Supplement to Staff's Prehearing Conference Statement

On March 13, 2008 the Committee overseeing the application for certification for the Victorville 2 Hybrid Power Project issued a Notice of Prehearing Conference and Evidentiary Hearing. In the Notice, the Committee directed the parties to file Prehearing Conference Statements addressing eight items no later than March 28, 2008. On March 21, 2008, staff filed its Prehearing Conference Statement. As a result of recent developments, staff files this Supplement, identifying several additional issues and pieces of testimony we plan to offer at the April 3, 2008 hearing. Only those items which have changed are addressed below.

1) Complete Topic Areas: With the addition of the testimony included with this filing, all topics are complete and ready to proceed to hearing.

2) Incomplete Topic Areas: With the addition of the testimony included with this filing, no topics are incomplete.

3) Disputed Areas: In addition to biological resources, which was identified in staff's March 21, 2008 Prehearing Conference Statement as a contested issue, the applicant has informed staff that it may contest certain issues in the areas of noise, cultural resources, visual resources, alternatives, and air quality. In addition, staff has included a new Condition of Certification in the testimony included with this filing to address the identification of horizontal directional drilling locations included in a recent filing by the applicant. Staff has also included a new proposed Condition of Certification to ensure that

C. Homa

- c. Cultural Resources: Beverly Bastian will testify on cultural resources. Her testimony should be marked as Exhibit 205.
- d. Noise: Steve Baker will testify on noise. His testimony should be marked as Exhibit 206.
- e. Traffic and Transportation: Jim Adams will testify on traffic and transportation. His testimony should be marked as Exhibit 207.
- f. Visual Resources: David Flores will testify on visual resources. His testimony should be identified as Exhibit 208.
- g. Alternatives: John Kessler will testify on alternatives. His testimony should be marked as Exhibit 209.

7) Schedule Proposal: No changes.

8) Conditions of Certification: With the addition of the testimony included with this filing, the staff proposed conditions of certification are complete, enforceable, and consistent with the evidence that will be presented at the hearings.

Date: March 28, 2008

Respectfully submitted,
