RE: Application for Certification
CPV Vaca Station Power Plant Project
Proof of Service
Docket No. 08-AFC-11

California Energy Commission

DOCKETED
08-AFC-11

TN # 69724

FEB. 27 2013

Attached is the **newly revised** Proof of Service for the above-mentioned project, current as of February 27, 2013.

Note a NEW procedure for serving documents on the Commissioners, Commissioner Advisers, and Hearing Advisers. They will now receive their copies of documents directly from the Docket Unit after the document has been filed with and accepted by Dockets. This process ensures that Commissioners, Commissioner Advisers and Hearing Advisers will work only from properly filed documents and will not rely on information not part of the official record. The Proof of Service has been modified to list those persons without any e-mail or mailing addresses, under the heading "Other Energy Commission Participants" for the convenience of people who also use the list to determine who is involved in this case. **DO NOT SEND DOCUMENTS DIRECTLY TO THEM UNLESS YOU ARE SPECIFICALLY DIRECTED TO DO SO. ONLY SEND DOCUMENTS DIRECTLY TO THOSE PERSONS LISTED UNDER "SERVICE LIST" ON THE PROOF OF SERVICE.**

All parties are presumed to accept e-mail only service unless they specifically inform us that they wish to receive paper copies. Pursuant to the "General Orders Regarding Electronic Document Formats, Filing and Service of Documents and Other Matters" adopted in this proceeding, until a party indicates to the Presiding Member or Hearing Adviser that it requires a hard copy, an e-mailed copy of all electronic documents of 5 megabytes maximum file size is sufficient for service in this proceeding. No hard copy of an e-mailed document need be provided. Where a party is designated on the Service List for this proceeding as "hard copy required" or similar words, parties shall deliver a paper copy of all written material they file in this proceeding in person or by first class mail, or other equivalent delivery service, with postage prepaid to the person so designated. Regardless of whether a party has indicated a preference for hard copies, documents larger than 50 pages may alternatively be sent in the form of an electronic file recorded on a compact disk rather than as a paper copy, provided that the party is offered the opportunity to request a paper copy.

Unless otherwise specified in a regulation, all materials filed with the Commission must also be filed with the Docket Unit. (Cal. Code Regs., tit. 20, § 1209(d).) Some regulations require filing with the Commission's Chief Counsel instead of the Docket Unit. For example, Section 1720 requires a petition for reconsideration to be filed with the Chief Counsel and served on the parties. Service on the attorney representing Commission staff does not satisfy this requirement. The Proof of Service is not appropriate for use when filing a document with the Chief Counsel under Title 20, sections 1231 (Complaint and Request for Investigation) or 2506 (Petition for Inspection or Copying of Confidential Records). The Public Adviser can answer any questions related to filing under these sections.

Use this newly revised Proof of Service for all future filings. This Proof of Service will also be available on the Commission's project web site at:
<http://www.energy.ca.gov/sitingcases/vacastation/>.

Please review the information and contact me at maggie.read@energy.ca.gov or (916) 654-3893, if you would like to be removed from the Proof of Service or if there are any changes to your contact information.
