Dear James M. Allan:

On March 13, 2007, City of Victorville submitted A Draft Confidential Cultural Resources Assessment Report to the California Energy Commission for confidential designation. Pursuant to California Code of Regulations, an entity seeking confidentiality for certain materials needs to submit an application for confidentiality. (Cal. Code Regs., tit. 20, § 2505 et seq.) We have identified the application and/or materials submitted as deficient or incomplete. Therefore, we are returning the materials for the reason[s] listed below:

- The submitted application and/or supporting materials do not have an identifiable and/or complete docket number typed or printed on the materials.
- The materials, for which confidentiality is sought, have not been submitted with the application.
- We have received materials labeled as confidential, but there is no accompanying application for confidentiality.<sup>1</sup>
- The application for confidentiality has not been signed by an authorized representative of your company, and/or does not include the certification as required by regulation. (Cal. Code Regs., title 20, § 2505(a)(1)(G).)
- Other: \_\_\_\_\_

Once the deficiencies identified above have been corrected, please return the completed application for confidentiality to the Energy Commission's Executive Director. Be advised that the record[s] for which confidentiality is requested shall not be disclosed for 14 days from the date of this letter. If you have any questions concerning this matter, please contact Fernando De Leon, Senior Staff Counsel, at (916) 654-4873.
