of San Bernardino, Department of Public Works Traffic Division has reviewed the supplemental information sent to us by your office for the Application for Certification of the San Gabriel Generating Station Project. During normal operations, this project would generate an insignificant amount of traffic to our local roadways, therefore we have no comments.

If you have any questions or comments, please contact Ed Petre at 909-387-8186.

Sincerely,

Jacob Y Babico, P.E.  
Chief Traffic Division
